Love Poems And New Beginnings A Collection Of Zen Sketches Poems And Haiku:

Love Poems and New Beginnings John Terninko, 1994-02-01 **Oltre l'autunno. Antologia haiku** Pietro Tartamella, 2006 **Books in Print**, 1991 **The Pool Group and the Quest for Anthropological Universality** Betsy van Schlun, 2016-11-21 Pool was an avant garde group that originated in 1927 in Britain and was active under this name until 1933 The group consisted of the well known modernist poet H D the English writer Bryher and the young Scottish writer and artist Kenneth Macpherson All three were first and foremost writers who at one point discovered film as another modern experimental medium of artistic expression Pool associated with almost all the iconic modernists of their time with Ezra Pound Gertrude Stein Ernest Hemmingway James Joyce Marianne Moore William Carlos Williams T S Eliot and Virginia Woolf to name only a few In addition due to their interest in film they were also befriended with such influential filmmakers as Sergei Eisenstein and Georg Wilhelm Pabst and became closely associated with Weimar Berlin film culture Pool unites classical Modernism and modernity two directions that are usually considered to be contradictory The Pool phenomenon opens a new perspective onto Modernism and prompts a reconsideration of its canonical texts and figures Contrary to many artists of Modernism who devised highly individualistic aesthetic styles the artists of Pool strove towards a universal art of humanity that was rooted in all human nature and psychology *Cross-Cultural Computing: An Artist's Journey* Naoko Tosa, 2016-03-01 This exciting new book explores the relationship between cultural traditions and computers looking at how people from very different cultures and backgrounds communicate and how the use of information technologies can support and enhance these dialogues Historically we developed our understanding of other cultures through traditional means museums printed literature etc but the advent of information technologies has allowed us access to a plethora of material Tosa asks the question Can we understand other cultures using computers as media to supplement thinking and memorization Starting with a survey of art and technology moving into the area of culture and technology the book culminates with a vision of a new world based on an understanding of these relationships allowing cultural creators and viewers the opportunity to reach a better and more profound understanding of the role information technology will play going forward **Books in Print Supplement**, 2002 *Chicorel Index to Poetry in Anthologies and Collections in Print* Marietta Chicorel, 1974 **Books In Print 2004-2005** Ed Bowker Staff, Staff Bowker, Ed, 2004 *The Art of Poetry* John Frost, 1985 **The Princeton Handbook of Multicultural Poetries** Terry V.F. Brogan, 2021-04-13 Drawn from the acclaimed New Princeton Encyclopedia of Poetry and Poetics the articles in this concise new reference book provide a complete survey of the poetic history and practice in every major national literature or cultural tradition in the world As with the parent volume which has sold over 10 000 copies since it was first published in 1993 the intended audience is general readers journalists students teachers and researchers The editor's principle of selection was balance and his goal was to embrace in a structured and reasoned way the diversity of poetry as it is known across the globe today In compiling material

on 106 cultures in 92 national literatures the book gives full coverage to Indo European poetries all the major Celtic Slavic Germanic and Romance languages as well as other obscure ones such as Hittite the ancient middle Eastern poetries Hebrew Persian Sumerian and Assyro Babylonian subcontinental Indian poetries the widest linguistic diversity Asian and Pacific poetries Chinese Japanese Korean Vietnamese Mongolian and half a dozen others continental American poetries all the modern Western cultures and native Indian in North Central and South American regions and African poetries ancient and emergent oral and written

Zen, Poetry, the Art of Lucien Stryk Susan Porterfield, 1993 Lucien Stryk has been a presence in American letters for almost fifty years Those who know his poetry well will find this collection particularly gratifying Like journeying again to places visited long ago Stryk s writing is both familiar and wonderfully fresh For those just becoming acquainted with Stryk s work *Zen Poetry the Art of Lucien Stryk* makes an excellent introduction It includes his early essay *The American Scene Versus the International Scene* written shortly after his service in the Pacific during World War II and *Digging In* his first published poem as well as some of his best known pieces on Zen and Zen poetry Among the latter are *Beginnings* *Ends* *Poetry and Zen* *I Fear Nothing* *A Note on the Zen Poetry of Death* and his introduction to the great haiku poets Issa and Basho Selections of his most recent work include *The Red Rug* *An Introduction to Poetry* and an imagined conversation among all four leading haiku poets called *Meeting at Hagi no Tera* Porterfield s informative collection includes essays about Stryk s work as well as his own prose and poetry As the volume makes clear writing poetry is for Lucien Stryk a sacred act It is both escape and communion inseparable from life s daily activities

