*Love's Calendar* Charles Fenno Hoffman, 1848      Love Calendar Peggy Rudd Thorne, 1993      **Femme Mirror** Virginia Prince, 1998      **Love's Secret Fire** Rena Koontz, 2012-09-24 The biggest story of reporter Valerie Daniels's career could be the one that kills her. A part-time news reporter Valerie is determined to prove her twin brother is not responsible for the rash of suspicious fires in Benton Falls despite all the evidence that leads undercover investigator Adam Michaels to believe he's caught his arsonist. Valerie's brother Adam Michaels relies on the facts when he is working a case but on this one his instincts and his heart tell him there is more behind this story. And there's a lot more he wants to know about Valerie Daniels, a woman who makes no bones about the fact she doesn't like him or what he's doing to her brother. Arson turns to murder and sparks fly between Adam and Valerie. But the real arsonist has his own ideas about the heat between these two. To defeat the killer and his deadly trap they must learn to trust each other. Sensuality Level Sensual      **The Book of Love** Elsa Barker, 1912      **The Goddess' Guide to Love** Margie Lapanja, 1999-01-01 The mysteries of the immortals are revealed in this spirited guide to the irresistible playground of love. Features powerful love spells, recipes for practical seduction and timeless secrets of the sensual arts. 30 illustrations      **Earth's Secret Corridor** Gregory Strausbaugh, 2007-02 This is the story of a man called to serve mankind and his loss of innocence. It is a story of courage in the face of evil and its consequences. It is a story of what is right in the world and what has gone terribly wrong. It is a story of cataclysm so terrible so unique it can only be seen through Earth's Secret Corridor      **The Secret Place** John Chipley, 2011-03 So at about the age of twelve when most boys do what they are told NOT to do B J went into the woods. From that day on his life was never the same. This is more than just another book. This is our son's secret journal that we found years after well years after he disappeared. These are his words. This is his story. The following was written on the first page of his journal. As I start my story I cannot tell you my name or where I live or anything that might disclose who I am. I can however tell you one thing when I was a baby my grandpa called me B J. When our son was growing up none of the children were allowed to go into the woods behind our house. Two boys disappeared in the woods over ten years ago and were never found not a trace. I think this is why B J had to go into the woods. He had to see for myself what was there. What he found was another world. It was a world that he writes about in his journal. He writes about an old lady called Mowmow. He writes about his best friends LaCharles and Lizzy. He writes about a pond that is deep in the woods and what he discovered on the other side of the pond. He writes about love, fear, death and God. I left the pages of this book basically untouched so you will find some misspelled words and incorrect grammar. However I didn't want to change one word of what B J wrote. Every word is a clue as to what happened to him or where he might be. When you finish reading his journal entries maybe you will understand. Maybe you can help us find B J. The sketches in this book have been redrawn. However the original sketches made by B J are in the cold case file in the basement of the Charlotte North Carolina courthouse      **The Secret of Success** Phillip Crone, 2006-06 The author shares his secret to
