Warren,2011-06-14 The years 1969 and 1979 bookend a volatile decade in American history As an articulate witness to the era of the Vietnam War Watergate Jimmy Carter and the national malaise Robert Penn Warren produced a phenomenal body of work securing his place in the canon of American poetry Volume five of Selected Letters of Robert Penn Warren Backward Glances and New Visions 1969 1979 includes Warren s letters to friends family peers editors inquiring scholars and critics recording the details of his personal and professional life and illustrating his pivotal role in twentieth century American literature In these turbulent but fruitful years Warren produced both Audubon A Vision 1969 and the revised version of Brother to Dragons 1979 In between lay some of Warren s most searching work as poet novelist literary critic and social commentator During this era Warren s achievements included his highly experimental and complex Or Else Poem Poems 1974 and the Pulitzer Prize winning Now and Then 1978 Before the end of the 1970s three more novels appeared concluding

with his final book of fiction *A Place to Come To* This volume provides insight into Warren's inspiration during a remarkably productive era and will prove an essential resource on his life and work *Firsts* Carl Phillips, 2019-01-01 A masterfully curated collection drawn from a century of works in the acclaimed Yale Series of Younger Poets The Yale Younger Poets prize is the oldest annual literary award in the United States Its winners include some of the most influential voices in American poetry including Adrienne Rich John Ashbery Margaret Walker Carolyn Forché and Robert Hass In celebration of the prize's centennial this collection presents three selections from each Younger Poets volume It serves as both a testament to the enduring power and significance of poetic expression and an exploration of the ways poetry has evolved over the past century In addition to judiciously assembling this wide-ranging anthology Carl Phillips provides an introduction to the history and impact of the Yale Younger Poets prize and its winners in the wider context of American poetry including the evolving roles of race gender and sexual orientation Obsessive Images Joseph Warren Beach, 1960 *Obsessive Images* was first published in 1960 Minnesota Archive Editions uses digital technology to make long unavailable books once again accessible and are published unaltered from the original University of Minnesota Press editions As Mark Schorer comments this is the last unfinished work of a distinguished well-loved critic poet and professor After the death of Joseph Warren Beach his colleague and friend William Van O'Connor professor of English at the University of Minnesota prepared the unfinished manuscript of this work for publication and wrote the foreword The work is primarily a study of certain words phrases and images that turn up with unusual frequency in modern American poetry especially that of the decades of the 1930s and 1940s and which are used in unusual senses to carry special symbolisms or to imply peculiar philosophical attitudes Since the study is concerned with such recurring images and themes many poets of distinction in whose work they are not to be found are left out but Professor Beach also discusses the significance of the absence of these poets Students and critics will gain insight through this work into the characteristic attitudes of a generation of poets The book is moreover a delight to read reflecting as it does Mr Beach's own love for the study of poetry As Professor O'Connor points out the tone is much more personal than that of Mr Beach's other books The English Catalogue of Books Published from January, 1835, to January, 1863 , 1864
