

Love Between Women

Susan Ostrov Weisser

Love Between Women:

Love Between Women Bernadette J. Brooten, 2009-02-15 *Love Between Women* examines female homoeroticism and the role of women in the ancient Roman world. Employing an unparalleled range of cultural sources, Brooten finds evidence of marriages between women and establishes that condemnations of female homoerotic practices were based on widespread awareness of love between women. An extraordinary accomplishment. A definitive source for all future discussion of homoeroticism and the Bible. Mary Rose D'Angelo, Harvard Gay Lesbian Review. Brooten's convincing analysis not only profoundly reshapes our understanding of the past but it should also shape the way in which that past, particularly the early Christian texts with their immense normative weight, will be used for the future. Anne L. Clark, *Journal of Lesbian Studies*. *Love Between Women* gives contemporary debates on sexuality a carefully delineated past. It boldly insists upon a different future, one informed by history but not tyrannized by it. Susan Ackerman, *Lambda Book Report*. Fascinating, provocative, and lucid. Brooten has made a fundamental contribution to women's and gender studies, gay and lesbian studies, and classics. Elizabeth A. Castelli, *Women's Review of Books*. Winner of the Lambda Literary Award for Best Lesbian Studies Book, 1997. **Love Between Women** Charlotte Wolff, 1971. **Between Women** Sharon Marcus, 2009-07-10. Women in Victorian England wore jewelry made from each other's hair and wrote poems celebrating decades of friendship. They pored over magazines that described the dangerous pleasures of corporal punishment. A few had sexual relationships with each other, exchanged rings and vows, willed each other property, and lived together in long-term partnerships described as marriages. But as Sharon Marcus shows, these women were not seen as gender outlaws. Their desires were fanned by consumer culture, and their friendships and unions were accepted and even encouraged by family, society, and church. Far from being sexless angels defined only by male desires, Victorian women openly enjoyed looking at and even dominating other women. Their friendships helped realize the ideal of companionate love between men and women celebrated by novels, and their unions influenced politicians and social thinkers to reform marriage law. Through a close examination of literature, memoirs, letters, domestic magazines, and political debates, Marcus reveals how relationships between women were a crucial component of femininity. Deeply researched, powerfully argued, and filled with original readings of familiar and surprising sources, *Between Women* overturns everything we thought we knew about Victorian women and the history of marriage and family life. It offers a new paradigm for theorizing gender and sexuality not just in the Victorian period but in our own. *Between Women and Generations* Drucilla Cornell, 2016-04-30. This book defies easy categorization but will be one of the most original, thoughtful, and genuinely interesting books published next year. Before the author's mother died, she asked her daughter, Drucilla, to write a book that would bear witness to the dignity of her death and one that her bridge class would be able to understand. As if that wasn't difficult enough, Drucilla's mother, who had a degenerative disease, decided to end her life by ingesting a lethal cocktail of drugs. Drucilla was in the unenviable position of bearing witness to her mother's act. Unsentimental yet poignant.

candid and courageous this is the book that Drucilla promised her mother she d write Unlike her earlier academically oriented books *Between Women and Generations* is an intensely personal narrative which interweaves the personal and political decisions Drucilla s made throughout her life She uses the personal as a springboard to talk about larger philosophical issues such as how one achieves dignity in life and in death and the nature of intergenerational relationships between women Drucilla speaks candidly of her relationship with her mother about her decision to adopt a non Western child and about her commitment to UNITY a cooperative of house cleaners in Long Island New York This book will resonate strongly with Western women

Women and Romance Susan Ostrov Weisser,2001-07 Weisser English Adelphi U writes that her anthology is for anyone who is interested in understanding the conflicted but powerful female urge to experience the pleasure and endure the pain of romantic love In particular she explores the collision of pervasive media images of romance with feminist values of independence and self assertion Several dozen historic and contemporary works of criticism personal essays and letters by feminist and anti feminist thinkers consider changing images of romantic love and whether romance fundamentally weakens or empowers women Contributors include Jean Jacques Rousseau Charlotte Bronte Karen Horney Simone de Beauvoir Rita Mae Brown bell hooks Vivian Gornick and Carolyn Heilbrun c Book News Inc

