Love Of The Samurai Thousand Years Of Japanese Homosexuality:

Love of the Samurai Tsuneo Watanabe, Jun'ichi Iwata, 1989 Uncovers the deeply embedded cultural traditions of homosexuality in Japanese society suggesting that they are as fundamental to an understanding of Japan's traditional civilization as a knowledge of pederastia is to an appreciation of Greek art [Male Homosexuality in Modern Japan](#) Mark J. McLelland, 2000 This book is the first to look at the wide range of contrasting images of the gay male body in Japanese popular culture both mainstream and gay and relate these images to the experience of an interview sample of Japanese gay men In so doing it touches on a number of important issues including whether there can be a universal gay identity and whether or not strategies developed for increasing gay and lesbian visibility in western countries are appropriate to the social situation in Japan **Censoring Sex Research** Thomas K Hubbard, Beert Verstraete, 2016-06-16 This volume sheds light on one of the most explosive episodes of censure of academic scholarship in recent decades Bruce Rind a former psychology professor at Temple University investigated sexual relations between male adults and adolescents through history and across cultures from highly institutionalized relationships in Ancient Greece and Rome to 33 contemporary cultures including the USA and among various species His conclusions that these relations when consensual are not always negative was radical but based in his research findings Even before publication of an invited article on the topic he was subjected to intensive attacks censured and censored This book presents a substantially extended version of Rind's original unpublished article plus 12 scholarly responses to his work that argue for or against Rind's conclusions or offer useful context on his work For anyone interested in sex research and the academic freedom issues surrounding it whether supportive of or vehemently opposed to Rind's ideas this book is a must read **Through Buddhist Eyes** Sangharakshita, 2022-08-18 Through Buddhist Eyes continues Sangharakshita's five volumes of memoirs Covering journeys across five continents and two decades this volume is made up of nineteen travel letters and one talk They are Sangharakshita's heartfelt communications to the growing membership of the new Buddhist movement he founded the Triratna Buddhist Order **Through Buddhist Eyes** Sangharakshita (Bhikshu), 2000 Sangharakshita the founder of the Friends of the Western Buddhist Order reflects on his experiences whilst travelling around the world in this collection of letters *Promises of Empowerment* Peter H. Smith, Jennifer L. Troutner, Christine Hünefeldt, 2006-11-13 How and to what degree are women worldwide gaining and using power This book offers the first genuinely comparative assessment of this key question by exploring the conditions actions and accomplishments of women in Latin America and Asia Encompassing 60 percent of the world's population and experiencing far reaching transformations these two regions offer a vital window into our understanding of the experiences of women globally Revealing both basic similarities and fundamental differences this volume offers thoughtful insights about the changing conditions of women on the one hand and on the other about patterns of social change throughout Asia and Latin America **Emerging Lesbian Voices from Japan** Sharon Chalmers, 2003-08-29 Lesbian Sexuality has remained

largely ignored in Japan despite increasing exposure of disadvantaged minority groups including gay men This book is the first comprehensive academic exploration of contemporary lesbian sexuality in Japanese society The author employs an interdisciplinary approach and this book will be of great value to those working or interested in the areas of Japanese lesbian and gender studies as well as Japanese history anthropology and cultural studies *Japan 1868-1945* Takao

Matsumura, John Benson, 2014-09-25 The history of Imperial Japan from the Meiji Restoration through to defeat and occupation at the end of the Second World War is central to any understanding of the way in which modern Japan has developed and will continue to develop in the future This wide ranging accessible and up to date interpretation of Japanese history between 1868 and 1945 provides both a narrative and analysis Describing the major changes that took place in Japanese political economic and social life during this period it challenges widely held views about the uniqueness of Japanese history and the homogeneity of Japanese society Passages to Modernity Kathleen S. Uno, 1999-04-01

