Love And Sex After Sixty:

A Frenchwoman's Guide to Sex after Sixty Marie de Hennezel, 2017-10-29 A Frenchwoman's advice for how women and men of a certain age can enjoy love sex and desire in their sixties and seventies and beyond With wit and a soup on of irreverence Marie de Hennezel shows that there is no age limit for erotic joy Through interviews with countless older French women and men de Hennezel uncovers a plethora of tips for enjoying a rich and satisfying sex life after age sixty She suggests that perhaps the most important point is to have a positive self image to love yourself and instead of worrying about wrinkles and other outward signs of aging to cultivate an inner youthfulness which combined with a certain maturity she says can be sexier than youth all by itself It is better to skip the plastic surgery and intense workouts at the gym and focus on sensuality pleasure and emotional intimacy instead Other tips for how to keep that certain je ne sais quoi include forgetting about sexual performance shifting from thinking about the body you have how it looks in the mirror to focusing on the body you are how it feels and being able to surrender during love and sex Bringing a sense of humor and a bit of playfulness to the boudoir doesn't hurt either
