Love & Light Clayten Tylor,2017-05-20 This book examines Swedenborg s spiritual experiences of Heaven and Hell from an esoteric perspective as a feeling the language of angels and spirits To perceive this spiritual feeling begins the regeneration process that develops an inner perception of celestial love as spiritual light When we can perceive love and light as a feeling as it expresses through our physical senses we can start to affect our own psycho spiritual development to evolve from a sensual to a spiritual feeling of conjugal love As we examine love and light as a spiritual feeling through heaven and hell we too begin to experience a deeper spiritual awareness which can initiate a personal communication with the Divine as a Conjugal Love experience With creative self expression as our goal we can take regeneration into our own hands to speed up our own evolution while we transmute the forces that block the spiritual feeling of the Brotherhood of Mankind and thereby together manifest the feeling of Heaven on Earth

This tale follows a young Indian girl who believes in the idea of a soul mate. Guided by certain dreams, she takes on the voyage of her heart, magically navigating Asia, Europe, Africa, South, North, Central America. Through synchronous events, Boi meets a mysterious man she believes is her soul mate. But then the love she's just found is lost because of her own fears. She must battle the dark nights of her soul or remain discontent the rest of her life. Thus begins the inner journey. Her heart nudges and, like a fallen leaf, she flies in the direction of her dreams, blindly, with only signs wrapped in the sheets of desire guiding her. The day Boi decides to listen to her heart, it compels her to bare her soul naked to this man for he is her MagicNine. Over the next three years, she writes to him the story of her heart, sometimes trying to impress him with her knowledge of the universe, at other times desperate to revive her lost love, yet never giving up until the writing takes on a life of its own and the saga of her life unfolds in the pages of this book through myriad musings mailed to him over millions of moments of madness, melody and magic. Words flow to her from all corners of the universe, pushing her story in a collage of expressions: a piece from here, a text from there, a poem from nowhere, all of which fit the jigsaw of her life story, one she is reluctant to write. In search of her soul mate, she met with her own soul. *The Works of Thomas Love Peacock: Poetry. Miscellanies. Four ages of poetry. Horæ dramaticæ, no. 1-3.*
