Messages of Love Remembered Pauli Rose Libsohn,2019-06-26 This creative work compiled solely of Mitzi and David Libsohn s original verses of poetry and letters of love is an artistic effort by their daughter Pauli Rose Libsohn relating to and involving their lives throughout the years in essence telling their story Their passion unleashed their creative energy and can be observed in these messages of love composed for all and various occasions written on gorgeous greeting cards purchased with that very love which they believed warranted these their intimate communiques belonging solely to them Mitzi and David Libsohn spoke the language of love through the written word and thrilled to the sight of a card or letter for they knew they would be the recipient of those precious messages of love With this original compilation author Pauli Rose Libsohn has brought insight into how generations before spoke in this uniquely non verbal style of passion exchanging words in beautiful penmanship putting it all down on gorgeous cards and paper The art of love s expression is practically non existent in today s world Lovers of years gone by have been lost to the ages but with this discovered work Pauli is able to show the true meaning of Love s written word Love, Remember Malcolm Guite,2017-11-30 The bestselling poet Malcolm Guite chooses forty

poems from across the centuries that express the universal experience of loss and reflects on them in order to draw out the comfort understanding and hope they offer Some of the poems will be familiar many will be new but together they provide a sure companion for the journey across difficult terrain Some of Malcolm s own poetry is included written out of his work as a priest with the dying and the bereaved and giving to the volume a powerful authenticity The choice of forty poems is significant and reflects an ancient practice still observed in some European and Middle Eastern societies of taking extra special care of a bereaved person in the forty days following a death our word quarantine come from this They explore the nature and the risk of love the pain of letting go and look toward glimpses of resurrection **Love Remembered in Rome**

H. Redd, Sr.,2021-03-20 **POETRY A Delightful Journey Through Life** is an arrangement of over eighty well selected classical poems into eight basic life stages in which most people pass through or experience in the course of a lifetime These eight stages are Childhood Beyond a Bumbling Society In Search of Love On Pain and Irony Satisfaction with the Simple Things of Life The Seasons On Death and Lines to Lift and Inspire Each of the eight stages is first introduced within an appropriate setting or frame of mind under which the selected poems follow The reader is then carefully introduced to each poem making it more readily understood Inasmuch as poetry generally uses figurative symbols and imagery the reader coming from any number of backgrounds of education and experience is allowed to put his or her own finishing touches on the poem and can thus experience personal enjoyment from the poetic images embodied in the poems