Women in Europe between the Wars Dr Angela Kershaw,Dr Angela Kimyongür,2013-04-28 The central aim of this interdisciplinary book is to make visible the intentionality behind the forgetting of European women s contributions during the period between the two world wars in the context of politics culture and society It also seeks to record and analyse women s agency in the construction and reconstruction of Europe and its nation states after the First World War and thus to articulate ways in which the writing of women s history necessarily entails the rewriting of everyone s history By showing that the erasure of women s texts from literary and cultural history was not accidental but was ideologically motivated the essays explicitly and implicitly contribute to debates surrounding canon formation Other important topics are women s political activism during the period antifascism the contributions made by female journalists the politics of literary production genre women s relationship with and contributions to the avant garde women s professional lives and women s involvement in voluntary associations In bringing together the work of scholars whose fields of expertise are diverse but whose interests converge on the inter war period the volume invites readers to make connections and comparisons across the whole spectrum of women s political social and cultural activities throughout Europe

A Time to Embrace William Stacy Johnson,2012-06-30 In *A Time to Embrace* William Stacy Johnson brilliantly analyzes the religious legal and political debates about gay marriage civil unions and committed gay couples This new edition includes updates that reflect the many changes in laws pertaining to civil unions same sex marriage since 2006

Women's Utopias of the Eighteenth Century Alessa Johns,2003 No human society has ever been perfect a fact that has led thinkers as far back as Plato and St Augustine to conceive of utopias both as a fanciful means of escape from an imperfect reality and as a useful tool with which to design improvements upon it The most

studied utopias have been proposed by men but during the eighteenth century a group of reform oriented female novelists put forth a series of work that expressed their views of and their reservations about ideal societies In *Women's Utopias of the Eighteenth Century* Alessa Johns examines the utopian communities envisaged by Mary Astell Sarah Fielding Mary Hamilton Sarah Scott and other writers from Britain and continental Europe uncovering the ways in which they resembled and departed from traditional utopias Johns demonstrates that while traditional visions tended to look back to absolutist models women's utopias quickly incorporated emerging liberal ideas that allowed far more room for personal initiative and gave agency to groups that were not culturally dominant such as the female writers themselves *Women's utopias* Johns argues were reproductive in nature They had the potential to reimagine and perpetuate themselves

Hell Hath No Fury Meghan R. Henning, 2021-09-21 The first major book to examine ancient Christian literature on hell through the lenses of gender and disability studies Throughout the Christian tradition descriptions of hell's fiery torments have shaped contemporary notions of the afterlife divine justice and physical suffering But rarely do we consider the roots of such conceptions which originate in a group of understudied ancient texts the early Christian apocalypses In this pioneering study Meghan Henning illuminates how the bodies that populate hell in early Christian literature largely those of women enslaved persons and individuals with disabilities are punished after death in spaces that mirror real carceral spaces effectually criminalizing those bodies on earth Contextualizing the apocalypses alongside ancient medical texts inscriptions philosophy and patristic writings this book demonstrates the ways that Christian depictions of hell intensified and preserved ancient notions of gender and bodily normativity that continue to inform Christian identity

The Oxford Handbook of Victorian Literary Culture Juliet John, 2016 The Oxford Handbook of Victorian Literary Culture is a major contribution to the dynamic field of Victorian studies This collection of 37 original chapters by leading international Victorian scholars offers new approaches to familiar themes including science religion and gender and gives space to newer and emerging topics including old age fair play and economics Structured around three broad sections on Ways of Being Identity and Ideology Ways of Understanding Knowledge and Belief and Ways of Communicating Print and Other Cultures the volume is sub divided into nine sub sections each with its own lead essay on subjectivity politics gender and sexuality place and race religion science material and mass culture aesthetics and visual culture and theatrical culture The collection like today's Victorian studies is thoroughly interdisciplinary and yet its substantial Introduction explores a concern which is evident both implicitly and explicitly in the volume's essays that is the nature and status of literary culture and the literary from the Victorian period to the present The diverse and wide ranging essays present original scholarship framed accessibly for a mixed readership of advanced undergraduates graduate students and established scholars

