LOVE AND DEATH in the AMERICAN NOVEL Leslie A. Fiedler

New, Revised Edition

"One of the great, essential books on the American imagination... an accepted major work."

—THE NEW YORK TIMES

Love And Death In The American Novel

Anthony Wayne Colver

Love And Death In The American Novel:

Love and Death in the American Novel Leslie A. Fiedler, 1997 No other study of the American novel has such fascinating and on the whole right things to say Washington Post [Love and Death in the American Novel](#) Leslie Aaron Fiedler, 1964 **Love and Death in the American Novel** Anthony Wayne Colver, 1967 *Love and Death in the American Novel*, 2000 *Love and Death in the American Novel* Thomas J. Grimes, 1991 **Love and Death in the American Novel** Leslie A. Fiedler (Anglist, Literaturwissenschaftler), 1969 **Love and Death in the American Novel [by] Leslie A. Fiedler** Leslie A. Fiedler, [Love and Depth in the American Novel](#) Ashley C. Barnes, 2020-04-23 Love and Depth in the American Novel seeks to change how we think about the American love story and how we imagine the love of literature By examining classics of nineteenth century American literature Ashley Barnes offers a new approach to literary theory that encompasses both New Historicism and the ethical turn in literary studies Couples like Huck and Jim and Ishmael and Queequeg have grounded the classic account of the American novel as exceptionally gothic and antisocial Barnes argues instead for a model of shared intimacy that connects the evangelical sentimental best seller to the high art of psychological realism In her reading of works by Harriet Beecher Stowe Nathaniel Hawthorne Herman Melville Elizabeth Stoddard Henry James and others in the context of nineteenth century Protestant Catholic debates about how to know and love God what emerges is an alternate tradition of the American love story that pictures intimacy as communion rather than revelation Barnes uses that unacknowledged love story to propose a model of literary critical intimacy that depends on reading fiction in its historical context [A Companion to American Fiction, 1780 - 1865](#) Shirley Samuels, 2008-04-15 This Companion presents the current state of criticism in the field of American fiction from the earliest declarations of nationhood to secession and civil war Draws heavily on historical and cultural contexts in its consideration of American fiction Relates the fiction of the period to conflicts about territory and sovereignty and to issues of gender race ethnicity and identity Covers different forms of fiction including children s literature sketches polemical pieces historical romances Gothic novels and novels of exploration Considers both canonical and lesser known authors including James Fennimore Cooper Hannah Foster Nathaniel Hawthorne Herman Melville and Harriet Beecher Stowe Treats neglected topics such as the Western novel science and the novel and American fiction in languages other than English [Calvinist Humor in American Literature](#) Michael Dunne, 2007-12-01 Though the phrase Calvinist humor may seem to be an oxymoron Michael Dunne in highly original and unfailingly interesting readings of major American fiction writers uncovers and traces two recurrent strands of Calvinist humor descending from Puritan times far into the twentieth century Calvinist doctrine views mankind as fallen apt to engage in any number of imperfect behaviors Calvinist humor Dunne explains consists in the perception of this imperfection When we perceive that only others are imperfect we participate in the form of Calvinist humor preferred by William Bradford and Nathanael West When we perceive that others are imperfect as we all are we participate in the form preferred by Mark

Twain and William Faulkner for example Either by noting their characters inferiority or by observing ways in which we are all far from perfect Dunne observes American writers have found much to laugh about and many occasions for Calvinist humor The two strains of Calvinist humor are alike in making the faults of others more important than their virtues They differ in terms of what we might think of as the writer perceiver s disposition his or her willingness to recognize the same faults in him or herself In addition to Bradford West Twain and Faulkner Dunne discovers Calvinist humor in the works of Flannery O Connor Herman Melville Nathaniel Hawthorne Ernest Hemingway and many others For these authors the world and thus their fiction is populated with flawed creatures Even after belief in orthodox Calvinism diminished in the twentieth century Dunne discovers American writers continued to mine these veins irrespective of the authors religious affiliations or lack of them Dunne notes that even when these writers fail to accept the Calvinist view wholeheartedly they still have a tendency to see some version of Calvinism as more attractive than an optimistic idealistic view of life With an eye for the telling detail and a wry humor of his own Dunne clearly demonstrates that the fundamental Calvinist assumption that human beings are fallen from some putatively better state has had a surprising lingering presence in American literature

A Companion to the American Novel Alfred Bendixen, 2014-11-17 Featuring 37 essays by distinguished literary scholars *A Companion to the American Novel* provides a comprehensive single volume treatment of the development of the novel in the United States from the late 18th century to the present day Represents the most comprehensive single volume introduction to this popular literary form currently available Features 37 contributions from a wide range of distinguished literary scholars Includes essays on topics and genres historical overviews and key individual works including *The Scarlet Letter* Moby Dick *The Great Gatsby* *Beloved* and many more

The Chronology of American Literature Daniel S. Burt, 2004 If you are looking to brush up on your literary knowledge check a favorite author s work or see a year s bestsellers at a glance *The Chronology of American Literature* is the perfect resource At once an authoritative reference and an ideal browser s guide this book outlines the indispensable information in America s rich literary past from major publications to lesser known gems while also identifying larger trends along the literary timeline Who wrote the first published book in America When did Edgar Allan Poe achieve notoriety as a mystery writer What was Hemingway s breakout title With more than 8 000 works by 5 000 authors *The Chronology* makes it easy to find answers to these questions and more Authors and their works are grouped within each year by category fiction and nonfiction poems drama literary criticism and publishing events Short concise entries describe an author s major works for a particular year while placing them within the larger context of that writer s career The result is a fascinating glimpse into the evolution of some of America s most prominent writers Perhaps most important *The Chronology* offers an invaluable line through our literary past tying literature to the American experience war and peace boom and bust and reaction to social change You ll find everything here from Benjamin Franklin s *Experiments and Observations on Electricity* to Davy Crockett s first memoir from Thoreau s *Civil Disobedience* to Edith

