[Crazy in Love](#) jetaime0830, This is the book 1 of Crazy in Love What will you do when you are fucking in love with someone who doesn t love you back then woke up the next day forced to marry another girl you don t even know or love Where the hell have you been Hannah I turned around as she yelled from my back full of hate in her eyes

grabbing my arm pulling me inside and laying me on the couch violently I was shocked by her presumption You re still my fucking wife Hannah You are mine don t ever forget that she leaned on me as she held both my hands feeling her grip trembling in rage I was motionless and speechless What is she great Is she making you cum more than me Are you not satisfied with my performance I can do it again you fucking whore her face was dark her voice crack and hatred in every word she spits out She slips forcibly her finger inside my panty and stroke my vagina feeling my wetness I slapped her hard I was hurt by what she said I could never imagine those words coming out from her Where s the Ally I have known Everything is my fault I can t blame her if she started to treat me this way I might hurt her ego Even we agreed not to intrude on others lives still It s not going to work the way we want it to be Fucked Hannah you are my wife I can do whatever I want she shouted as she ripped my clothes and held me tighter Ally got even angrier when I slapped her struggling but I didn t have a match on her Ally kissed me forcibly started to touch me out of love stroking my breast playing her fingers into my clit burning with only lust

Twisted Forms of Love Sarah Salem, 2014-08-27 Can you imagine being part of a big dysfunctional family and having absolutely no one to turn to Can you visualize living for years in a country torn apart by war The following account is based on a true story From the time she was a little girl Hannah could only dream about a better life and a better future if she could only escape her terrible reality Born and raised in a country at war Lebanon where death poverty and a broken dysfunctional family was the only life she knew she was an insignificant creature to her father and a working hand to her kind but weak mother She learned the true meaning of hate but couldn t comprehend the definition of love She was confused haunted by dreams that seemed so real so fresh as if they were part of her memory When she was a teenager she met a man with whom she thought she could escape her current horrendous life Instead she found herself facing another nightmare

The Psychology of Parental Control Wendy S. Grolnick, 2002-12-18 What is parental control Is it positive or negative for children What makes parents controlling with their children even when they value supporting children s autonomy Are there alternatives to control and how might we apply them in important domains of children s lives such as school and sports This book addresses these and other questions about the meaning and predictors of parental control as well as its consequences for children s adjustment and well being While the topic of parental control is not new there has been controversy about the concept with some researchers and clinicians weighing in on the side of control and others against it This book argues that part of the controversy stems from different uses of the term with some investigators focusing more on parents being in control and others on controlling children Using a definition of control as pressure for children to think feel or behave in specific ways the author explores research on parental control arguing that there is more consensus than previously thought Using this research base the author provides evidence that parental control can be subtle and can lurk within many positive parenting approaches parental control undermines the very behaviors we wish to inculcate in our children providing autonomy support the opposite of control is a challenge even when parents are committed to doing

so With controversy in the literature about parental control and attention in the media on the ways in which parents step over the control line e g screaming on the soccer sidelines pressuring children in academics this book is especially timely It provides an empathic view of how easily parents can become trapped in controlling styles by emphasizing performance and hooking their own self esteem on children s performance Examples of how this can happen in academic sporting and peer situations with their emphasis on competition and hierarchy are provided as well as strategies for parenting in highly involved but autonomy supportive ways A highly readable yet research based treatment of the topic of parental control this book explores the controversial topic of parental control addresses controversy about the positive and negative effects of parental control and disentangles various parenting concepts such as involvement structure and control illustrates how control can be overt such as in the use of corporal punishment or covert as in the use of controlling praise provides evidence that control may produce compliance in children preventing them from initiating and taking responsibility for their own behavior explores why parents are controlling with their children including environmental and economic stresses and strains characteristics of children that pull for control and factors in parents own psychologies that lead them to be hooked on children s performance and provides examples of control in the areas of academics and sports the hierarchical and competitive nature of these domains is seen as contributing to parents tendencies to become controlling in these areas