Contemporary Japanese women are often presented as devoted full time wives and mothers At the extreme they are stereotyped as education mothers kyoiku mama completely dedicated to the academic success of their children Children of working mothers are pitied day care users both children and mothers are faintly disparaged for their inadequate home lives hired babysitters are virtually unknown Yet historical evidence reveals a strikingly different picture of Japanese motherhood and childcare at the beginning of the twentieth century In contrast to today child tending by non maternal caregivers was widely accepted at all levels of Japanese society Day care centers flourished and there was virtually no expectation of exclusive maternal care of children even infants The patterns of the formation of modern Japanese attitudes toward motherhood childhood child rearing and home life become visible as this study traces the early twentieth century rise of Japanese day care centers institutions established by middle class philanthropists and reformers to provide for the physical well being and mental and moral development of urban lower class preschool children Day care gained broad support in turn of the century Japan for several reasons For one day care did not clash with widely accepted norms of child care A second factor was the perception of public and private policymakers that day care held the promise of social and national progress through economic and moral betterment of the urban lower classes Finally day care offered working mothers the opportunity to earn a better livelihood with fewer worries about their children In spite of emerging notions that total devotion to child rearing was a woman s highest calling Japanese nationalism a signal force in the genesis of the modern Japanese state economy and middle class culture fed a deep wellspring of support for day care and fostered significant reshaping of motherhood childhood home life and view of the urban lower classes *Passages to Modernity* is an important and original contribution to our understanding of the institutional and ideological reach of the early twentieth century state and the contested emergence of a striking new discourse about woman as domestic caregiver and homemaker *Queer Asian Cinema* Andrew Grossman, 2018-10-24 Explore queer themes in films from Hong Kong gangster flicks to Bollywood

melodramas Although Asian films have reached a new height in popularity worldwide Queer Asian Cinema Shadows in the Shade is the first full length book in English solely devoted to examining the aesthetics and politics of homosexuality in Asian films This unique book presents multiple points of view on the portrayal of gay lesbian and transgendered people in film throughout Asia From the subversive sadomasochism of Japan s pink films to the hard boiled world of Hong Kong s gangster movies Queer Asian Cinema analyzes and discusses attitudes toward homosexuality in the full spectrum of Asian film In addition to studies of the representation of identified gay men lesbians and transgendered individuals it reveals the hidden homoerotic subtext of otherwise conventional films Queer Asian Cinema Shadows in the Shade examines diverse aspects of Asian films including the political and psychological links between feudal and sadomasochist hierarchies the inevitable punishment of homoerotic bonds in gangster films the integration of the homosexual couple into the Confucian family structure in Korean films the complexities of cross gender casting the differences between transvestism and cross dressing the definition of male genitalia as obscene Queer Asian Cinema Shadows in the Shade brings together experts in both film making and movie criticism providing a balanced viewpoint to unite the worlds of academic and popular perceptions on this subject It opens an exciting discussion of this important and largely neglected area of cinematic discourse

The First European Description of Japan, 1585 Luis Frois SJ, 2014-03-14 In 1585 at the height of Jesuit missionary activity in Japan which was begun by Francis Xavier in 1549 Luis Frois a long time missionary in Japan drafted the earliest systematic comparison of Western and Japanese cultures This book constitutes the first critical English language edition of the 1585 work the original of which was discovered in the Royal Academy of History in Madrid after the Second World War The book provides a translation of the text which is not a continuous narrative but rather more than 600 distichs or brief couplets on subjects such as gender child rearing religion medicine eating horses writing ships and seafaring architecture and music and drama In addition the book includes a substantive introduction and other editorial material to explain the background and also to make comparisons with present day Japanese life Overall the book represents an important primary source for understanding a particularly challenging period of history and its connection to contemporary Europe and Japan

Rainbow Theology Patrick S. Cheng, 2013-04-01 To date no book has systematically examined the theological writings of LGBT people of color Nor has any book explored how such writings might actually transform contemporary theological reflections on race and sexuality This book remedies these gaps by constructing a rainbow theology around the theme of bridging or mediation Rainbow Theology is the first book to reflect upon the theological significance of the intersections of race and queer sexuality across multiple ethnic and cultural groups This is particularly important in light of the current polarizing debates over issues of race sexuality and religion within churches and communities of faith around the world

