Love Is Forever:

My Heartfelt Love Poems Shanae Jones,2014-12-30 In my way of my heart I thought that this would be the time to show the way I love poetry so much so I decided to write an all poetry book with love sonnets This book expresses my love that I have inside of me The love that I want to give and have Some are dark inspiring funny and memorable I speak in the words that my heart felt and that my mind could express Some poems are even fictional but all from my heart So please let this book touch your heart like my heart felt when she poured out **Knowing Jesus Through Love, Fellowship & Worship**

Quency Gardner,2004-03 *Collection of Poems by Sepotli Alpheus Mekwa* Sepotli Alpheus Mekwa,2015-04-13 In these volume 2 of poems there are poems of world cup these are the poems when South Africa was hosting the world cup These poems shows appreciation of the people who came to South Africa to support the world cup And it also thanks the world for giving Africa the chance to host the world cup And we this volume also have love poems there are love poems that everyone can relate to because everyone relate to love And there are also inspiration poems that would inspire everyone who is seeking for inspiration *The Will of Love* Somadina Chukwu Nnaji,2014-06-09 This book is written from classical collections of my struggles in life and my decisions through critical moments some of them was dirty some of them was stupid and most of them was specific about love However it s a concise short words which I presented to you based on my ideology that modern society is occupied and busy so therefore should be given happy time easy times and moments of relaxation This book is small but its interpretation could be deep because it contains inscriptions of different insights of various situations so this book is written to act like a seed planted in a soil how you interpreted depends on the type of fruit it will bear but I hope it inspire you to be a better person I do believe that this is work is suitable for youth family people and modern philosopher reflecting about Love Life and Time Finally please give me feedback about what you think or feel because this is my first book and it took me more than 2 years **Vows of Love** Martha Kurtz,2011-04-08 My book is about love two hearts when the hearts find each other is a wonderful thing When the hearts depart for a known love or a death it takes your heart breaks it in pieces when two people say their vows of love to each other it s a magical place for the hearts Some times the hearts find another path to take to a known love Then the heart departs because of death It turns the heart inside out for the love that is gone The heart feels for that love forever in their heart Vows of love when two hearts are put together by love Heart falls in love its the most beautiful thing When they find each other When you find the one you think its forever years and days go by then they say good bye From their hearts two each other but some times their hearts find each other again I was born and raised on a farm With my dad and mom and sister and brother my aunts and uncles I went to a small grade school in a small town I went to high school in the next town I became legally blind in 2007 **A Heart to Live in Troubled Times**

Gloria J. Carter,2010-07 Are you struggling with guilt Have you been mistreated because you are different Familiar with heartache Gloria J Carter shares openly about her difficult past in her touching memoir *A Heart to Live in Troubled Times*

Gloria first gave her life to Jesus at nine but she was unprepared for the challenges she would later endure The pressures of being a teenager and the constant struggles between her parents drove her into the streets of Los Angeles where she spent the next thirteen years in and out of drug rehabilitation centers After what seemed a lifetime of trouble she decided to end it all Following several unsuccessful attempts at suicide she began to cry out to God for help Gloria expresses her turmoil through heartfelt poems which complement narratives of her past A Heart to Live in Troubled Times offers a compelling reminder of where joy can be found from one who has battled for hope The Love Scrolls Edward Theodore Hayes,2008-08 2003 2005 Poet of the Year Shakespeare Award of Excellence recipient The Love Scrolls Seven The Love Scrolls is an epic to literally sweep you off of your feet I love therefore I m forever As Shakespeare shall write of his kings so I shall write of mine We shall cover the ground with love s growth and upon the earth with love s tree we shall sod Spreading its fruit in abundance unto a lover unto our brother unto each other and unto God Shore up your works with faith and love guild For these are the only eternal substances from which mankind is allowed to build Cover artist April Sampson Graphic artist Tate Krupa *Love Notes* Laura LM,2012-03-14 The perfect love story starts with you Do you know that you own the script of love in your life Day by day this book shall romance you give you the love that you deserve reminding you you are precious valuable you are a beautiful person you are hot amazing and everything in between and above all you are a gift in this world When you truly love and feel loved you naturally become more beautiful you acquire that amazing inner glow radiating from your whole being it becomes alive in your eyes it shows on your face your become more attractive and pleasant people want to be in your presence and naturally they emulate your state of being You will then know true happiness All you need is already inscribed inside of you open the door to your heart and allow Love to enter Let it lit up the glow of your being and a wonderful world shall be revealed The Love Notes were written over the course of one year as daily love messages delivering a much welcomed infusion of love to subscribers perfect to help them start the day on a positive note At readers request the Love Notes have now become a book the first in the series is a journey of love in finding the true love within yourself
