**Love and Death in Charleston** Patricia Robinson, 1998-06-01 Pryor Dimitri inherits an old family mansion in Charleston and as she is pursued by two gentlemen friends of her new family she finds that she must deal with secrets unearthed beneath an old magnolia on the lawn Jacket Last Gleaming: Love and Death in the Age of Pandemic Ray Dan Parker, Last Gleaming Love and Death in the Age of Pandemic The murder of Georgia Tech research engineer Garth Braithwaite sets off a flurry of speculation as to possible motives The killer has taken Braithwaite s laptop and phone leaving his stash of drugs and cash untouched Atlanta Police Sergeant Beth Long must run a gauntlet of political interference as she pursues a possible connection to child trafficking and espionage Retired Senator Harmon Wakefield races to build a new biotech operation ahead of a rumored viral weapon under development in Wuhan He will stop at nothing to recruit Garth Braithwaite s research partner Dr Sean O Meara Harmon s grandson William Wakefield struggles to balance his university studies with a budding romantic relationship and a journalistic obsession fed by his other grandfather Tom Williams Drawn into the Braithwaite murder investigation he encounters the dark side of the biotech industry Then the pandemic hits The Washingtons. Volume 5, Part 1 Justin Glenn, 2014-09-05 This is the fifth volume of Dr Justin Glenn s comprehensive history that traces the Presidential line of the Washingtons Volume One began with the immigrant John Washington who settled in Westmoreland Co Va in 1657 married Anne Pope and became the great grandfather of President George Washington It continued the record of their descendants for a total of seven generations Volume Two highlighted notable family members in the next eight generations of John and Anne Washington s descendants including such luminaries as General George S Patton the author Shelby Foote and the actor Lee Marvin Volume Three traced the ancestry of the early Virginia members of this Presidential Branch back in time to the aristocracy and nobility of England and continental Europe Volume Four resumed the family history where Volume One ended and it contained Generation Eight of the immigrant John Washington s descendants Volume Five now presents Generation Nine including more than 10 000 descendants Future volumes will trace generations ten through fifteen making a total of over 63 000 descendants Although structured in a genealogical format for the sake of clarity this is no bare bones genealogy but a true family history with over 1 200 detailed biographical narratives These in turn strive to convey the greatness of the family that produced not only The Father of His Country but many others great and humble who struggled to build that country ADVANCE PRAISE I am convinced that your work will be of wide interest to historians and academics as well as members of the Washington family itself Although the surname Washington is perhaps the best known in American history and much has been written about the Washington family for well over a century it is surprising that no comprehensive family history has been published Justin M Glenn s The Washingtons A Family History finally fills this void for the branch to which General and President George Washington belonged identifying some 63 000 descendants This is truly a family history not a mere tabulation of names and dates providing biographical accounts of many

of the descendants of John Washington who settled in Westmoreland County Virginia in 1657 Each individual section is followed by extensive listings of published and manuscript sources supporting the information presented and errors of identification in previous publications are commented upon as appropriate John Frederick Dorman editor of The Virginia Genealogist 1957 2006 and author of Adventurers of Purse and Person Decades of reviewing Civil War books have left me surprised and delighted when someone applies exhaustive diligence to a topic not readily accessible Dr Glenn surely meets that standard with the meticulous research that unveils the Washington family in gratifying detail many of them Confederates of interest and importance Robert K Krick author of The Smoothbore Volley that Doomed the Confederacy and Stonewall Jackson at Cedar Mountain     Love After Death Judy Fitzwater, She never found love in life Is it possible she ll find love after death Something unexpected happens to Cindy Thomas during a mystery weekend at the Ferris Mansion One second she s enjoying a performance with astonishing special effects The next she s dead surrounded by a troupe of long dead actors who aren t special effects at all Harvey her dream guy is no longer a dream He s real a real ghost Suddenly this new existence is complicated and scary and amazing leaving her wondering if she s made the worst mistake of her life her death or whatever you want to call it Cindy will have to decide should she step through the gateway to Heaven or is Heaven actually here on earth in this handsome ghost s arms Author s Note When I wrote DYING AT HONEYMOON INN I became fond of Cindy Thomas the young woman I killed off before readers had a chance to get to know her For those of you familiar with my other books you know that in VACATIONING WITH THE DEAD I populated the Ferris Mansion with a troupe of actors who just happen to be ghosts I enjoyed writing that book so much I wanted to revisit the characters What better way than to have Cindy s spirit encounter them upon her death Adding her to the group presented a number of problems but I really enjoyed writing Cindy and Harvey s love story Who s to say love ends with death or even the possibility of new love That s part of the joy of creation In my world it doesn t have to     **A Real Love at Last** Victoria Leigh Gabriella, 2014-10-31 This is the story of a mature love relationship between a man and a woman in their mid 40s Each of them has been a bit unlucky in love in the past and have almost given up hope of ever finding a real love Becca Connelly is approximately 45 years old gorgeous and an elementary school teacher living in Williamsburg Virginia Tall brown shoulder length hair green eyes and feminine figure She was deeply heartbroken when her marriage ended and has not seen or heard from her ex husband Tripp in fifteen years She has struggles to make it but has rebuilt her life to some degree She has not been with any man since her husband deserted her She does not trust men She does not let anyone but close girlfriends and family into her life She thinks it was her fault that she was abandoned by someone she loved and trusted She had expected to live her entire life with him Divorce was not an option but forced on her unwillingly Michael Stevens has just recently moved to Williamsburg He is tall muscular brown haired gray eyes and gorgeous of course too He has just retired from a career in the Marines He was a Colonel when he left active duty having served all over the country and tours in Iraq and Afghanistan He
