Dorff, 2007-11-01 Every generation of Jews in every denomination of Judaism finds itself facing complex legal questions The status of same sex unions and the plight of the agunah a woman who cannot obtain a divorce are just two of a myriad of thorny questions Jewish legal experts grapple with today These are not esoteric problems but issues with a profound impact on the daily happiness of countless people How do the rabbis who draft responses to these questions reach their conclusions What informs their decisions and their approach to Jewish law Acclaimed writer and legal expert Elliot Dorff addresses these and other questions in this intelligent accessible guide to the philosophy behind Jewish law In his view Jewish law is an expression of the love we have for God and for our fellow human beings This theme permeates his discussion of important aspects of the law For example what motivates modern Jews to follow Jewish law How does Jewish law strike the balance between continuity and change On what grounds and under what circumstances do human beings have the authority to interpret or even change God s laws Dorff also offers a systematic comparison of Jewish law and U S law based on his course on this subject at UCLA School of Law Whether you are a lawyer or simply interested in the philosophy behind recent rabbinic decisions this is a book that will deepen your

understanding of the Jewish legal system and its role in the modern world      *God's Love for the Shameful* Beverly D. Book I Days 1 - 91** Steve Haines,2025-08-21 Like any professional Pastors can be busy people Often the demands upon their time are myriad The time when I first came to accept Christ as my Lord was wonderful beyond measure Although my Pastor was eager to introduce me to Christ he was not as

intimately available to guide me in the aftermath of that wonderful moment You see having accepted Christ as Savior guarantees the blessing of eternity with Christ but the new believer still has the rest of his or her life to negotiate There are lots of things to learn but in big churches people can get lost in the crowd and fall through the cracks and in small churches well there is only so much a small staff can do So I stumbled around for a long time very gradually figuring out how to navigate the world and still hold to my faith in Christ I remember thinking There has to be a better way than this These discussions are part commentary part history part blessing and part questioning There s a little bit of everything I ve put considerable thought into writing these things and I want you to get some benefit some blessing from them Think about what you read You might be provoked to irritation or to curiosity or to laughter Try to apply the thoughts to your life But the bottom line is if you don t read you won t benefit This first book that you are holding tries to answer some basic questions Why should I fear God Why should I trust Him Who am I in Christ What is the nature of sin Following books talk about the Jewish Festivals and their profound meaning about God s Constitution Matthew chapters 5 7 about God s manifested love what it means to be Grafted In to God s family how to know Jesus and what it means to abide in Christ I hope you stick around to the end Every life has its ups and downs and after several cycles of this I was fed up and began to look for answers I found this crazy new church which was meeting in a hotel conference room I remember people all around me speaking in these strange indecipherable ways people falling down on the floor and generally acting nuts I remember thinking Why am I here God had a plan but I was not awake to it But I stayed out of curiosity if nothing else and eventually God began to draw me in Since then God has led me on a wonderful journey Where once I had a sort of vague notion of God He used personal struggle to draw me closer to him Where once I looked at everything from a performance oriented point of view He taught me the true value of the love of Christ Where once I had to be doing things for Christ He taught me the value of resting in the presence of Christ I want people to understand these things I want everyone to experience the intimate presence of Christ in their lives I want everyone to see real time answers to prayer as I have I want people to understand that humble submission to God is the answer to every struggle every problem and every stress      God Betrayed Jerald Finney, 2008-08 God Betrayed explains 1 the biblical principles concerning government church and separation of church and state which one needs to know in order to understand the First Amendment and why it was adopted 2 the history of the theological warfare in the colonies that eventually resulted in the adoption of the First Amendment 3 how and why soon after the ratification of the Constitution and the First Amendment many churches subjected themselves to the state 4 how the Supreme Court has used the First Amendment religion clause to remove God from practically all civil government affairs 5 how civil government entices many churches to abandon their Supernatural and First Amendment freedoms and 6 how churches in America can operate totally under God and free from any control by civil government After graduating from college in 1970 and serving as an army officer in the Viet Nam conflict Jerald Finney worked for the railroad and then started and operated a photography studio in