Female Homosexuality in Ancient Greece and Rome Sandra Boehringer, 2021-09-06 This groundbreaking study among the earliest syntheses on female homosexuality throughout Antiquity explores the topic with careful reference to ancient concepts and views drawing fully on the existing visual and

written record including literary philosophical and scientific documents Even today ancient female homosexuals are still too often seen in terms of a mythical ethereal Sapphic love or stereotyped as Amazons or courtesans Boehringer's scholarly book replaces these clichés with rigorous precise analysis of iconography and texts by Sappho Plato Ovid Juvenal and many other lyric poets satirists and astrological writers in search of the prevailing norms constraints and possibilities for erotic desire The portrait emerges of an ancient society to which today's sexual categories do not apply a society before sexuality where female homosexuality looks very different but is nonetheless very real Now available in English for the first time *Female Homosexuality in Ancient Greece and Rome* includes a preface by David Halperin This book will be of value to students and scholars of ancient sexuality and gender and to anyone interested in histories and theories of sexuality ***Imagining Women's Conventual Spaces in France, 1600-1800*** Barbara R. Woshinsky, 2010 Blending history architecture and literary analysis this ground breaking study explores the convent's place in the early modern imagination After the Council of Trent imposed strict claustral enclosure the nun became an intensified object of desire in male authored narratives Convents also inspired feminutopian discourses by women writers Recent criticism has identified spaces that women have made their own the ruelle the salon the hearth of fairy tales Woshinsky's book definitively adds the convent to this list ***Rethinking American Women's Activism*** Annelise Orleck, 2014-10-17 In this enthralling narrative Annelise Orleck chronicles the history of the American women's movement from the nineteenth century to the present Starting with an incisive introduction that calls for a reconceptualization of American feminist history to encompass multiple streams of women's activism she weaves the personal with the political vividly evoking the events and people who participated in our era's most far reaching social revolutions In short thematic chapters Orleck enables readers to understand the impact of women's activism and highlights how feminism has flourished through much of the past century within social movements that have too often been treated as completely separate Showing that women's activism has taken many forms has intersected with issues of class and race and has continued during periods of backlash *Rethinking American Women's Activism* is a perfect introduction to the subject for anyone interested in women's history and social movements ***Routledge Library Editions: History of Sexuality*** Various Authors, 2021-02-12 Reissuing seven works originally published between 1977 and 1992 this collection offers a varied selection of surveys of historical practices and attitudes to sexuality from complete reviews of changing attitudes through time to individual studies of France in the 19th and 20th Centuries and England in the 17th This set will be of interest in sociology gender studies cultural studies and history ***The Origins and Role of Same-Sex Relations in Human Societies*** James Neill, 2011-10-17 This groundbreaking work draws on a vast range of research into human sexuality to demonstrate that homosexuality is not a phenomenon limited to a small minority of society but is an aspect of a complex sexual harmony that the human race inherited from its animal ancestors Through a survey of the patterns of sexual expression found among animals and among societies around the world and an examination of the functional role homosexual

behavior has played among animal species and human societies alike the author arrives at some provocative conclusions that a homosexual or bisexual phase is a normal part of sexual development that same sex relations play an important balancing role in regulating human reproduction that many societies have institutionalized homosexual traditions in the past and that the harsh condemnation of homosexuality in Western society is a relatively recent phenomenon unique among world societies throughout history This well researched and meticulously documented book is the first that integrates into a coherent picture the startling revelations about human sexuality coming from the recent work of sexual researchers psychologists anthropologists and historians The view that emerges of an ambisexual human species whose complex sexual harmony is being thwarted by the imposition of an artificial understanding of nature represents a new way of thinking about sex

