Love Marriage And The Catholic Conscience Understanding The Church's Teachings On Birth Control:

Love, Marriage, and the Catholic Conscience Dietrich Von Hildebrand, 1998 What every Christian needs to know about love marriage and contraception eye opening reasons for you to give these Church teachings a closer look Plus as a special bonus we've included the complete text of *Humanae Vitae* Pope Paul VI's encyclical letter on contraception *Why Humanae Vitae Is Still Right* Janet Smith, 2018-07-11 Paul VI's genius proved prophetic he had the courage to stand against the majority to defend moral discipline to exercise a brake on the culture to oppose present and future neo Malthusianism Pope Francis Of all the paradoxical fallout from the Pill perhaps the least understood today is this the most unfashionable unwanted and ubiquitously deplored moral teaching on earth is also the most thoroughly vindicated by the accumulation of secular empirical post revolutionary fact The document in question is of course *Humanae vitae* Mary Eberstadt Author Adam and Eve after the Pill After half a century how has the teaching of Pope Paul VI on marriage and birth control presented in his encyclical *Humanae vitae* On Human Life held up Very well says philosopher Janet Smith and her colleagues in *Why Humanae Vitae Is Still Right* A sequel to Smith's classic *Why Humanae Vitae Was Right* this new volume shows how the ethical theological spiritual and sociological case for Paul VI's controversial document remains strong indeed how it's in some ways even stronger today following Pope John Paul II's *Theology of the Body* and in light of the problems caused by the sexual revolution In addition to essays by Dr Smith herself the book features contributions by other renowned experts and scholars such as Mary Eberstadt author of the best selling *Adam and Eve after the Pill* George Weigel Therese Scarpelli Corey Michael Waldstein Christopher West Obianuju Ekeocha author of the best selling *Target Africa* Maria Fedoryka Deborah Savage Derek Doroski Angela LaFranchi William Newton Joseph Atkinson Michele M Schumacher and Peter Colosi *Why Humanae Vitae Is Still Right* includes the Krakow Document composed under the supervision of Cardinal Karol Wojtyla later Pope John Paul II which provided research by moral theologians and other experts that helped to shape *Humanae vitae* to be a more personalistic document **Called to Give Life** Jason T. Adams, 2003 **Toil and Transcendence** Fr. Charles Connor, 2020-11-15 The Catholic hierarchy and laity factored into many of the great stories of twentieth century America which are told here by one of our country's foremost experts on Catholic American history Fr Charles Connor **New Perspectives on Contraception** Donald DeMarco, 1999 *In the Lógos of Love* James Heft, Una M. Cadegan, 2016 This volume brings together scholars of theology history law and media studies of religion who explore the Catholic intellectual tradition from the perspectives of these disciplines Each essay explores both the promise of Catholic intellectual life and its contemporary predicaments *Sex and the Marriage Covenant* John Kippley, 2014-01-23 The thesis of this book is that God intends that sexual intercourse should be at least implicitly a renewal of the marriage covenant From this it follows that the marriage covenant provides the criterion to evaluate the morality of every sexual act Thus the title *Sex and the Marriage Covenant* is an appropriate description of the book's contents Marriage comes into being by a couple unreservedly entering

God's covenant of marriage contraceptive intercourse contradicts the very essence of the marriage covenant. From these considerations Kippley developed the covenant theology of sexuality described in this book.

Multiculturalism in the United States John D. Buenker, Lormen A. Ratner, 2005-03-30 Interest in ethnic studies and multiculturalism has grown considerably in the years since the 1992 publication of the first edition of this work. Co editors Ratner and Buenker have revised and updated the first edition of *Multiculturalism in the United States* to reflect the changes patterns and shifts in immigration showing how American culture affects immigrants and is affected by them. Common topics that helped determine the degree and pace of acculturation for each ethnic group are addressed in each of the 17 essays providing the reader with a comparative reference tool. Seven new ethnic groups are included: Arabs, Haitians, Vietnamese, Koreans, Filipinos, Asian Indians, and Dominicans. New essays on the Irish, Chinese, and Mexicans are provided, as are revised and updated essays on the remaining groups from the first edition. The contribution to American culture by people of these diverse origins reflects differences in class, occupation, and religion. The authors explain the tensions and conflicts between American culture and the traditions of newly arrived immigrants. Changes over time that both of the cultures brought to America and of the culture that received them is also discussed. Essays on representative ethnic groups include African Americans, American Indians, Arabs, Asian Indians, Chinese, Dominicans, Filipinos, Germans, Haitians, Irish, Italians, Jews, Koreans, Mexicans, Poles, Scandinavians, and the Vietnamese.

Judas Was a Bishop William M. Shea, 2015-10-07 The author, a practicing Roman Catholic, was confronted in 2002 with a leadership crisis in the church. Decades of horrendous clergy sexual abuse of children was accompanied by an even more momentous hierarchical betrayal in the cover up of the crimes. The explosion in 2002 ended his naïveté and caused him to rework his understanding of the history and methods of hierarchy and to think about the evils of clerical monarchy. The basic determinants of the current church crisis are first the sacred hierarchism of church structure and second the culture of clericalism that flows from it. The author argues that the church needs a thoroughly desacralized and demythologized leadership if Catholic clericalism is to be eliminated. The book also reflects on the lived Catholic life, contrasting the life of the priesthood and the life of marriage and family. The approach is at once narrative

historical critical and ecclesiological It also offers a personal look at the author's life as a Catholic for the past seventy years The basic existential issue is Why am I still a Catholic and indeed why is anyone Powerful absorbing memoir by turns angry funny engaging and painfully candid Shea offers radical proposals for reform all turning on the notion that the core problem to be confronted is the gulf that separates clergy and laity the long term result of a flimsy theological rationale which insists that the act of ordination itself marks an ontological change in its recipients making them company men of a special sort fundamentally different from those they would help and teach loyal mainly to guidance from above Michael J Lacey is coeditor with Francis Oakley and contributor to *The Crisis of Authority in Catholic Modernity* Oxford University Press New York 2011 Bill Shea has written a powerful and complex book about what Catholics so often write about God sex authority and the Church He writes autobiographically in the tradition of St Augustine's *Confessions* and Thomas Merton's *Seven Storey Mountain* as well as his *The Sign of Jonas* He writes about the traumatic spiritual struggle with celibacy with which both Augustine and Merton were familiar They chose to stay the course Shea chose after some twenty years to find another spiritual path That path was one opened up by marriage a wife and two children which finally gave him the spiritual peace he had been seeking He writes of coming to the priesthood and leaving the priesthood for the lay Catholic life at a time of momentous historical transformation from the pre Vatican II Church to the post Vatican II Church Even now we live with the struggle that exists between these two visions of the Church So it is no accident that like Augustine and Merton Bill Shea finds God as a continuing presence not at the end of his tale but in the twists and turns the agonies and ecstasies of his life journey Darrell Fasching Professor Emeritus of Religious Studies University of South Florida Tampa

Sex, Violence, and Justice Aline H. Kalbian, 2014-04-03 Kalbian outlines the Church's position against artificial contraception as principally rooted in three biblical commandments Her deeper investigation into these issues helps show how discourses about sexuality both in the Church and in culture more broadly are often tied to discourses of violence harm and social injustice