Sex, Politics, and Religion in Star Wars Douglas Brode, Leah Deyneka, 2012-07-02 In 1977 Star Wars blazed across the screen to become one of the highest grossing and most beloved movies of all time spawning an unprecedented

merchandising phenomenon It was followed by two sequels and three prequels all of which became blockbusters Comic books novels graphic novels and magazines devoted to the films added to the mythology of George Lucas's creation Despite the impact of the franchise on popular culture however discussion of the films from a scholarly perspective has not kept pace with the films In *Sex Politics and Religion in Star Wars* An Anthology Douglas Brode and Leah Deyneka have assembled a provocative collection of essays exploring some of the more intriguing aspects of the Star Wars phenomenon Contributors to the volume tackle such hot topics as race and racism in the Star Wars galaxy Judeo Christian and Eastern religious themes homosexual romance and philosophical and political implications both earthbound and otherworldly These essays interpret the Star Wars universe from a variety of perspectives including feminist and Freudian offering insights from writers who bring a new passion to the subject A companion volume to *Myth Media and Culture in Star Wars* *Sex Politics and Religion in Star Wars* is an authoritative anthology incorporating scholarly analysis with engaging insights It will engross readers both fans and scholars alike

Sodomy and the Pirate Tradition B. R. Burg, 1995 Pirates are among the most heavily romanticized and fabled characters in history From Bluebeard to Captain Hook they have been the subject of countless movies books children's tales even a world famous amusement park ride In *Sodomy and the Pirate Tradition* historian B R Burg investigates the social and sexual world of these sea rovers a tightly bound brotherhood of men engaged in almost constant warfare What he asks did these men often on the high seas for years at a time do for sexual fulfillment Buccaneer sexuality differed widely from that of other all male institutions such as prisons for it existed not within a regimented structure of rule regulations and oppressive supervision but instead operated in a society in which widespread toleration of homosexuality was the norm and conditions encouraged its practice In his new introduction Burg discusses the initial response to the book when it was published in 1983 and how our perspectives on all male societies have since changed Provided by Publisher

The Politics of Reclusion Kendall H. Brown, 1997-01-01 The Chinese themes of the Four Graybeards of Mt Shang and the Seven Sages of the Bamboo Grove figure prominently in the art of Momoyama period Japan ca 1575 1625 Kendall Brown proposes that the dense and multivalent implications of aesthetic reclusion central to these paintings made them appropriate for patrons of all classes the military who were presently in power the aristocracy who had lost power and the Buddhist priesthood who forsook power These paintings and their attendant messages thus serve as dynamic cultural agents that elucidate the fundamental paradigms of early modern Japanese society Unlike traditional art history studies which emphasize the style and history of art objects *The Politics of Reclusion* sets out to reconstruct the possible historical context for the interpretive reception and use of Chinese hermit themes within a specific period of Japanese art In emphasizing the political dimension of aesthetic reclusion it introduces into the field of Japanese art history a discussion of the politics of aesthetics that characterizes recent work in the field of Japanese literature By embedding the paintings within the contexts of politics philosophy religion and even gender this study restores the reflexive relations

between the paintings and their culture and as such is one of the first extensive intellectual and social histories of Japanese art in a Western language It is one that will appeal not only to students of art but to those interested in Japanese literature history and philosophy **Bonds of Blood** Caroline Dodds Pennock,2008-11-12 The history of the Aztecs has been haunted by the spectre of human sacrifice Reinvesting the Aztecs with a humanity frequently denied to them and exploring their spectacular religious violence as a comprehensible element of life this book integrates a fresh interpretation of gender with an innovative study of the everyday life of the Aztecs **Women's Sexualities and Masculinities in a Globalizing Asia** S. Wieringa,E. Blackwood,A. Bhaiya,2007-04-30 Through detailed studies this collection of writings by academics and activists explores the emergence of contemporary lesbian and butch femme relationships and communities throughout Asia and their location within the context of nationalist struggles religious fundamentalism state gender regimes and global queer movements *New Intimacies, Old Desires* Oishik Sircar,Dipika Jain,2017-06-21 In the last 15 years queer movements in many parts of the world have helped secure the rights of queer people These moments have been accompanied by the brutal rise of crony capitalism the violent consequences of the war on terror the hyper juridification of politics the financialization managerialization of social movements and the medicalization of non heteronormative identities practices How do we critically read the celebratory global proliferation of queer rights in these neoliberal times This volume responds to the complicated moment in the history of queer struggles by analysing laws state policies and cultures of activism to show how new intimacies between queer sexuality and neoliberalism that celebrate modernity and the birth of the liberated sexual citizen are in fact reproducing the old colonial desire of civilizing the native By paying particular attention to the problematics of race religion and class this volume engages in a rigorous self reflexive critique of global queer politics and its engagements confrontations and negotiations with modernity and its investments in liberalism legalism and militarism with the objective of queering the ethics of our queer politics Published by Zubaan **Jack Nichols, Gay Pioneer** J. Louis Campbell III,2012-12-06 One of the founders of the gay and lesbian liberation movement Jack Nichols was a warrior for gay equality Recounting his life and work Jack Nichols Gay Pioneer Have You Heard My Message skillfully weaves the story of a man a movement and a moment that shaped gay and lesbian history This powerful biography captures the wisdom passion and spirit of a prolific activist and inspirational human being who refused to be silent in a society that considered homosexuality to be sinful and criminal As a journalist activist and editor of the first gay weekly newspaper in the United States Jack Nichols left a legacy of gay rights gay pride and tremendous courage Covering episodes before and after Stonewall during the AIDS epidemic and beyond Jack Nichols Gay Pioneer charts the life of this pivotal figure from his childhood in the suburbs of Washington DC to his final impassioned days in a Florida cancer treatment center in 2005 This book also explores Nichols family history and its unique influence on his activist tendencies as well as his revolutionary relationship with Lige Clark and their status as the most famous homosexuals in America Thoughtful and moving Jack Nichols

