**Promises to Keep** Patrica Sands,2014-12-11 When Katherine fell in love in the south of France her life filled with promise Walking away from her past she opened her heart more each day to the lover who inspired new hopes and dreams Christmas in Provence would be magic The future was bright Until the note appeared and a secret threatened to destroy everything On Love Stendhal,1927 **Love** Stendhal,1975-08-28 In 1818 when he was in his mid thirties Stendhal met and fell passionately in love with the beautiful Mathilde Dembowska She however was quick to make it clear that she did not return his affections and in his despair he turned to the written word to exorcise his love and explain his feelings The result is an intensely personal dissection of the process of falling and being in love a unique blend of poetry anecdote philosophy psychology and social observation Bringing together the conflicting sides of his nature the deeply emotional and the coolly analytical Stendhal created a work that is both acutely personal and universally applicable **On Love** Stendhal,2020-04-09 One of Stendhal s early works is On Love a rational analysis of romantic passion that was based on his unrequited love for Mathilde Countess Dembowska whom he met while living in Milan This fusion of and tension between clear headed analysis and romantic feeling is typical of Stendhal s great novels
