Worthington Jr.,2013-02-04 Everett L Worthington Jr offers a comprehensive manual for assisting couples over common rough spots and through serious problems in a manner that is compassionate effective and brief Talk Your Way to an Intimate Marriage Donald R. Harvey,2000 Achieve clearer communication and develop stronger bonds by following five motivational steps and overcoming five interference problems **The Complete Marriage Book** David Stoop,Jan Stoop,2002 Overwhelmed by the many books on marriage Here s one stop help from over 30 Christian marriage experts on finances sex spiritual growth and more **Purpose and Power of Love and Marriage** Myles Munroe,2005 Probably no other dimension of human experience has been pondered discussed debated analyzed and dreamed about more than the nature of true love Love is everywhere in songs and in books on televisions and on movie screens Yet for all of our thinking and talking how many of us truly understand love and where can we turn for genuine insight in matters of true love American Book Publishing Record ,1995 **The Essential Humility of Marriage** Terry D. Hargrave,2000 The author offers a fresh new perspective an what makes marriages work that will jumpstart the efforts of every couples therapist At its core is his suggestion that what is needed is some new math where once we believed that two became one and then more recently that two remained two Hargrave proposes that in strong marriages two become three you me and we Subject Guide to Books in Print ,1975

Marriage, Sexuality, and Gender Robin West,2015-12-03 Marriage Sexuality and Gender examines contemporary debates about the meaning and value of marriage The book analyzes arguments for traditional marriage including those of neonaturalists utilitarians and communitarians or virtue theorists The volume also considers a range of feminist welfarist and liberationist arguments for ending the institution altogether It evaluates two major reform movements one focused on expanding marriage to include same sex couples and the other focused on the use of law to render marriage more internally just The book concludes with a plea to activists to redirect marriage equality movements toward the creation of an entirely secular civil union law that would respect a broader range of private life long commitments including but not limited to same and opposite sex couples without threatening the role of religious marriage in the lives of those who embrace it and without penalizing nonparticipants *Sacred Families* Mike Mazzalongo,2017-01-16 This series explores the true purpose of home and family in God s design Lessons deal with child development parental discipline and preparing children for adolescence with a focus on the tween years There is also a discussion about Biblical marriage and the establishment of the home

Modern marriage and how to bear it Maud Churton Braby,2016-01-07 Ever since the time nineteen years ago when Mrs Mona Caird attacked the institution of matrimony in the Westminster Review and led the way for the great discussion on Is Marriage a Failure in the Daily Telegraph marriage has been the hardy perennial of newspaper correspondence and an unfailing resource to worried sub editors When seasons are slack and silly the humblest member of the staff has but to turn

out a column on this subject and whether it be a serious dissertation on The Perfections of Polygamy or a banal discussion on Should husbands have tea at home it will inevitably achieve the desired result and fill the spare columns of the papers with letters for weeks to come People are always interested in matrimony whether from the objective or subjective point of view and that is my excuse for perpetrating yet another book on this well worn but ever fertile topic Marriage indeed seems to be in the air more than ever in this year of grace everywhere it is discussed and very few people seem to have a good word to say for it The most superficial observer must have noticed that there is being gradually built up in the community a growing dread of the conjugal bond especially among men and a condition of discontent and unrest among married people particularly women What is the matter with this generation that wedlock has come to assume so distasteful an aspect in their eyes On every side one hears it vilified and its very necessity called in question From the pulpit the clergy endeavour to uphold the sanctity of the institution and unceasingly exhort their congregations to respect it and abide by its laws But the Divorce Court returns make ominous reading every family solicitor will tell you his personal experience goes to prove that happy unions are considerably on the decrease and some of the greatest thinkers of our day join in a chorus of condemnation against latter day marriage Tolstoy says The relations between the sexes are searching for a new form the old one is falling to pieces Among the manuscript remains of Ibsen that profound student of human nature the following noteworthy passage occurs Free born men is a phrase of rhetoric They do not exist for marriage the relation between man and wife has corrupted the race and impressed the mark of slavery upon all Not long ago too our greatest living novelist George Meredith created an immense sensation by his suggestion that marriage should become a temporary arrangement with a minimum lease of say ten years *The Secrets of a Lasting Marriage* H. Norman Wright,1995 **Fix A Nigga Fix A Bitch** Damont L.

