

An aerial photograph of a city at sunset. The sun is low on the horizon, creating a warm, orange glow that filters through the air. The city below is a dense grid of buildings and streets, with a prominent highway interchange visible on the left side. The overall mood is contemplative and romantic.

So it was possible to
love a stranger.

Love Of Strangers:

The Love of Strangers Michael Schmidt, 1989 This collection of poetry contains an extended poem sequence which cumulatively amounts to an essay in autobiography Schmidt provides a series of pen portraits of people who have influenced him entrepreneurs scholars left wing intellectuals in places as far apart as Mexico and Oxford *Love* Tony Milligan, 2014-10-14 What is love What is it to be loved Can we trust love Is it overrated These are just some of the questions Tony Milligan pursues in his novel exploration of a subject that has occupied philosophers since the time of Plato Tackling the mood of pessimism about the nature of love that reaches back through Schopenhauer and Kierkegaard he examines the links between love and grief love and nature and between love of others and loving oneself We love too few things in the world Milligan concludes adding that we need to be loved too to appreciate our own value and the worth of life itself **The Interaction Between Law and Love in the Pauline Writings** Pandelani Paul, 2015-07-16 There are five chapters of this book The first chapter is the overview of the whole book and how the research was going to be conducted It also gives the summary of law and love in the books of Paul The interaction between law and love in Pauline writing has been an interesting topic where we have discovered that the law of God cannot be separated from his agape love which has followed mankind from creation and eventually leads him to eternity We discovered that the law of God reveals Gods character and that is his love The law of God and his love are one and cannot be separated from each other God gives the law to prove to man that he loves him deeply and eternally The death of Jesus on the cross was the final crown of the proof of how much we mean to God and the length He can go to redeem us He gave his all for our redemption The plan of salvation is the perfect revelation of law and love in Pauline writings Chapter 1 and 2 looks at law and love and the theology and ethics of law and love The plan of salvation is laid bare and how the Jews missed the mark of spreading the Word to the whole world by holding to God as a Jewish God alone In chapter 3 we discover the difference between the ceremonial law and the Decalogue The ceremonial laws were pointing toward the coming of Jesus and so with his arrival they came to an end because they were pointing to his coming The Decalogue was there and it will continue till the end of time when Jesus will come the second time Chapter 4 is all about love and what it means to God and how he could not compromise his Decalogue and the meaning of redemption Chapter 5 is the blending of law and love in Pauline writings Keeping the law is not a problem when you love God and you know that God loves you its not difficult to keep the Decalogue because your love supercedes the law When you love someone its easy to follow or keep the law Gods Decalogue is a mirror and love is the crown of our redemption For God so loved the world that he gave His only begotten son to die for man because His law could not be changed Love will lift us up such that doing and keeping Gods law will not be a burden but a pleasure because through Christs death we realize how important we are to God **Love From Heaven** Lorna Byrne, 2017-02-14 Lorna Byrne sees angels and speaks to them every day She sees so much more than angels though she sees love as a physical force emanating from those she observes In this book Lorna

reveals what angels have taught her about love and how we can unlock the love stored within all of us She has also created a seven day program with exercises you can do each day in order to have more self appreciation Socrates in Love: Philosophy for a Passionate Heart Christopher Phillips,2011-01-17 Phillips takes philosophy out of the ivory tower and into the street Los Angeles Times Christopher Phillips goes to the heart of philosophy and Socratic discourse to discover what we are all looking for the kind of love that makes life worthwhile That is love not defined only as eros or erotic love but in all its classical varieties Love of neighbor love of country love of God love of life and love of wisdom each is clarified and invigorated in Phillips's Socratic dialogues with people from all walks of life and from all over the world **The Rational Bible: Deuteronomy** Dennis Prager,2022-10-11 Is the Bible the most influential book in world history still relevant Why do people dismiss it as being irrelevant irrational immoral or all of these things This explanation of the Book of Deuteronomy the fifth book of the Bible will demonstrate how it remains profoundly relevant both to the great issues of our day and to each individual life Do you doubt the existence of God because you think believing in God is irrational This book will cause you to reexamine your doubts The title of this commentary is The Rational Bible because its approach is entirely reason based The reader is never asked to accept anything on faith alone In Dennis Prager's words If something I write is not rational I have not done my job The Rational Bible is the fruit of Prager's forty years of teaching to people of every faith and no faith at all On virtually every page you will discover how the text relates to the contemporary world in general and to you on a personal level His goal to change your mind and as a result to change your life **Deuteronomy, a Commentary** James E. Smith, Ph.D.,2018-11-09 An introduction to the Old Testament Book of Deuteronomy is followed by a verse by verse commentary on the text **Keys to a Sacred Place** J. Solomon Wise,2013-06 Have you ever asked yourself how you are made in God's Divine image If you have you also realize many searches and journeys to this mysterious question have involved seeking answers through numerous spiritual works references and actual religious experiences throughout your life's journey What if the answers you seek are not wholly available through searching outward but may also require you to search within your own self After all doesn't it make sense that self understanding self awareness and self actualization is more of an inner process than an outer one How can you fully gain self understanding without doing self analysis Keys To A Sacred Place is designed to take you on a journey within As you do it is the humble author's hope you will discover far more within you than you could have ever imagined Further you will restore wholeness of yourself spirit mind and body and gain a fuller and greater connection to God's complete Divine image and essence Enjoy your journey of self discovery Civil Disobedience Tony Milligan,2013-03-28 Civil disobedience is a form of protest with a special standing with regards to the law that sets it apart from political violence Such principled law breaking has been witnessed in recent years over climate change economic strife and the treatment of animals Civil disobedience is examined here in the context of contemporary political activism in the light of classic accounts by Thoreau Tolstoy and Gandhi to call for a broader attitude towards what civil disobedience