The Princeton Companion to Classical Japanese Literature Earl Miner, Robert E. Morrell, Hiroko Odagiri, 2020-09-01 The description for this book *The Princeton Companion to Classical Japanese Literature* will be forthcoming

On Love and Barley Matsuo Basho, 1985-08-29 Basho one of the greatest of Japanese poets and the master of haiku was also a Buddhist monk and a life long traveller His poems combine karumi or lightness of touch with the Zen ideal of oneness with creation Each poem evokes the natural world the cherry blossom the leaping frog the summer moon or the winter snow suggesting the smallness of human life in comparison to the vastness and drama of nature Basho himself enjoyed solitude and a life free from possessions and his haiku are the work of an observant eye and a meditative mind uncluttered by materialism and alive to the beauty of the world around him

The Haiku Anthology Cor Van den Heuvel, 1986

Tamil Love Poetry Martha Ann Selby, 2011-06-07 Dating from the early decades of the third century C E the *Ainkurunuru* is believed to be the world s earliest anthology of classical Tamil love poetry Commissioned by a Cera dynasty king and composed by five masterful poets the anthology illustrates the five landscapes of reciprocal love jealous quarreling anxious waiting and lamentation clandestine love before marriage elopement and love in separation and patient waiting after marriage Despite its centrality to literary and intellectual traditions the *Ainkurunuru* remains relatively unknown beyond specialists Martha Ann Selby well known translator of classical Indian poetry and literature takes the bold step of opening this anthology to all readers presenting crystalline translations of 500

poems dense with natural imagery and early examples of South Indian culture Because of their form s short length the anthology s five authors rely on double entendre and sophisticated techniques of suggestion giving their poems an almost haikulike feel Groups of verse center on one unique figure in some cases an object or an animal in others a line of direct address or a specific conversation or situation Selby introduces each section with a biographical sketch of the poet and the conventions at work within the landscape She then incorporates notes explaining shifting contexts Excerpt He has gone off all by himself beyond the wastes where tigers used to prowl and the toothbrush trees grow tall their trunks parched on the flinty mountains while the lovely folds of your loins wide as a chariot s seat vanish as your circlet worked from gold grows far too large for you Monsters, Animals, and Other Worlds Keller Kimbrough, Haruo Shirane, 2018-02-20

Monsters Animals and Other Worlds is a collection of twenty five medieval Japanese tales of border crossings and the fantastic featuring demons samurai talking animals amorous plants and journeys to supernatural realms The most comprehensive compendium of short medieval Japanese fiction in English Monsters Animals and Other Worlds illuminates a rich world of literary Buddhist and visual culture largely unknown today outside of Japan These stories called otogiz shi or Muromachi tales named after the Muromachi period 1337 to 1573 date from approximately the fourteenth through seventeenth centuries Often richly illustrated in a painted scroll format these vernacular stories frequently express Buddhist beliefs and provide the practical knowledge and moral education required to navigate medieval Japanese society The otogiz shi represent a major turning point in the history of Japanese literature They bring together many earlier types of narrative court tales military accounts anecdotes and stories about the divine origins of shrines and temples joining book genres with parlor arts and the culture of itinerant storytellers and performers The works presented here are organized into three thematically overlapping sections titled Monsters Warriors and Journeys to Other Worlds Buddhist Tales and Interspecies Affairs Each translation is prefaced by a short introduction and the book features images from the original scroll paintings illustrated manuscripts and printed books The Second Aeon , **The Sarashina Diary** Sugawara no Takasue no Musume, 2018-03-20

A thousand years ago a young Japanese girl embarked on a journey from deep in the countryside of eastern Japan to the capital Forty years later with the long account of that journey as a foundation the mature woman skillfully created an autobiography that incorporates many moments of heightened awareness from her long life Married at age thirty three she identified herself as a reader and writer more than as a wife and mother enthralled by fiction she bore witness to the dangers of romantic fantasy as well as the enduring consolation of self expression This reader s edition streamlines Sonja Arntzen and Moriyuki It s acclaimed translation of the Sarashina Diary for general readers and classroom use This translation captures the lyrical richness of the original text while revealing its subtle structure and ironic meaning highlighting the author s deep concern for Buddhist belief and practice and the juxtaposition of poetic passages and narrative prose The translator s commentary offers insight into the author s family and world as well as the style structure and textual history of her work **The Writers Directory**

,1988 **Canadian Author & Bookman** ,1989
