**British Popular Films 1929-1939** Stephen Shafer, 2003-09-02 Shafer s study challenges the conventional historical assumption that British feature films during the Thirties were mostly oriented to the middle class Instead he makes the critical distinction between films intended for West End and international circulation and those intended primarily for domestic working class audiences Far from being alienated by a middle class institution working men and women flocked to see pictures featuring such music hall luminaries as Gracie Fields and George Formby

*Olivier Philip Ziegler, 2014-06-03 A finalist for the*

Sheridan Morley Prize that has been called probably the best Olivier book for general readers Kirkus Reviews Philip Ziegler's Olivier provides an incredibly accessible and comprehensive portrait of this Hollywood superstar Oscar winning director and one who is considered the greatest stage actor of the twentieth century The era abounded in great actors Gielgud Richardson Guinness Burton O Toole but none could challenge Laurence Olivier's range and power By the 1940s he had achieved international stardom His affair with Vivien Leigh led to a marriage as glamorous and as tragic as any in Hollywood history He was as accomplished a director as he was a leading man his three Shakespearian adaptations are among the most memorable ever filmed And yet at the height of his fame he accepted what was no more than an administrator's wage to become the founding Director of the National Theatre In 2013 the theatre celebrates its fiftieth anniversary without Olivier's leadership it would never have achieved the status that it enjoys today Off stage Olivier was the most extravagant of characters generous yet almost insanely jealous of those few contemporaries whom he deemed to be his rivals charming but with a ferocious temper With access to more than fifty hours of candid unpublished interviews Ziegler ensures that Olivier's true character at its most undisguised shines through as never before Anglo-India and the End of Empire Uther Charlton-Stevens, 2022-09-30 The standard image of the Raj is of an aloof pampered and prejudiced British elite lording it over an oppressed and hostile Indian subject population Like most caricatures this obscures as much truth as it reveals The British had not always been so aloof The earlier more cosmopolitan period of East India Company rule saw abundant interracial sex and occasional marriage alongside greater cultural openness and exchange The result was a large and growing mixed race community known by the early twentieth century as Anglo Indians Notwithstanding its faults Empire could never have been maintained without the active sometimes enthusiastic support of many colonial subjects These included Indian elites professionals civil servants businesspeople and minority groups of all kinds who flourished under the patronage of the imperial state and could be used in a divide and rule strategy to prolong colonial rule Independence was profoundly unsettling to those destined to become minorities in the new nation and the Anglo Indians were no exception This refreshing account looks at the dramatic end of British rule in India through Anglo Indian eyes a perspective that is neither colonial apologia nor nationalist polemic Its history resonates strikingly with the complex identity debates of the twenty first century **DPS: Catalogue of New Plays 2009-2010** , **Liz C. David Heymann**, 2011-04-04 Elizabeth Taylor's own story was more dramatic than any part she ever played on the screen C David Heymann brings her magnificently to life in this acclaimed biography updated with a new chapter covering her final years She was an icon one of the most watched photographed and gossiped about personalities of our time Child star daughter of a controlling stage mother Oscar winning actress seductress and eight time wife mother of four children and grandmother of ten champion of funding for AIDS research purveyor of perfumes and jewelry close friend of celebrities and tycoons Elizabeth Taylor for almost eight decades played most completely beautifully cunningly flamboyantly and scandalously her greatest role of all herself The basis of an

Emmy Award nominated miniseries Liz portrays Taylor's life and career in fascinating revealing detail and includes an additional new chapter bringing her beloved fans up to date on her final years. By way of more than a thousand interviews with stars, directors, producers, designers, friends, family, business associates and employees and through extensive research among previously disclosed court, business, medical and studio documents, bestselling author Heymann reminds readers of her very public escapades and unveils her most private moments. Here are the highs and lows of her film career and the intimate circumstances of her marriages to Nicky Hilton, Michael Wilding, Mike Todd, Eddie Fisher, Richard Burton, Senator John Warner and Larry Fortensky. Here too is the truth about Taylor's father and her friendships with leading men, Montgomery Clift, James Dean and Rock Hudson, as well as with the eccentric Malcolm Forbes and Michael Jackson. From her illnesses, injuries, weight issues and battles against drug and alcohol to her sexual exploits, diamond studded adventures and tumultuous love affairs, this is the enormously contradictory and glamorous life of Hollywood's last great star. **Movie**

**Anecdotes** Peter Hay, 1991-12-12. Hollywood, Walter Winchell quipped, is where they shoot too many movies and not enough actors. Always looking for an angle, always scheming, always the scene of clashing egos, the movie industry is where they place you under contract instead of observation and if you don't have anything nice to say, write it down. In 1940 I had my choice between Hitler and Hollywood. French director Ren Clair recalled, and I preferred Hollywood just a little. In *Movie Anecdotes*, Peter Hay treats us to a delightful ride through the world that has captivated audiences for almost a century with stories that are often hilarious, sometimes tragic and always entertaining. He takes us from the rough and tumble early days when one studio paid Pancho Villa 25,000 to launch his attacks only in daylight after a film crew had set up to the studio era when Joan Crawford refused to cross the street on the MGM lot except in a chauffeured limousine to the shenanigans of today's global industry. Here are stories about all the legends: Charlie Chaplin, Greta Garbo, John Barrymore, Mae West, Lucille Ball, Marilyn Monroe, Errol Flynn, Humphrey Bogart, Bette Davis, Judy Garland, Sophia Loren, John Wayne and of course Ronald Reagan. There are the great directors from D.W. Griffith, Hitchcock and Eisenstein to Kurosawa, Bergman, Visconti, Huston, Ford and Woody Allen. And Hay has selected tales of the writers, the wits and the grand moguls, including perhaps the largest collection of Goldwynisms, both genuine and apocryphal. Along with the laughter, this volume recreates the conflicts that have torn the movie world from battles over money and contracts to discrimination, divorces and scandals. Colorful, incredible, bitter, funny, the stories about moviemaking are as fantastic as the pictures themselves. Now they have been gathered together in an irresistible bouquet that is certain to delight every movie buff and provide fascinating insights for serious students of film.

Each time a border is crossed, there are cultural, political and social issues to be considered. Applying the metaphor of the border crossing from one temporal or spatial territory into another, *Border Crossing: Russian Literature into Film* examines the way classic Russian texts have been altered to suit new cinematic environments. In these essays, international scholars

examine how political and economic circumstances from a shifting Soviet political landscape to the perceived demands of American and European markets have played a crucial role in dictating how filmmakers transpose their cinematic hypertext into a new environment Rather than focus on the degree of accuracy or fidelity with which these films address their originating texts this innovative collection explores the role of ideological political and other cultural pressures that can affect the transformation of literary narratives into cinematic offerings *Hollywood Death and Scandal Sites* E.J.
