Soulmate or Heartbreak Ahmari and Deandra Childs,2012-05-17 Written By Ahmari Deandra Childs My wife and I wrote this book to help and encourage people that are in relationships married and single In this book we will be providing our testimonies about our mistakes failures and victories in relationships In this book we will be giving you a man and woman point of view about different topics concerning relationship and marriages In addition there is powerful insight and revelations about love from the word of God We will be revealing all the devil's weapons that he will try to use to destroy relationships We will also talk about our battles disagreements and how we overcame the devil together through the word of God You may have failed and made some bad decisions We want you to know that the only victory in failure is not getting up again My wife and I have both failed and made mistakes in past relationships We both have been divorced But by fighting the good fight of faith and obedience to God's word we survived and we won Not only that we are winning to the glory of God Love is the greatest gift from God When God does it he does it right When God blessed me with my wife God blessed me best Proverbs 10:22 The blessings of the Lord it maketh rich and he addeth no sorrow with it We are rich in joy peace love and the greatest of all Christ Jesus Yes we fuss and disagree at times but through it all we WIN **Nietzsche's Renewal of**

Ancient Ethics Neil Durrant,2022-12-29 Nietzsche's Renewal of Ancient Ethics connects different strands in Nietzsche studies to progress a unique interpretation of friendship in his writings Exploring this alternative approach to Nietzsche's ethics through the influence of ancient Greek ideals on his ideas Neil Durrant highlights the importance of contest for developing strong friendships Durrant traces the history of what Nietzsche termed a higher friendship to the ancient Greek ideal of the Homeric hero In this kind of friendship neither person attempts to tyrannize or dominate the other but rather

aims to promote the differences between them as a way of stimulating stronger and fiercer contests Through this exchange they discover new heights new standards of excellence both for themselves and for others Durrant shows how the development of this approach to personal relationships relied on Nietzsche rejecting the Christian ideals of love and compassion to build an ethics which incorporated aspects of evolutionary biology into the ancient Homeric ideals he was himself wedded to The resulting higher friendship is strong enough to include not only love and compassion but also enmity and opposition expanding our notion of what is good and ethical in the process **Memoirs of My Heart** Jacqui