Staying Close Dennis Rainey,2003-09-02 Countless married couples end up living alone in the same house Over twenty eight years of conducting Weekend to Remember conferences have convinced Dennis and Barbara Rainey that isolation is the number one problem in marriages today But they believe it s possible to overcome marital drift and experience the miracle of oneness This book provides a positive workable strategy for keeping your marriage vital and intimate Included are proven principles and hands on exercises to help you understand the personal and cultural forces that isolate you from your spouse manage your schedules workloads roles and responsibilities without losing sight of each other allos for and enjoy individual differences while maintaining unity build an atmosphere of cooperation by meeting each other more than halfway affair proof your relationship or heal it after the fact grow closer duing hard times instead of letting your troubles pull you apart create a safe atmosphere for transparent communication discover the secrets of a mutually rewarding sex life leave a legacy of love and unity to your family and friends Previous Edition 0 8499 3343 9 *Books in Print* ,1991 **Women, Privacy and Modernity in Early Twentieth-Century British Writing** W. Gan,2009-01-15 Privacy is not often thought of as a marker of

modernity but a look at British women's writing of the early twentieth century suggests that it should be so. This book examines the female pursuit of privacy particularly of the spatial kind as women began to claim privacy as an entitlement of the modern middle class woman.

Habits for a Healthy Marriage Dr. Richard Fitzgibbons, 2019 Drawing on his experience of forty years as a psychiatrist Dr Richard Fitzgibbons presents twelve habits that can foster healing and growth in Catholic marriages. This book helps couples to identify and resolve the major emotional conflicts that weaken their relationships and hurt their marriages. *Habits for a Healthy Marriage* is unique because it draws on the field of positive psychology which focuses on growth in virtues. Each chapter names a common marital problem along with a particular virtue that can help couples to overcome that problem. It shows that the road to healing is paved with forgiveness not only between spouses but also within their families of origin. Along the way the author incorporates the luminous writing of Saint John Paul II on marriage and the timeless wisdom of the Catholic Church. Whether you are newly engaged, recently married or married for many years, the conflict resolving strategies described in this book, the habits of a healthy marriage, can help you to protect your relationship from the emotional storms that often lead to quarrelling and mistrust and sometimes to separation and divorce.

Nineteenth-Century Spanish America Christopher Conway, 2015-07-14 *Nineteenth Century Spanish America: A Cultural History* provides a panoramic and accessible introduction to the era in which Latin America took its first steps into the Modern Age. Including colorful characters like circus clowns, prostitutes, bullfighters, street puppeteers and bestselling authors, this book maps vivid and often surprising combinations of the new and the old, the high and the low, and the political and the cultural. Christopher Conway shows that beneath the diversity of the New World there was a deeper structure of shared patterns of cultural creation and meaning. Whether it be the ways that people of refinement from different countries used the same rules of etiquette or how commoners shared their stories through the same types of songs, Conway creates a multidisciplinary framework for understanding the culture of an entire hemisphere. The book opens with key themes that will help students and scholars understand the century such as the civilization and barbarism binary, urbanism, the divide between conservatives and liberals, and transculturation. In the chapters that follow, Conway weaves transnational trends together with brief case studies and compelling snapshots that help us understand the period. How much did books and photographs cost in the nineteenth century? What was the dominant style in painting? What kinds of ballroom dancing were popular? Richly illustrated with striking photographs and lithographs, this is a book that invites the reader to rediscover a past age that is not quite past, still resonating into the present.
