Mallets Aforethought:

Mallets Aforethought Sarah Graves, 2004-10-26 Jacobia Jake Tiptree left her high powered career for a dilapidated fixer upper and the dream of a quiet existence in the quaint town of Eastport Maine But she found that no matter how carefully you remodel your life murder can take up residence anywhere It s Eastport s most notorious landmark the old Harlequin House Named for the disgraced physician Chester Harlequin it was used as a hideout for gunshot gangsters and their molls during Prohibition s heyday Now fixer upper enthusiast Jake Tiptree and Harlequin s only living descendant Ellie White are refurbishing the mansard roofed mansion to host the local Historical Society s upcoming gala But when stripping down old wallpaper reveals a secret door to a room containing not one but two corpses Jake and Ellie once again find home repair leading to homicide One of the bodies is a skeleton dressed in 1920s flapper chic But the other is that of real estate mogul Hector Gosling and in his pocket is a paper bearing the single word Guilty The less than scrupulous tycoon has been poisoned and when it s learned that the offending substance is the poison that Ellie s husband George has been using to kill red ants he is immediately taken into custody Then it develops that George had recently accused Gosling of a scheme to scam George s vulnerable old aunt out of her life savings and George out of his inheritance With George held for murder Jake and a pregnant Ellie swing into action In between Ellie s Lamaze sessions baby showers and CPR classes taught by Jake s ex husband Victor the two amateur sleuths must sift their way through a trail of seemingly contradictory clues Then another corpse surfaces and suddenly Jake and Ellie realize they must find this killer fast A clever culprit is not only building an airtight case against Ellie s husband He or she is planning to nail everyone who stands in the way With Mallets Aforethought Brian Johnston, 1995 A millionaire is murdered while constructing a historic village in Longmeadow New York and there are plenty of suspects including his children annoyed that he was squandering money Architectural historian Winston Wye investigates With illustrations by the author of The Gift Horse Murders **Unhinged** Sarah Graves, 2003-11-04 Once a Wall Street hotshot Jacobia Jake Tiptree chunked it all for a charmingly dilapidated fixer upper in the tiny town of Eastport Maine She was certain she d left the dangers of city life behind until she discovered that no place no matter how idyllic and peaceful it may appear is safe from murder It began with the mysterious disappearance of Harriet Hollingsworth Eastport s snoopest resident Everyone is convinced the old busybody bolted out of town to escape her creditor everyone except Jake and her best friend Ellie who know Harriet would never leave home without her most prized possession But before Jake and Ellie can persuade police chief Bob Arnold to open an investigation they ll need to come up with proof more sinister than a pair of abandoned binoculars Just as Jake starts poking around for clues things suddenly take a troubling turn for the worse A suspicious accident nearly kills her teenaged son Sam and her husband Wade just misses getting his head blown off Jake is prepared to attribute these incidents to a spate of bad luck until another accident leaves a visitor to Eastport unmistakably dead Most perplexing all this mayhem coincides with the unexpected arrival of a man from Jake s past

a former New York City cop Harry Markle claims he has unintentionally brought an unwelcome guest into Eastport a crook determined to knock off everyone with ties to Harry Twenty four hours ago Jake s only worry was fixing her broken down gutters and downspouts before the big storm swept into town Now everything seems to be falling apart all around her Jake knows from experience that the truth is usually as messy and complicated as do it yourself remodeling As it becomes chillingly clear that appearances in this quaint community are more misleading than ever she ll have to find a way to lure a homicidal maniac into the light before he nails another victim Tool & Die Sarah Graves,2005-10-25 Jacobia Jake Tiptree traded her power broker life for a run down dream house in peaceful Eastport Maine But the do it yourself enthusiast is learning that no matter how carefully you build your home murder has a way of slipping in through the cracks It s a bright June afternoon and old house fixer upper Jake Tiptree is driving through downeast Maine on an unusual errand She s getting ready to interview a large angry man with a criminal history Jim Diamond may or may not be harassing his ex wife with life threatening letters but Jake promised her new housekeeper Bella Diamond she d look into the matter An ex con and a deadbeat Jim Diamond doesn t have a history of violence that is not until Jake arrives at his apartment and discovers that a killer has been there first Suddenly Jake and her best friend Ellie White find themselves at the center of a murder with too many suspects and too few clues And as if that s not enough Jake is now saddled with the manic Bella whose certainty that she ll be the next victim is fueling a supercompulsive neatness one that threatens to clean Jake and her long suffering husband Wade out of house and home Add to that a moose in her kitchen a rebellious son with a habit of dumping Miss Right for Miss Wrong and a troublesome ex of her own and Jake is already at wit s end Then she gets word that a horde of her dad s long lost relatives mean to descend on Eastport intending to be put up at her far from fixed up fixer upper When the killer does strike again it s not where Jake expects and the victim couldn t be more of a surprise For this is a case bigger than the usual angry ex spouse variety and now that Jake and Ellie have gotten themselves involved they ve each won a special place in a ruthless murderer s master plan of greed deception and death And the prize A pair of eternally private rooms six feet under Nail Biter Sarah Graves,2006-10-31 Jacobia Jake Tiptree took the dangerous plunge from Wall Street power broker to homeowner Now the do it yourself enthusiast is about to discover that her own dream house is built on a foundation of murder Buying a beachfront fixer upper to lease out to Eastport Maine s burgeoning tourist crowd seems like a good idea to Jake Tiptree and her best friend Ellie White But working double time as landladies to a coven of wannabe witches isn t what they had in mind And it only gets worse when Jake is called out one stormy night to make a repair and stumbles on a dead body in the utility shed A small time thief and street preacher with a particularly violent message the deceased was no favorite of Jake s nor of anyone else in Eastport But what s he doing shot to death on Jake s property Jake s bewitching tenants including an ex cop a con man and a mute teenage girl claim to have been too busy conjuring spells to have heard or seen a thing Then a member of the coven disappears without a trace and Jake doesn t think it s a case of witchcraft but a

