Fellowes, 1929      **Bare** Wes L Lotus, 2013-10 Poetry is certainly a form of art that I appreciate When I want to express myself I write on paper and then I read my words out loud What I love most about poetry is that it has no boundaries and I personally believe that freedom of expression is poetry's best friend Poetry allows me to evolve in so many ways and challenges me to learn more and create art for the mind Sometimes I'm at a loss for words to write at times it takes minutes hours days and months for me to write a new piece Just like any relationship poetry requires patience dedication and understanding Anyone can write a poem if they put their mind to it but to write continuous poetry you need the passion for it Some may view my work as prose or spoken word to me personally they all come from the same family so if you are probably wondering what I write I write poetry      **The Frankster & Co, Party to Go - DJ & Karaoke** Frank Casto, 2012-12-19 The Frankster Co Party To Go Professional Mobile lighting live sound DJ Karaoke Top of the line equipment and modern music with paid subscriptions for current high quality song selections and up to date karaoke Sound for basic bands plus available slideshows videos music videos sent to TV's or projectors From casual to formal from the barn to the country club The Frankster and his wife Tammy bring high quality fun to any event Also at any given time there are assistants and friends that help make the party Anytime Anywhere The Frankster Co Party to Go      **Television Variety Shows** David M. **A Lavender Look at the Temple** Michael Bellefountaine,Dora Bellefountaine,2011-08 For most of its history the Peoples Temple existed under the radar Most had never even heard of the church until news of the tragic deaths of more than nine hundred men women and children in the jungles of Guyana broke in November of 1978 Th e lives and deaths of the members of the Peoples Temple are ones that remain mostly misunderstood to this day And for the gay and lesbian members and their families the truth is sometimes even harder to nd Author Bellefountaine an activist a scholar and proud member of the gay community provides a new perspective of the Temple His detailed research into the inner workings of the Peoples Temple is presented with a special look at the lives of the gay and lesbian members of the Peoples Temple community Their stories illustrate how their lives were in uenced and a cted by Jones and his acceptance of their sexuality Bellefountaine looked deep into the historical connection between Jim Jones s Peoples Temple and the city of San Francisco as well as the connection San Francisco s rst gay councilman Harvey Milk had with the Peoples Temple The power that acceptance even false acceptance can have on people is explored through the detailed accounts of members of the temple community He tells the very human stories of those who died in Jonestown as well as how those who survived the horror and their families were deeply a ected by the tragedy of November 18 1978 and what we can learn from this event

**Women's Utopias of the Eighteenth Century** Alessa Johns,2003 No human society has ever been perfect a fact that has led thinkers as far back as Plato and St Augustine to conceive of utopias both as a fanciful means of escape from an imperfect reality and as a useful tool with which to design improvements upon it The most studied utopias have been proposed by men but during the eighteenth century a group of reform oriented female novelists put forth a series of work that expressed their views of and their reservations about ideal societies In Women s Utopias of the Eighteenth Century Alessa Johns examines the utopian communities envisaged by Mary Astell Sarah Fielding Mary Hamilton Sarah Scott and other writers from Britain and continental Europe uncovering the ways in which they resembled and departed from traditional utopias Johns demonstrates that while traditional visions tended to look back to absolutist models women s utopias quickly incorporated emerging liberal ideas that allowed far more room for personal initiative and gave agency to groups that were not culturally dominant such as the female writers themselves Women s utopias Johns argues were reproductive in nature They had the potential to reimagine and perpetuate themselves

*Conversations from the Heart* T. Ursula Green, 2010-12-29 I have been writing poetry since my creative writing class in high school 1976. My inspiration comes from all the people that I have admired for many years. In the late 1960s came the Black Panther Party from those memories I wrote the poem of two voices Malcolm X after reading his last interview with Playboy at [www.malcolmxonline.com](http://www.malcolmxonline.com) circa 1963 it helped me to understand him as a person, father and what being a Muslim meant. Michael Jackson, Tupac Shakur, Eric Wright, Christopher Wallace and Boatsie just my way of honoring them as individuals. But after hearing Pretty Wings Maxwell could not be left out. Everything else came from my own imagination. Besides my mother and sister have always said that my brother Rodney and I sure can talk but Knowledge is power. Last but not least The poem Tattoos is for anyone that has placed a name on their body. But family names out of love displays respect. The poem Baby Mama Drama just something I thought of at the last minute. Love Jones was based on one of my favorite movies. This short composition of poetry is dedicated to my entire family and a special thanks to my daughter Yvette L Green for dreaming and seeing it through love not one but all. Thank you Tanya Ursula Green.