Wharton's *Ethan Frome* from meditations by James Weldon Johnson and James Agee to poetry by Elizabeth Bishop. Also included here are seminal works by authors such as Rachel Carson, Toni Morrison, John Updike, and Arthur Schlesinger Jr. Lavishly illustrated and rounded out with handy bestseller lists throughout the twentieth century, lists of literary awards and prizes, and authors' birth and death dates, *The Chronology of American Literature* belongs on the shelf of every bibliophile and literary enthusiast. It is the essential link to our literary past and present.

The Queer Sixties Patricia Juliana Smith, 2013-12-16 *The Queer Sixties* assembles an impressive group of cultural critics to go against the grain of 1960s studies and proposes new and different ways of the last decade before the closet doors swung open. Imbued with the zeitgeist of the 60s, this playful and powerful collection rescues the persistence of the queer imaginary.

Too Good to be True Mark Royden Winchell, 2002

Unusable Past Russell J. Reising, 2013-11-05 First Published in 2002. Amongst a time of rapid and radical social change, *New Accents* is a positive response to change with each volume seeking to encourage rather than resist the process of change to stretch rather than reinforce boundaries that currently define literature and its academic study. This study offers the authors' theories of American literature and more specifically his interest here is in how those theories define the canon of American literature and how those definitions influence our understanding and teaching of that canon.

Encyclopedia of Contemporary Literary Theory Irene Rima Makaryk, 1993-01-01 The last half of the twentieth century has seen the emergence of literary theory as a new discipline. As with any body of scholarship, various schools of thought exist and sometimes conflict within it. I. R. Makaryk has compiled a welcome guide to the field. Accessible and jargon-free, the *Encyclopedia of Contemporary Literary Theory* provides lucid, concise explanations of myriad approaches to literature that have arisen over the past forty years. Some 170 scholars from around the world have contributed their expertise to this volume. Their work is organized into three parts. In Part I, forty evaluative essays examine the historical and cultural context out of which new schools of and approaches to literature arose. The essays also discuss the uses and limitations of the various schools and the key issues they address. Part II focuses on individual theorists. It provides a more detailed picture of the network of scholars not always easily pigeonholed into the categories of Part I. This second section analyses the individual achievements as well as the influence of specific scholars and places them in a larger critical context. Part III deals with the vocabulary of literary theory. It identifies significant complex terms, places them in context, and explains their origins and use. Accessibility is a key feature of the work. By avoiding jargon, providing mini bibliographies, and cross-referencing throughout, Makaryk has provided an indispensable tool for literary theorists and historians and for all scholars and students of contemporary criticism and culture.

D.H. Lawrence Today Barry Jeffrey Scherr, 2004 *D. H. Lawrence Today* is a rare and extraordinary blend of intellectual, political, history, psycho-literary biography, and literary criticism not seen in Lawrence studies since the heyday of F. R. Leavis. Barry J. Scherr provides a vigorous defense of Lawrence against his powerful enemies in the literary, cultural, political, academic world, a world dominated today by the political correctness of the elite.

extreme left wing intelligentsia Dr Scherr employs a daring original intense strategy to deal with Lawrence's enemies involving unique intricate complex explication de texte as well as incisive polemic Unconventional and seminal D H Lawrence Today is the most stimulating provocative courageous book on Lawrence to appear in many years **Grief Taboo in American Literature** Pamela A. Boker, 1997-08 A compelling massively researched psychoanalytic study of the inability to mourn in Melville Twain and Hemingway and its roots in maternal loss Ann Douglas author of TERRIBLE HONESTY MONGREL MANHATTAN IN THE 1920S This insightful text is recommended for all students of American culture and literature CHOICE *The Oxford Encyclopedia of American Literature* Jay Parini, 2004 The Encyclopedia of American Literature gathers together 350 essays from over 190 leading scholars on the whole of American literature from European discovery to the present At the core of the Encyclopedia lie 250 essays on poets playwrights essayists and novelists Figures such as Whitman Melville Faulkner Frost and Morrison are discussed in detail with each examined in the context of his or her times an assessment of the writer's current reputation a bibliography of major works and a list of major critical and biographical works about the writer Fifty entries on major works such as Moby Dick Song of Myself Walden The Great Gatsby The Waste Land Their Eyes Were Watching God Death of a Salesman and Beloved place the work in its historical context and offer a range of possibilities with regard to critical approach The Encyclopedia also contains essays on literary movements periods and themes pulling together a broad range of information and making connections between them Each entry has its own primary and annotated secondary bibliography and a system of cross references helps readers locate information with ease The Encyclopedia of American Literature is an outstanding reference source for students studying authors or particular pieces of literature libraries looking for one comprehensive source and readers interested in American literature its authors and its connection with various areas of study **Japan** Albert M. Craig, 2015-03-08 Among the leading specialists on Japan the authors both Japanese and Western represent a range of disciplines from economics history and political science to sociology anthropology psychiatry and literary criticism Some of the essays draw comparisons with China or Korea some with England Europe or America and some with countries of the Third World By showing us how the Japanese experience relates to that of other contexts the authors provide us with important insights into Japan as well as into other societies undergoing a modern transformation Originally published in 1979 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905