kidnapping or worse Scandal secrets and a mysterious box buried deep in the foundation of her own home are just the beginning of a mystery that threatens to bring Jake s house and life crashing down Now she and Ellie are racing to find a missing girl who may be the key to it all or lead them to a killer holding the final nails to their coffins Praise for the Home Repair Is Homicide Mysteries of Sarah Graves Anyone who can mix slaughter and screwdrivers is a genius Plus anyone who has bought a home that needs even a new toilet seat is probably consumed with murderous thoughts Boston Herald Like the old Victorian homes she describes Graves stories seem to grow better with the passing of time Readers who enjoy solving mysteries and fixing up older homes will appreciate Jake s do it yourself expertise in both areas Booklist A sleuth as tough as the nails she drives into the walls of her 1823 Federal home enhances a clever plot which comes to an unexpected and explosive conclusion Many will relish the vividly described Down East setting but for anyone who s ever enjoyed making a home repair it s the accurate details of the restoration of Jake s old house that will appeal Publishers Weekly Think Diane Mott Davidson with a tool belt instead of recipes Denver Post

Advice on buying and selling Goldmine Grading Guide the industry standard **Wicked Fix** Sarah Graves,2009-09-09 Do it yourself killer fixes small town thug For ex Wall Streeter Jacobia Tiptree and her teenaged son Sam September promises tranquil days winter proofing their rambling handyman s special of a home in Eastport Maine But there s nothing idyllic about this Down East autumn For starters the return of truly vicious native son Reuben Tate stirs up the town And when somebody slits Reuben s throat and hangs his corpse on the cemetery gate the police trace a bloodied scalpel to surgeon Victor Tiptree Jacobia s former husband Yet Jake knows her troublesome trouble prone ex is capable of just about anything except murder Proving that though is another matter Eastport is packed with tourists and former residents for the annual Salmon Festival and Jake soon realizes any Eastporter past or present has motive for Tate s murder To nail the real killer Jake and her best friend Ellie White must probe a past as rotten as crumbling clapboard while a secret hatred builds toward a series of murders even more brutal than Reuben Tate himself **Lippincott's Magazine** ,1915 **Repair to Her Grave** Sarah Graves,2008-12-10 Home repair can be murder Jacobia Tiptree and her teenage son are used to their Eastport Maine home attracting more than its share of houseguests This year Jake is hoping the plaster dust will keep them away while she finally gets her gem of a fixer upper into shape from doorknobs and chandeliers to leaky pipes to ghostly phenomena But when the charming and mysterious Jonathan Raines appears on her doorstep and then just as suddenly disappears remodeling the house becomes the least of Jake s problems Could Jonathan s disappearance have something to do with his quest for a cursed violin the one that local legend says was hidden by a long ago owner of Jake s house before he too vanished without a trace Soon Jonathan s grief stricken girlfriend arrives downeast and Jake needs to strip Eastport s past of its idyllic veneer before a killer paints her very dead indeed *Mystery Women, Volume Three (Revised)* Colleen Barnett,2010-12-31 Like other fictional characters female sleuths may live in the past or the future They may represent current times with some level of reality or shape their settings to suit an agenda There are audiences for both realism and escapism in the mystery novel It is interesting however to compare the fictional world of the mystery sleuth with the world in which readers live Of course mystery readers do not share one simplistic world They live in urban suburban and rural areas as do the female heroines in the books they read They may choose a book because it has a familiar background or because it takes them to places they long to visit Readers may be rich or poor young or old conservative or liberal So are the heroines What incredible choices there are today in mystery series This three volume encyclopedia of women characters in the mystery novel is like a gigantic menu Like a menu the descriptions of the items that are provided are subjective Volume 3 of *Mystery Women* as currently updated adds an additional 42 sleuths to the 500 plus who were covered in the initial Volume 3 These are more recently discovered sleuths who were introduced during the period from January 1 1990 to December 31 1999 This more than doubles the number of sleuths introduced in the 1980s 298 of whom were covered in Volume 2 and easily exceeded the 347 series and some outstanding individuals described in Volume 1 which covered a 130 year period

