Jones,2023-03-28 This book was written to encourage and support all those who might be termed self or soul seekers My introduction to this philosophy and or teaching called metaphysics actually turned my life around Over the years after much reading studying researching a lot of soul searching and practicing those concepts that made sense to me I have become a more confident and peaceful person about my place within the universe After many years of private pain and suffering I have learned so much about that something within me that has become the catalyst for me to feel empowered to learn to honor and respect others to make positive changes for myself based on my own determination I have learned to accept myself just as I am and no longer relying on others opinion or waiting for their concept of who I am or should be I have learned that I have a powerful tool that is available to me This tool was not given to me by anyone nor can it be taken away from me I am in total control of this tool which is my mind With our minds we can observe make adjustments when we find it necessary or

desired We can make judgments or not We can be healthy happy and successful all due to our state of mind What a powerful gift that we all have been given So this book may be a catalyst for others who have probably heard these words before but have not been courageous enough to make a stand for themselves Changing one s thoughts can indeed change one s life but this endeavor is not easy It takes commitment to one s self to come to that place of understanding and accepting that it s what you understand in life is what you will experience Whispers from God Victoria M. Howard DM,2019-12-01 Whispers From God is a 365 day devotional book that reflects messages especially for you from God Experience peace in the presence of the Savior through these inspiration devotionals written for the entire family Whispers From God contains words and messages of encouragement comfort and reassurance of our Lord s unending love guidance and peace through Scripture Through these writings your love for Jesus will flourish as you spend one on one time with Him each day **Secrets of the Blessed** C. A. Lemaster,2017-09-27 No one ever promised life had to be fair but does it have to hurt so much Is there any hope that this pain will ever end Wherever Jesus went he was surrounded by a multitude of hurting peoplefolks that needed someone to care about and for them He saw them as harassed scattered sheep in desperate need of a shepherd To each of us he has brought hope for deliverance healing from our sorrows and forgiveness for our sins Whether we investigate the heartbeat of the Psalmists the trials of the patriarchs or the pains of the apostles we find people who faced the abuse life arbitrarily hurls our way These saints found healing through their relationship with their God They wrote fearlessly of their experiences so we might learn from them Secrets of the Blessed takes us on a journey of faith through our pain There is truly hope for a blessed happy life when we learn to believe God even when he seems unfair to us There really are no secrets but there are nuggets of wisdom we can mine from Gods Word **The Atlantic Monthly** ,1902 A Treatise Concerning Heaven and Hell and of the Wonderful Things Within Emanuel Swedenborg,1784 **For each new day; daily portions illustrated by extracts from eminent preachers** Each new day,1897 **Nice Is Better Than Pretty** John A.
