

And maybe I loved you
in another life and
I promised you that
I would find you,
somewhere on the other side.

Or maybe
you've always been
in my subconscious.
Nudging me this way
and pulling me that way
until I found you. I don't know.
But I do know
I've felt you more than
one life should allow.

Love In Another Lifetime:

Another Life, Another Love Eileen Stafford, 2012-04-17 Phoebe's life with her granddaughter Kate is turned upside down when she begins to write a book about Thomas A Beckett. She starts to see strange parallels between her life and that of the saint as does Kate. The two women become embroiled in historical figures and images from the past. [Another Life, Another Love](#) Denise Cory Blake, 2018-07-24 Introducing a heart wrenching tale of death, betrayal and love in all of its glorious aspects. Another Life Another Love follows a young woman called Suzanne who struggles to come to terms with all that life throws at her. Written in an intimate manner to bring the reader closer into her world, the book is a well-written drama of life's complexities, its problems and its tragedies. Against such a volatile background, Suzanne struggles with a myriad of conflicting, sometimes bitter feelings which leave her unable to deal with even the most essential everyday things. Her only reason to continue on is her young son Joshua, her world, him, and a long-time family friend Walter who is always there, remorselessly driving her on to face life, the good and the bad. He chivvies, he goads, he encourages and loves her. But does Suzanne want another love with Walter or should she go to France for another life? With the addition of beautifully written poetry at the beginning of the novel, Another Life Another Love is a story all readers can relate to and find cathartic in their own troubled times. *No another Life For Love* A Manofe, equalstanding, 2019-12-16 In the moment before Bai Jiu'er's death, she closed her eyes and thought back over the events of her life. She had no regrets. She only felt a little regretful. Xiao Dingyuan: I already knew that my end would be to be turned into ashes beyond redemption. It's just that I didn't expect that our sworn alliance would also vanish into nothingness. **The Imprint of Another Life** Margaret Homans, 2013-07-18 How adoption and its literary representations shed new light on notions of value, origins and identity. [Testaments from Another Life](#) Bryan de Justin, 2025-05-09 Testaments from Another Life is an ethereal, emotional and hypnotic collection of delicately woven tales. Bryan de Justin's lyrical prose invites readers into landscapes lush with symbolism where romantic and tragic figures navigate fateful encounters, transcendent love and sorrowful loss. In this book, each testament is an exploration of the heart's deepest truths and illusions, gracefully dancing between the mystical and the melancholic. Richly imbued with tarot imagery, mythological references and timeless themes of destiny and love, the narratives reflect life's ephemeral nature and the enduring yearning of the human soul. Echoing the decadent beauty and aesthetic of the Romanticism of times past, this collection is both a tribute to the past and a haunting meditation on eternal questions of love, fate and existence. Testaments from Another Life calls upon readers to lose themselves within its pages, emerging forever transformed by its whispered revelations of another life, another love, another world. **Maybe In Another Life** Harry Goswami, 2024-09-26 The Heart was made to be broken. Oscar Wilde. Maybe In Another Life is a story about two individuals, Harry and Heer, whose connection begins in social media but soon takes on a life of its own. Both are haunted by the ghosts of their past relationships: Harry with his open heart and relentless hope, and Heer with her guarded nature and unresolved pain. As they navigate their

complicated emotions the two find themselves repeating old patterns caught in the bittersweet cycle of love and loss From grand romantic gestures to moments of deep vulnerability Harry does everything he can to bridge the gap between them but Heer s fear of getting hurt again creates a wall that feels impossible to break down Their relationship is a delicate balance of joy and heartbreak with moments that feel like d j vu as if they re destined to relive their past mistakes With an ending full of suspense Maybe in Another Life is a tale of love heartbreak and the question of whether love can overcome the past or if some hearts are simply too broken to mend