Companion to Women's Historical Writing M. Spongberg,A. Curthoys,B. Caine,2016-04-30 This A Z reference work provides the first comprehensive reference guide to the wide range of historical writing with which women have been involved particularly since the Renaissance The Companion covers biographical writing travelogue and historical fictions broadening the concept of history to include the forms of writing with which women have historically engaged The focus is on women writing in English internationally but historical and historiographical traditions from beyond the English speaking world are also examined Brief biographies of individual writers are included

Friendship's Shadows: Women's Friendship and the Politics of Betrayal in England, 1640-1705 Penelope Anderson,2012-08-31 Penelope Anderson's original study changes our understanding both of the masculine Renaissance friendship tradition and of the private forms of women's friendship of the eighteenth century and after It uncovers the latent threat of betrayal lurking within politicized classical and humanist friendship showing its surprising resilience as a model for political obligation undone and remade Incorporating authors from Cicero to Abraham Cowley and Margaret Cavendish to Mary Astell the book focuses on two extraordinary women writers the royalist Katherine Philips and the republican Lucy Hutchinson And it explores the ways in which they appropriate the friendship tradition in order to address problems of conflicting allegiances in the English Civil Wars and Restoration As Penelope Anderson suggests their writings on friendship provide a new account of women's relation to public life organized through textual exchange rather than bodily reproduction

Encyclopedia of Lesbian and Gay Histories and Cultures Bonnie Zimmerman,George Haggerty,2021-06-13 A rich heritage that needs to be documented Beginning in 1869 when the study of homosexuality can be said to have begun with the establishment of sexology this encyclopedia offers accounts of the most important international developments in an area that now occupies a critical place in many fields of academic endeavors It covers a long history and a dynamic and ever changing present while opening up the academic profession to new scholarship and new ways of thinking A groundbreaking new approach While gays and lesbians have shared many aspects of life their histories and cultures developed in profoundly different ways To reflect this crucial fact the encyclopedia has been prepared in two separate volumes assuring that both histories receive full unbiased attention

and that a broad range of human experience is covered Written for and by a widerange of people Intended as a reference for students and scholars in all fields as well as for the general public the encyclopedia is written in user friendly language At the same time it maintains a high level of scholarship that incorporates both passion and objectivity It is written by some of the most famous names in the field as well as new scholars whose research continues to advance gender studies into the future

Making Connections Heather Devere,2024-10-27 This book is a historical review of literature and ideas that make the connections between friendship and politics Using pertinent quotations from a wide variety of sources the book is divided into three main parts Firstly it explores interpretations of the concept of friendship tracing its use from the Ancient Greek and Roman philosophical works through to modern and postmodern perspectives touching on different cultural religious and ethical connections Secondly the concept of the political is identified according to different aspects and ideological emphases looking at influences in different time periods and demonstrating the importance of relational politics as viewed through feminism identity culture globalism and the ethics of care The third part draws together the political and friendship highlighting the importance of relational politics and civic friendship as a topic relevant for academic consideration of politics

Benjamin Franklin, Jonathan Edwards, and the Representation of American Culture Barbara Oberg,Harry S. Stout,1993 This is an interdisciplinary collection of comparative essays which looks at aspects of the thought of Edwards and Franklin and considers their places in American culture

Love Between Women Introduction

In the digital age, access to information has become easier than ever before. The ability to download Love Between Women has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Love Between Women has opened up a world of possibilities. Downloading Love Between Women provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Love Between Women has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Love Between Women. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Love Between Women. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Love Between Women, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure

their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Love Between Women has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Love Between Women Books

What is a Love Between Women PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Love Between Women PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Love Between Women PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Love Between Women PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Love Between Women PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection,

editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
