Nurture in Time and Eternity Robert Cummings Neville, 2016-07-04 The dimension of eternity has been lost from much contemporary religious consciousness Liberals tend to focus on action within time as do conservatives who see history as a battleground for a war of good against evil Spiritual life however also requires nurturing a sense of eternity within time These sermons from Marsh Chapel at Boston University follow the lectionary in highlighting the places of temporal life within eternity and the places eternity is found in temporal life The liturgical year is employed as the venue for articulating a comprehensive theology on the themes of the temporal and eternal aspects of Christian nurture

THE EVENTS OF THE END OF AGES AND ETERNITY GODSWORD GODSWILL ONU,2015-03-22 The Word of God has a lot to enlighten us concerning the events and things to experience know and expect at the end of ages and eternity The Bible tells us about the signs of the end of time and of ages of the Coming of Jesus Christ and of the beginning of eternity God's Word has never failed and it cannot fail and knowing that His Word has been faithful in the past we should know that it will not fail now The Bible lets us know the signs of the end of age And the Lord Jesus Christ said Take heed that you not be deceived For many will come in My Name saying I am He and The time has drawn near Therefore do not go after them But when you hear of wars and commotions do not be terrified for these things must come to pass first but the end will not come immediately Lk 21 8-9

Eternity in the Midst of Time Fr. Wilfrid Stinissen,2019-01-21 Can time be our friend At first glance the question seems ridiculous because the apparent scarcity of time is a constant source of stress in our busy lives There are not enough hours in the day we say as we collapse late at night Deep down we know that we cannot go on like this Father Stinissen's book dares us to see time with new eyes The insight that eternity is written in the depths of our hearts helps us to live in time in a way that leads us deeper into God's joy We are like children in a land of fairy tales where everything is exciting and exploration never ends We therefore should rejoice that everything around us is great and

mysterious and that we can live in eternal wonder His intention is not to explain what time is and thus take away its mystery Instead his aim is to show us how to see time from different perspectives and to discover how rich and multifaceted it is Above all he demonstrates how we can make use of the tremendous possibilities that time offers to us

Moving Images of Eternity William F. Pinar, 2019-03-26 William F Pinar presents a comprehensive and original study that demonstrates the significance and pertinence of the scholarship of George Grant for teaching today While there are studies of Grant's political philosophy there has been no sustained study of his teaching Pinar not only draws upon the collected works he has also consulted Grant's PhD thesis at Oxford as well as the philosopher's biography collected letters and the vast secondary literature What emerges is a treatise that reveals Grant's timeliness and his prescience in identifying and critiquing key educational issues nearly half a century ago from academic vocationalism and educational technology to privatization and the ascendancy of research issues that are eminently relevant today Beyond the classroom Grant's concerns extended to the impact of economic globalization which he feared would erase distinctive national histories and cultures As such Grant foresaw the current issues of right wing populism notably in the UK and the US as reactions against these historical tendencies This volume is destined to become an indispensable reference work for students of Grant in particular and for students of education in general This book is published in English

Kant and Kierkegaard on Time and Eternity Ronald Michael Green, 2011. Building on his earlier work *Kierkegaard and Kant: The Hidden Debt*, Ronald Green presents Kant as a major inspiration of Kierkegaard's authorship. Green believes that Kant's ethics provided the rigor on which Kierkegaard drew in developing his concept of sin. Green argues that the chief difference between Kant and Kierkegaard has to do with whether we need a historical savior to restore our broken moral wills. Kant rejected faith in vicarious atonement as undermining moral responsibility and he pointed to the Genesis 22 episode of Abraham's sacrifice of Isaac as an example of how reliance on historical reports can undermine ethics. Kierkegaard rejected Kant's rationalist solution to the problem of radical human evil. Kant had demolished the ontological proof by showing that whether something exists including God can never be logically deduced. Kierkegaard turns this great insight against Kant: whether God has forgiven our transgressions cannot be deduced from our moral need. Either God did or did not intervene on our behalf. This fact says Kierkegaard is the earnestness of existence. Green offers unique readings of *Fear and Trembling* and *Either/Or* in his analysis and interpretation of Kierkegaard's reading and response to Kant and their understanding of divine and ethics. A closing chapter focuses on love in time. In *Works of Love*, Kierkegaard places emotional feelings within a transcendent context. Erotic love is noble but it must be purged of self-love and seek the fulfillment of the beloved as an independent being. Only by assuming ethical and religious meaning can romantic love fulfill its promise of eternity.

Alliance Eternity Daniel Giroux, 2011-10-18. When Robyn and Ariel meet for the first time they are captivated by each other even so neither could possibly predict the journey they are about to take together. Together they will come to discover the true meaning of the term soul mate. But soon after they discover one another they find themselves pulled into a complicated conflict that is ripping their world apart. The two become pawns in a deadly struggle for power as the decisions, struggles, personal histories and future aspirations of those around them wrap the two deeper into paths they never envisioned. Each new development tests their evolving relationship and only they can protect what they have built together. Their adventures bring them to a place where they must confront what awaits everyone beyond the veil of death. Through it all they must choose to embrace the inevitable growth that comes from suffering. Can love triumph over fear? Will they ever know the truth? Each must now enter the battle over what they believe and what they choose to endure on their own. They have access to a source of guidance not accessible to all and their quest is to fulfill personal destinies. In the end, what is your quest?

The Intense Reality of Eternity John Carpenter, 2020-11-20. Mankind has pondered the existence of life beyond death for centuries. Religions propose a variety of interesting but differing beliefs. So what does actually happen? Initially, science assumed it was some kind of neurological process sparking memory fragments at the moment of death. Having studied thousands of firsthand experiences, science now finds undeniable credibility and fascinating patterns of details that

cannot be easily dismissed These witnesses are from various cultures and countries around the world yet they report the same types of visual auditory and sensory details People blind since birth are seeing and testifying to the same sights that sighted people are also reporting Preschool children are claiming the same experiences as mature educated worldly individuals Atheists are stunned into becoming devoted to God What is going on Author John Carpenter returns with his third book providing the reader with a breath taking and inspirational journey through three realms of the afterlife Instead of recounting hundreds of individual tales as in other books he constructs a unique experience by orchestrating one composite journey illustrated by hundreds of firsthand witnesses Crafting the fascinating pieces of their testimonies into a masterful flowing collection creates an unforgettable journey for the reader Masterminding this jigsaw puzzle of credible experiences takes the reader where no other book has gone before But it can be intense in its joy love and beauty or its nightmarish and dark terrors Be not afraid Learn the truth of what people are reporting so that you can navigate your own spiritual journey wisely toward your future place in eternity
