I want you to live with me forever. Pamela Sue Lowe, 2014-04 God has been revealing to me that writing is an effective way for me to share my heart with Him I feel encouraged to use it as a way to share his love and my faith in him with you I have spent the majority of my life searching desperately for the missing piece to complete my life puzzle The discovery of my life has been made Jesus From the bottom of my heart to the top of the highest mountain I would like to proclaim to everyone who is alive God loves you God wants to be close to you You are created for HIM He his waiting with open arms and unending love for you God forgives you We can approach God with confidence in our Lord and Savior Jesus Christ The idea of this book grew from a seed planted in my heart on November 9 2012 While reading II Kings God revealed to me an important role in my Christian life God tells of King Hezekiah who was aware of God s presence in past events had a personal relationship with God via a powerful prayer life and trusted in God s help for current events in his life One thing he lacked was his concern for future generations God convicted my heart that I was lacking this as well Not sure what to do I prayed that God would show me A book Since I will not be around forever to share my faith with future generations I can share my faith through a book This is the first and possibly the only book I will write I will leave that up to God This is a collection of prayers and writings regarding some truths God has revealed to me An invitation to you to draw near speak to God about what is on your heart then be still and know that He is God This is the sacrifice God wants from us He wants us to share our heart with him and trust him and his word to guide our lives Talk to God about anything you would a family member best friend co worker etc God wants us to come to Him first *Live God's Best Today* Josué Matos, We all long to live a meaningful life full of purpose and true joy However in a world marked by pressures challenges and uncertainties it s easy to get lost in the day to day and miss out on experiencing the best that God has prepared for each of us Live God s Best Today is an invitation to step out of autopilot and enter into a full life guided by faith and hope in God God did not create us for an

empty or routine life but to live each moment intensely with a heart filled with purpose and confidence in His care He desires that we experience joy peace and fulfillment even in the midst of challenges Yet we often fail to recognize His daily blessings and opportunities because our perspective is clouded by worries or frustrations This book is about adjusting our vision transforming the ordinary into a journey filled with purpose and discovering the best that God has to offer In light of biblical teachings this book aims to guide you through a transformative process a spiritual journey to live out God's plan in its fullness Each chapter will bring practical reflections on how to live authentically seizing each moment to experience the joy and peace that can only be found in Christ Here we'll explore how to recognize the opportunities God places before us overcome fears that hold us back and with a grateful heart embrace the blessings He provides We can see this clearly in the lives of biblical characters like Joseph who despite being sold into slavery and facing injustices maintained his faith in God and ultimately became the second most powerful man in Egypt saving many from famine Genesis 37:50 Like Joseph we are called to trust in God even when circumstances seem contrary knowing that He is in control and working for our good Romans 8:28 Another example is David who faced giants both literally and figuratively When he confronted Goliath David relied not on his own strength but on the Lord of Hosts 1 Samuel 17:45-47 Likewise we are challenged to face our own giants trusting that God fights for us and empowers us to overcome We also see the Apostle Paul who even while imprisoned and facing persecution declared I have learned to be content in any situation Philippians 4:11 Paul understood that true contentment does not depend on external circumstances but on God's presence in our lives This same confidence can help us live God's best regardless of the difficulties we face It's not about living a problem-free life or a promise of no hardships but about living with the awareness that even in the storms God is present Let's remember the disciples in the boat during the storm when the Lord Jesus calmed the sea and asked why they had so little faith Mark 4:35-41 It's about learning to trust that God is guiding us down the right paths even when we cannot clearly see the future When we choose to live God's best today we choose to place our hope in Him knowing that we are loved and cared for by a Father who never abandons us If you want to experience a richer life full of meaning and purpose this book is for you It is a journey that requires a willingness to change how we see ourselves others and our relationship with God May you open your heart to what God wants to do in your life and live the best He has reserved for you not tomorrow but today

Love's Touch Anit Arca, 2022-04-10 Is the world an illusion Is our Universe a hologram This is a magical world All there is is you you are the magnificent reflection of All That Is in the world of Existence and three dimensions Let us wake up from this illusion We have to realize we will leave this body one day we have to realize all of our possessions will be left behind as we depart for our next new adventure This is not a book of divine informative revelation These words do not come from heaven These writings knowledge arose in the Heart through Universal Intuition and were written from Oneself to oneself without the interference of the author's personal thoughts ego What you call I is your identity Bonding yourself with your identity creates the I am ego personality This

identity of yours is not actually you it is an illusory state of what you are not In Reality you are not your ego identity The external world and its social parameters play a big role in forming this ego identity You do not own anything no name no form or any image that you can call I You have not constructed or created these You do not own anything you think you can control or possess When you identify yourself with these things the things that you are not or do not own you are creating a self imposed prison for yourself and living inside of it In other words you create your ego personality In this case we have to ask the following question who am I Really Are you really all that you claim to own names forms and images Are you only made up of body and mind When you identify with these beliefs and those of the collective world consciousness you get lost and break away from your true Reality When you claim ownership of these names forms and images you create your ego personality Whenever you say I am this or that you are identifying with that thing which you now claim as your own and you unify yourself with that thing If you do not identify with anything if you do not claim ownership of anything the I ceases to exist Removing the I dissolving it is the ultimate freedom we seek The walls of the self imposed prison of ego personality you possessively created will fall away Here in this liberated state of being the necessity for choice or decision falls away too You act just as is needed in each moment of life as it arises in the Now Thoughts of should I have done this or that will disappear The mind is like software running on a computer The virus that corrupts the software is the ego It is this ego personality that creates erroneous beliefs and then claims ownership of them Only when this virus is removed by an antivirus program Mind reveals itself in its full capacity With this cleaning up process human minds become increasingly liberated and expansively intelligent In this Book knowledge of advanced life is being released into the public publishing domain for the first time This life can be described with concepts of Absolute Human Birth of Absolute Humanity Experiencing Non Existence and Beyond Non Existence We believe through our life experience that the only way to change our individual and collective point of view is to know NON EXISTENCE The will behind the writing and publishing of this knowledge in the Book arose in servitude
