Love Laughter The True Story Of An Online Cancer Survivors Support Group:

Love & Laughter Marilyn R. Moody, 2000-01-19 *Love Laughter* is the true story of the original American Online Cancer Survivors Support Group. It was written to show the bonding between many courageous people who came together weekly in cyberspace to share their stories while going through their cancer experiences. The title of the book is the essence of the story. You may become teary-eyed in places and for sure you will have many good laughs as these people bring lots of humor to the sessions. The story is told in a two-act play with two scenes each. The period covered is from Halloween of 1994 through New Years Eve of 1995. There are some main characters and also people who drop in on occasion to participate in the cancer chat meetings. You will probably find at least one person that you can't help falling in love with. If you are a cancer survivor, you will probably relate to what these people are experiencing and expressing in the group. When the play was performed in Southern California, it received excellent reviews. People who never had cancer spoke about how much they learned about a cancer diagnosis. It's informative, sad, funny, and very, very real. Comments from audience members who had never touched a computer but who said they'd read about chat rooms in the newspapers stated that it gave them such a vision of what goes on in one that they now could understand what chat rooms are about. One person who lives in the Midwest ordered a copy of the video tape of the play. She's not a cancer survivor and has never been in a chat room, but she said watching the play made her feel like she was part of the group. When you read the book, you will probably wonder how cyberspace could be created on a stage, but just let your imagination go with the story. That's what I did when I wrote it. You'll know what's going on, and well, Welcome to Cancer Survivors. *Many Hearts Beating as One* Marilyn R. Moody, 2009-02-20 These quotes have been

gathered from many different sources including other books, magazines, newspapers, and internet sources such as various newsgroup lists. The author has quoted those sources for the content and originators of quotes. They are meant to be read, enjoyed, pondered, and saved. Some people are inspirational quote junkies, as is the compiler of these quotes. **Simple Pleasures** Marilyn R.
