Love In A Time Of Hate Liberation Psychology In Latin America:

Love in a Time of Hate Nancy Caro Hollander, 1997 Nancy Caro Hollander profiles ten Argentine Chilean and Uruguayan psychologists and psychoanalysts who experienced firsthand and later strove to comprehend the political and social oppression that occurred under the military dictatorships in their countries during the 1970s and 1980s She recounts how psychoanalysts employed what she calls liberation psychology to understand the brutal trauma suffered by the populace under fiercely repressive regimes and then to help themselves and others to confront and overcome a culture of intimidation coercion torture and frequently murder

Sharing the Pain of the Bitter Hearts Simone Lindorfer, 2007 This book reflects the fruitful dialogue between two regional contexts including the encounter of different methodologies namely the context of Latin American liberation psychology as inspired by liberation theology and specifically developed in El Salvador by the Jesuit Ignacio Martin Baro and the context of Eastern African women The book evaluates in four case studies the contribution of liberation psychology in overcoming various forms of gender related violence in Eastern Africa where the author has worked since 1998 as consultant in trauma work The book encourages the critical reflection of current trauma psychology as well as the conceptualisation of a globally oriented practical theology

Psychology of Liberation Maritza Montero, Christopher C. Sonn, 2009-04-28 Since the mid 1980s the psychology of liberation movement has been a catalyst for collective and individual change in communities throughout Latin America and beyond and recent political developments are making its powerful transformative ideas more relevant than ever before Psychology of Liberation Theory and Applications updates the activist frameworks developed by Ignacio Martin Baro and Paulo Freire with compelling stories from the frontlines of conflict in the developing and developed worlds as social science and psychological practice are allied with struggles for peace justice and equality In these chapters liberation is presented as both an ongoing process and a core dimension of wellbeing entailing the reconstruction of social identity and the transformation of all parties involved both oppressed and oppressors It also expands the social consciousness of professionals bringing more profound meaning to practice and enhancing related areas such as peace psychology as shown in articles such as these Philippines the role of liberation movements in the transition to democracy Venezuela liberation psychology as a therapeutic intervention with street youth South Africa the movement for representational knowledge Muslim world religion the state and the gendering of human rights Ireland linking personal and political development Australia addressing issues of racism identity and immigration Colombia building cultures of peace from the devastation of war Psychology of Liberation demonstrates the commitment to overcome social injustices and oppression The book is a critical resource for social and community psychologists as well as policy analysts It can also be used as a text for graduate courses in psychology sociology social work and community studies

Enemies on the Couch Vamik D. Volkan, 2014-07-01 For more than 30 years renowned psychoanalyst Vamik D Volkan has applied the theories of his profession to societies in conflict venturing into cauldrons of

unrest as observer mediator and practitioner In this volume he shares his experiences facilitating dialogue between opposing enemy groups in numerous contexts and conflict zones and presents the pioneering theoretical and practical frameworks he developed In the process he provides a unique window onto watershed moments of the recent past from major historical events such as the collapse of the Soviet Union and the fall of the Berlin Wall to the tragedy of September 11 2001 and continued violence in the Middle East The findings and observations presented in this volume provide not only a new way of looking at recent historical events but also offer a novel set of tools for understanding and shaping the present and future

Dictatorships in the Hispanic World Patricia Swier, Julia Riordan-Goncalves, 2013-07-18 This book broaches a comparative and interdisciplinary approach in its exploration of the phenomenon of the dictatorship in the Hispanic World in the twentieth century Some of the themes explored through a transatlantic perspective include testimonial accounts of violence and resistance in prisons hunger and repression exile silence and intertextuality bildungsroman and the modification of gender roles and the role of trauma and memory within the genres of the novel autobiography testimonial literature the essay documentaries puppet theater poetry and visual art By looking at the similarities and differences of dictatorships represented in the diverse landscapes of Latin America and Spain the authors hope to provide a more panoramic view of the dictatorship that moves beyond historiographical accounts of oppression and engages actively in a more broad dialectics of resistance and a politics of memory

In from the Cold Gilbert M. Joseph, Daniela Spenser, 2008-01-11 Reexamines the Cold War in Latin America by shifting the focus away from superpower decision making and exploring the many ways in which Latin American leaders and ordinary people used manipulated shaped and were victimized by the Cold War

A Nazi Legacy
Vamik D. Volkan, 2018-05-08 This book relates the psychoanalytic journey of a man in his thirties a grandson of a high level SS officer whose case illustrates how individuals can sometimes suffer greatly or cause the suffering of other innocent persons simply because they are descendants of perpetrators In it technical considerations in treating such an individual including countertransference issues and concepts related to transgenerational transmissions for example identification depositing dissociation encapsulation and remembering through actions are explored The man had a repeating daydream of carrying a big egg under his arm The imagined egg representing his encapsulated dissociated state contained the mental representation of his Nazi grandfather and his grandfather s victims along with images of most tragic historical events He attempted to turn his grandfather s image from a life taker to a life giver and wished to own the older man s grandiose specialness while fearing the loss of his own life These opposite aims created unnamed catastrophes

Psychoanalysis, Class and Politics Lynne Layton, Nancy Caro Hollander, Susan Gutwill, 2006-09-27 Do political concerns belong in psychodynamic treatment How do class and politics shape the unconscious The effects of an increasingly polarized insecure and threatening world mean that the ideologically enforced split between the political order and personal life is becoming difficult to sustain This book explores the impact of the social and political domains at the individual level The contributions included in this volume describe how issues of class and politics and the intense emotions they engender emerge in the clinical setting and how psychotherapists can respectfully address them rather than deny their significance They demonstrate how clinicians need to take into account the complex convergences between psychic and social reality in the clinical setting in order to help their patients understand the anxiety fear insecurity and anger caused by the complex relations of class and power This examination of the psychodynamics of terror and aggression and the unconscious defences employed to deny reality offers powerful insights into the microscopic unconscious ways that ideology is enacted and lived Psychoanalysis Class and Politics will be of interest to all mental health professionals interested in improving their understanding of the ideological factors that impede or facilitate critical and engaged citizenship It has a valuable contribution to make to the psychoanalytic enterprise as well as to related scholarly and professional disciplines

Contemporary Clinical Practice Ellen Ruderman, Carol Tosone, 2012-12-09 Contemporary Clinical Practice The Holding Environment Under Assault is devoted to the examination of contemporary social problems and their impact on the clinical process State of the art psychodynamic theories will be applied to the understanding of how war terrorism politics government regulations and other environmental problems influence interactions between clinicians and their patients

Hostile and Malignant Prejudice Cyril Levitt, 2018-05-08 Hostile and Malignant Prejudice Psychoanalytic Approaches represents the leading edge of work in the field by members of the International Psychoanalytical Association's Committee on Prejudice Including Anti-Semitism psychoanalysts who hail from Belgium Brazil Canada Germany Peru Sweden the United States and Uruguay It pursues the issues surrounding hostile and malignant prejudice as defined in the first chapter by Henri Parens whose path breaking work over four generations with children and their mothers uncovered the sources of aggression and prejudice on a scale from jocular slurs to murderous genocide One chapter examines the effects of Latin America's colonial past on the psychic development of a mixed race young man whose analysis implicates a major racial and social divide in the heart of his society In another chapter we learn of the identity conflicts of children who were separated from their parents during the Holocaust and hidden or hidden in plain sight by adopting a Christian persona *The Palgrave*