involves The question of violence is discussed arguing that civil disobedience need only be aspirationally non violent and that although some protests do not clearly constitute law breaking they may render people liable to arrest For example while there may not be violence against persons there may be property damage as seen in raids upon animal laboratories Such forms of militancy raise ethical and legal questions Arguing for a less restrictive theory of civil disobedience the book will be a valuable resource for anyone studying social movements and issues of political philosophy social justice and global ethics

Converse with One Earthly Jeannie Chen,Cheng Hsiu Chen,2017-08-30 A book differs from a person in that one is dead and another alive The need to be consistent with oneself is one of the five merits discussed in chapter 7 A person needs to attempt on achieving consistency on all fronts but a book does not need to The inconsistency within this book demonstrates the consistency of authors to reveal all truth including our stages of spiritual growth An outline of this book is provided after the last chapter Textbooks in schools and colleges should have similar outlines appended to help the study The writing of outlines has not received enough attention in school that most students still write one paragraph before outlining Writing paragraphs sequentially should only occur when one does not have a clear sight of what to write and have only vague and general ideas Outlining should be done at least 95 percent of the time **Following Wisdom, Leading Wisely** Jeff

Roper,2024-02-21 If it is true that everything rises and falls on leadership we have a problem A recent international survey revealed that 86 percent of respondents believe we are facing a global leadership crisis The study encompassed leadership in business government the non profit sector and religion Non profit and business leaders ranked highest in terms of public confidence Government leaders ranked very low The only leaders to rank lower than government leaders were religious leaders This leadership crisis is not driven by an absence of leaders Leaders are everywhere yet we still have a leadership crisis Nor is this crisis caused by a lack of leadership training Who can keep up with the books seminars and training programs offering the latest trends and best thinking on leadership And yet we still have a leadership crisis While the world is looking for better leadership methods God is looking for better leaders leaders shaped by wisdom What use after all is getting things done or even servant leadership without wisdom In Proverbs we discover an ancient training regimen for leaders guiding them in the cultivation of virtuous character Following Wisdom Leading Wisely is an invitation to rediscover this ancient wisdom for today s leaders **The Oxford Handbook of Deuteronomy** Don C. Benjamin,2024-12-03 The

Unexpected Jesus Craig Hovey, 2012-09-12 How can Christians live with a surprising God How can we know and trust God without taming God or reducing God to an idol Is knowing God the same thing as being open to God Is God's freedom to act independently of our knowing him actually how we know him most genuinely and deeply In *Unexpected Jesus* Craig Hovey explores in depth the idea that the Christian gospel is a surprising encounter that calls for people to risk living with a God who shows up in unexpected ways The Gospels often portray Jesus Christ as elusive and difficult to grasp Hovey helps the reader to unexpect Jesus to preserve Jesus's reality as a surprise rooted in the resurrection As living and free the joyous presence of Christ in the world is also unfathomable and uncontainable Jesus's being free and surprising unexpected strengthens Christians trust in God and helps them to live in God's world

The Ethics of Hospitality Helen T. Boursier,2019-02-15 Set against an ethical theological philosophical framework of the role of love in the Abrahamic tradition Islam Judaism and Christianity The Ethics of Hospitality highlights the personal witness of refugee families seeking asylum from the Northern Triangle in Central America to the U S Their heart wrenching stories include why they fled their homelands their experiences along the arduous overland journey and their inhospitable reception when they arrived to the U S and requested asylum It includes an overview of the systemic connections between the U S and the violence which catapults these families to seek safety The voices of the families join the witness of interreligious volunteers of greater San Antonio who assist the refugee families in diverse capacities and who testify to the mutual blessing they receive when love of God expressed as love of neighbor becomes central to the immigration conversation Ultimately the proposal is that the interreligious community has the privilege and responsibility to respond in love with refugees seeking asylum while also leading the outcry in the public square for their radical welcome
