Love Starts With You:

Shreemad Bhagavad Gita Paramahansa Sri Swami Vishwananda, 2016-05-31 The Shreemad Bhagavad Gita is one of the most ancient scriptures in the world. It contains the direct word of God spoken for all of mankind irrespective of religion or tradition. Its philosophy and teachings are central to human life. It teaches us to live our daily lives in Divinity as a service unto God and His creation. It achieves this by gifting us true knowledge, faith, devotion, surrender, detachment, and a release of expectations and ownership over one's own actions. It comes as a stark contrast to the lives with which we have grown accustomed to leading. Today's world is filled with constant desire for material wealth, sense pleasures, individualism, and egoism. The Gita acts as a lighthouse on the shores of Vaikunta, guiding lost sailors at the sea of illusion to safety. But like any teaching, time and unqualified minds can distort it and misunderstand what is contained within. It is for that purpose that the Lord continuously takes birth on earth in the form of the Guru to revive the true essence of the Gita, to show the simplicity of the message of Bhagavan. One such Master is Paramahansa Sri Swami Vishwananda, and in this book, which is his personal commentary, we hold a treasure chest of spiritual insight.

Loving God's Way Klaas H Baloyi, 2016-02-29 Love is not an expression but a powerful act to be demonstrated by those who choose to engage in or share it. Society has socialized people into believing love as something they do not have control over. Love continues to be viewed as a sudden occurrence that ambushes those who share it without them giving a deep thought of what they are engaging themselves into. As the phrase falling in love connotes, people have taken it for what it sounds on face value than an expressive phrase; it actually is. Love cannot be a feeling but a choice. It is a conscious decision that one takes at a particular point. This book therefore seeks to demystify how love is not a feeling but a decision. Yes, True love does exist. For one to experience it, it is important to understand its essence and how it unfolds. God's philosophy of love provides a basis from which to understand and experience the beauty of love. That love which regards not of its own but of the other. Love is a peculiar partnership which neither anticipates nor forces a contribution of the other partner. Engaging in a love relationship, however, can set you on a path that determines whether you will experience heaven or hell on earth. Choosing right is therefore vital.
