

Loveliest of Trees

by

**A.E. Housman
1895**

Loveliest of trees, the cherry now
Is hung with bloom along the bough,
And stands about the woodland ride
Wearing white for Eastertide.

Now, of my threescore years and ten,
Twenty will not come again,
And take from seventy springs a score,
It only leaves me fifty more.

And since to look at things in bloom
Fifty springs are little room,
About the woodlands I will go
To see the cherry hung with snow.

Love Poems Samuel M. Steward, 1987 **Secret Historian** Justin Spring, 2010-08-17 2010 National Book Award Finalist for Nonfiction Drawn from the secret never before seen diaries journals and sexual records of the novelist poet and university professor Samuel M Steward *Secret Historian* is a sensational reconstruction of one of the more extraordinary hidden lives of the twentieth century An intimate friend of Gertrude Stein Alice B Toklas and Thornton Wilder Steward maintained a secret sex life from childhood on and documented these experiences in brilliantly vivid and often very funny detail After leaving the world of academe to become Phil Sparrow a tattoo artist on Chicago s notorious South State Street Steward worked closely with Alfred Kinsey on his landmark sex research During the early 1960s Steward changed his name and identity once again this time to write exceptionally literate upbeat pro homosexual pornography under the name of Phil Andros Until today he has been known only as Phil Sparrow but an extraordinary archive of his papers lost since his death in 1993 has provided Justin Spring with the material for an exceptionally compassionate and brilliantly illuminating life and times biography More than merely the story of one remarkable man Justin Spring s *Secret Historian* is a moving portrait of homosexual life long before Stonewall and gay liberation *Housman Country* Peter Parker, 2017-06-20 Parker s beautiful Housman Country tells you everything you want to know about the life and influence of England s most satirised but inimitable poets Evening Standard A New York Times Book Review Editor s Choice Nominated for the 2017 PEN Bograd Weld Prize for Biography A E Housman s *A Shropshire Lad* made little impression when it was first published in 1896 but has since become one of the best loved volumes of poetry in the English language Its evocation of the English countryside thwarted love and a yearning for things lost is as potent today as it was more than a century ago and the book has never been out of print In *Housman Country* Peter Parker explores the lives of A E Housman and his most famous book and in doing so shows how *A Shropshire Lad* has permeated English life and culture since its publication The poems were taken to war by soldiers who wanted to carry England in their pockets were adapted by composers trying to create a new kind of English music and have influenced poetry fiction music and drama right up to the present day Everyone has a personal land of lost content with blue remembered hills and Housman has been a tangible and far reaching presence in a startling range of work from the war poets and Ralph Vaughan Williams to Inspector Morse and Morrissey *Housman Country* is a vivid exploration of England and Englishness in which Parker maps out terrain that is as historical and emotional as it is topographical A rich blend of literary criticism and cultural history *The Spectator* *Small Press Review* ,1986 **Housman's Poems** John Bayley, 1992 Although Housman s three collections of poems the third published posthumously have remained continuously popular they have not received much serious critical attention Bayley makes up for the omission in this thorough and comprehensive reappraisal of the whole oeuvre placing Housman s achievement in the context of the poetry of his own time and of more recent European and American poetry Close analysis and comparison with other poets Hardy Frost Edward Thomas Larkin and Paul Celan prove

illuminating in relation to a poet who has usually been considered something of an odd man out and even an anachronism in the modern era Bayley explores and explains the continuing appeal of the poetry to present day readers and the nature of craftsmanship and psychology which lie behind its deceptive simplicities The book is a valuable introduction to Housman's achievement for the specialist and the poetry lover alike *Poems* Sextus Propertius, 2018-09-27 The Poetry Book Society

Dismantling Glory Lorrie Goldensohn, 2006-04-18 *Dismantling Glory* presents the most personal and powerful words ever written about the horrors of battle by the very soldiers who put their lives on the line Focusing on American and English poetry from World War I World War II and the Vietnam War Lorrie Goldensohn a poet and pacifist affirms that by and large twentieth century war poetry is fundamentally antiwar She examines the changing nature of the war lyric and takes on the literary thinking of two countries separated by their common language World War I poets such as Wilfred Owen emphasized the role of soldier as victim By World War II however English and American poets influenced by the leftist politics of W H Auden tended to indict the whole of society not just its leaders for militarism During the Vietnam War soldier poets accepted themselves as both victims and perpetrators of war's misdeeds writing a nontraditional more personally candid war poetry The book not only discusses the poetry of trench warfare but also shows how the lives of civilians women and children in

particular entered a global war poetry dominated by air power invasion and occupation Goldensohn argues that World War II blurred the boundaries between battleground and home front thus bringing women and civilians into war discourse as never before She discusses the interplay of fascination and disapproval in the texts of twentieth century war and notes the way in which homage to war hero and victim contends with revulsion at war's horror and waste In addition to placing the war lyric in literary and historical context the book discusses in detail individual poets such as Wilfred Owen W H Auden Keith Douglas Randall Jarrell and a group of poets from the Vietnam War including W D Ehrhart Bruce Weigl Yusef Komunyakaa David Huddle and Doug Anderson Dismantling Glory is an original and compelling look at the way twentieth century war poetry posited new relations between masculinity and war changed and complicated the representation of war and expanded the scope of antiwar thinking

Crrritic! John Schad, Oliver Tearle, 2011 Oscar Wilde famously spoke of the critic as artist whilst Terry Eagleton once celebrated the critic as clown This exciting new volume brings together a range of writings that seek to radically re imagine the often pale figure of the literary critic In doing so we here glimpse a host of unfamiliar figures from the critic as pedestrian to the critic as suicide through the critic as revivalist and even the critic as bodger The result is a book that seeks to locate the truly critical critic or to be paradoxical the critic as critic the critic who is a critic of criticism as conventionally understood This is the final volume of the immensely successful Critical Inventions series
