*From The Heart* Abdalla Straker, Shenille Straker, 2009-02 From The Heart is a collection of poetry by husband and wife team Abdalla and Shenille Straker They write from their hearts on a variety of topics and issues that have affected them and had a

significant impact on their lives. Particularly significant and influential at this point in their lives was the opportunity to see the first black man Mr Barack Obama elected to become the 44th President of the United States of America. They were both present at the first democratic presidential debate which took place at the university they attend South Carolina State University. It stands as a testament to them that anything is possible. They both maintain strong spiritual and moral ideals which can be seen expressed in a number of their pieces. From The Heart will without a doubt leave you captivated from beginning to end but more than that it will speak to your own heart. In a time when men do things with so many unseen agendas they believe that it is the things done from the heart that have the greatest impact and resonate loudest in the future.

From the authors: From our hearts to yours. May these words be a blessing to your life. Now! Faith (A Sojourners Guide to the Fourth Dimension) Colin Lambert, 2018-04-18. It is said that life is about the journey and not the destination but one of the hardest things in life can be working out how to navigate where you are in the journey. *How To Do Life* by Giorgio Genaus is your compass. Unlike other self help books or motivational books this book won't specifically tell you which way to go or what direction you should face but it will give you the fundamentals to understand which way you are facing and how you got there. Throughout Giorgio's life he has borrowed many compasses from people in his life to help him find the way. Now he is sharing their insights, wisdom and knowledge so you can find your way. This mindset book is your compass to help you navigate life whenever you're stuck. No matter where you are *How To Do Life* consists of five parts: your world, your mind, your body, your relationships and your calling. Here are some chapter highlights: How to rewrite the beliefs that hold you back, How to develop self awareness and make fear your friend, How to set boundaries without feeling guilt, How to find meaning in the mundane. And more. The truth is that life is filled with roadblocks, obstacles and confusion. *How To Do Life* is an honest and transparent look into the necessary steps to navigate these roadblocks and the tools needed to rebuild your self belief and self confidence so you can cut through the noise. Getting the Monkey Off Your Back J. Emil Terry, 2012-03. This book was written for the sole purpose of setting people free from addictive behavior. If a person struggles with an addiction to alcohol, drugs, over eating, pornography or sex, gambling or any other type of addiction this book gives clear direction for recovery. It clearly explains and challenges the various approaches to recovery; moreover it gives the reader step by step guidance in experiencing a recreation of their lifestyle, establishing power, manageability and stability. There are many self help books produced and published for the purpose of helping people overcome addiction but not until now has anyone published a

book that challenge the disciplines of the behavioral sciences the twelve step process psychology psychiatry and the biblical based approach The questions are being answered as to whether these approaches really work and then the process for recovery is given in a simple format If you don t need this book buy it for someone who does