Gay Pioneer also includes the ideas Nichols used to bring the movement to critical mass and the sources that were influential to his work. Some of the topics detailed in this book are the early influence of Burns and Whitman on the homosexual movement, the integration of androgyny and anarchism into his activist philosophy, his attack on the psychiatric establishment's theory of homosexuality as a sickness, and his work and vision in men's liberation. Jack Nichols' *Gay Pioneer: Have You Heard My Message* offers a compelling look at the man and the movement, as well as a wealth of hard-to-find summaries on underground gay journalism, detailed references, personal photographs, and a complete bibliography of Nichols's major writings. This book is an indispensable resource for anyone interested in the history and future of LGBT movements, as well as students, educators, and researchers seeking a comprehensive and thorough treatment of this revolutionary figure.

[How Sex Got Screwed Up: The Ghosts that Haunt Our Sexual Pleasure - Book One](#) Jon Knowles, 2019-03-31

The ghosts that haunt our sexual pleasure were born in the Stone Age. Sex and gender taboos were used by tribes to differentiate themselves from one another. These taboos filtered into the lives of Bronze and Iron Age men and women who lived in city states and empires. For the early Christians, all sex play was turned into sin, instilled with guilt and punished severely. With the invention of sin came the construction of women as subordinate beings to men. Despite the birth of romance in the late middle ages, Renaissance churches held inquisitions to seek out and destroy sex sinners, all of whom it saw as heretics. The Age of Reason saw the demise of these inquisitions. But it was doctors who would take over the roles of priests and ministers as sex became defined by discourses of crime, degeneracy, and sickness. The middle of the 20th century saw these medical and religious teachings challenged for the first time as activists such as Alfred Kinsey and Margaret Sanger sought to carve out a place for sexual freedom in society. However, strong opposition to their beliefs and the growing exploitation of sex by the media at the close of the century would ultimately shape 21st-century sexual ambivalence. Volume I of this two-part publication traces the history of sex from the Stone Age to the Enlightenment. Interspersed with personal hauntings from his own life and the lives of friends and relatives, Knowles reveals how historical discourses of sex continue to haunt us today. This book is a page-turner in simple and plain language about how sex got screwed up for millennia. For Knowles, if we know the history of sex, we can get over it.

As recognized, adventure as with ease as experience virtually lesson, amusement, as without difficulty as bargain can be gotten by just checking out a book **Love Of The Samurai Thousand Years Of Japanese Homosexuality** in addition to it is not directly done, you could give a positive response even more regarding this life, just about the world.

We come up with the money for you this proper as competently as easy exaggeration to get those all. We meet the expense of Love Of The Samurai Thousand Years Of Japanese Homosexuality and numerous book collections from fictions to scientific research in any way. among them is this Love Of The Samurai Thousand Years Of Japanese Homosexuality that can be your partner.