from 1860 1979 It also includes updates on those individuals covered in the first edition changes in status short reviews of books published since the first edition through December 31 2008 Triple Witch Sarah Graves,2009-09-16 Jacobia Tiptree saved her sanity and her son Sam the day she abandoned Wall Street for the seacoast village of Eastport Maine In her new home a charmingly dilapidated fixer upper she looks forward to repairing old radiators and restoring antique shutter for years to come But Jake s hopes of serenity are dashed when tiny Eastport erupts in a crime wave Hometown bad boy Kenny Mumford old flame of Jake s best fiend and fellow sleuth Ellie White is the first victim When his corpse washes up on the beach at Prince s Cove all evidence points to a drowning except the bullet hole in his forehead When bodies begin littering the Maine scenery Jake and Ellie learn that the ante on Kenny s small town antics has been upped Add a pair of unwelcome arrivals Jake s ex husband and an unscrupulous New York ex money mogul and you ve got a blueprint for more deadly danger than one house can hold **When Rooks Speak of Love** Hilary Dixon,2009-10 **Legendary Locals of Asbury Park** Tom Cheseck,2015-05-11 It is a pious paradise wrested from the dunes a salty carnival of dreamers drifters and just plain folks a city made legendary by Bruce Springsteen and Stephen Crane but grounded in generations of turbulent American reality Even those who never lived there feel proprietary about Asbury Park a place of shared experiences and strong passions where grand sandcastle plans wash up against changing times and tides **Legendary Locals of Asbury Park** captures a parade of personalities from the visionaries who challenged nature to the true believers who sought against tremendous odds to make a year round life in this city of summers The shopkeepers and show people the advocates on the front lines of social change and the chroniclers who witnessed history are all among those who helped a small town cast a giant profile here and on the big boardwalk beyond The Girls She Left Behind Sarah Graves,2016-01-12 Sure to thrill readers of Jenny Milchman Linda Castillo and Lisa Gardner The Girls She Left Behind marks the return of ex Boston homicide detective Lizzie Snow the new sheriff s deputy in Maine s Great North Woods For Lizzie Snow the ice and snow of her first punishing North Woods winter are dreadful enough But near the small town of Bearkill a stubborn forest fire now rages out of control and as embers swirl dangerously in the smoke filled air a teenage girl with a history of running away has dropped out of sight again The locals and the law both think Tara Wylie is up to her old tricks until her mother receives a terrifying text message Equally disturbing Henry Gernerle a kidnapper and rapist who once held three girls prisoner for fifteen years has escaped and may be lurking in Bearkill As the fire closes in Lizzie teams up with her boss Sheriff Cody Chevrier and state cop Dylan Hudson to search for the missing girl and the wily fugitive But they re blocked by Tara s mother a frustrating teller of needless lies and keeper of dark incomprehensible secrets Following a trail of grisly clues a bloodstained motel room a makeshift coffin in a shallow grave Lizzie is drawn ever closer to the flames in her race to save an innocent and corner a monster Someone else also wants to find Tara Wylie and Henry Gernerle though for reasons that have nothing to do with mercy or justice And when they all meet the inferno threatening Bearkill will pale in comparison to the hell that s about to

break loose Praise for *The Girls She Left Behind* Sarah Graves writes at full strength when she's focused on this economically depressed region once the hub of a thriving lumber industry but now mostly the domain of meth cooks unhappy teenagers and scores of volunteer firefighters battling tenacious blazes in the surrounding forest A rugged landscape with its down to earth characters Marilyn Stasio *The New York Times* Graves is firing on all cylinders Lizzie Snow is a dynamic protagonist just the right blend of capable and flawed The fictional town of Bearkill is definitely coming into its own the richness of the backdrop seems destined only to increase And Graves has spent years demonstrating an ability to construct textured nuanced mysteries Put it all together and *The Girls She Left Behind* is another worthwhile entry in this series *The Maine Edge*
