

Learn to love solitude, to be more alone with yourselves.

The tragedy of today's young people is that they try to unite on the basis of carrying out noisy and aggressive actions so as not to feel lonely, and this is a sad thing.

The individual must learn from childhood to be on his own, for this doesn't mean to be lonely: it means to not get bored with oneself, because a person who finds himself bored when he is alone, it seems to me, is a person in danger.

Love Solitude:

Holy Solitude Heidi Haverkamp, 2017-12-31 Our faith is full of heroes who experienced God powerfully in solitude From Hagar and the Hebrew prophets to Jesus in the wilderness to Francis of Assisi and Catherine of Siena we see how escape from the toil and temptations of daily life can open our eyes ears minds and hearts to the still small voice of God In the vast desert or a tiny room solitude frightening for some and a welcome reprieve for others is far from an antisocial self indulgence but rather is an opportunity for transformation and empowerment to serve God s people ever more deeply While most of us can t take weeks or even a few days for private retreat Holy Solitude offers readers thoughtful inspiration and practical devotional activities such as taking a solitary bus ride or baking a loaf of bread for a neighbor Daily reflections introduce readers to figures in both Scripture and Christian history whose stories of discernment and discipline are a guide for our own spiritual practices as we seek to know God more fully and follow Christ more faithfully

Love's Redeeming Work Geoffrey Rowell, Kenneth Stevenson, Rowan Williams, 2003-10-23 There is a rich vein of writing within Anglican tradition that has helped to form the theology and spirituality of the contemporary church For many readers much of this material remains unfamiliar and is often difficult to access Love s Redeeming Work draws together the works of major writers from the sixteenth century to the present day who have contributed to this development Each selected writer is introduced with a brief biography which gives background information about the author and highlights the relationships that existed with others from the same period This will enable the reader to set the writings in their proper context enhancing understanding of the material The selections then follow In some instances these may be familiar but other examples will

introduce fresh ideas for every reader Each writer s selection is concluded with a list of source texts which can encourage readers to explore in more depth those areas which intrigue and excite them Love s Redeeming Work traces a path that has enabled Anglicanism in particular and the wider church as well to develop an ever deepening awareness of the need for a spiritual depth in the Christian life informed by a better knowledge of tradition In exploring this material it is the compilers hope that readers will find new riches that will encourage and sustain their own quest for holiness

Thomas Merton and the Noonday Demon Donald Grayston,2015-05-19 How did Thomas Merton become Thomas Merton Starting out from any one of his earlier major life moments wealthy orphan boy big man on campus fervent Roman Catholic convert new and obedient monk we find ourselves asking how by his life s end he had grown from who he was then into a transcultural and transreligious spiritual teacher read by millions This book takes another such starting point his attempt in the mid 1950s to move from his abbey of Gethsemani in Kentucky a place that had become in his view noisy beyond bearing to an Italian monastery Camaldoli which he idealized as a place of monastic peace The ultimate irony Camaldoli at that time bucolic and peaceful outwardly was inwardly riven by a pre Vatican II culture war whereas Gethsemani which he tried so hard to leave became when he was given his hermitage there in 1965 his place to recover Eden In walking with Merton on this journey and reading the letters he wrote and received at the time we find ourselves asking as he did with so much energy and honesty the deep questions that we may well need to answer in our own lives
