## **North Country A Personal Journey Through The Borderland:**

**North Country** Howard Frank Mosher, 1998-06-08 In celebration of his first half century of life Mosher set off on a journey following America's northern border from coast to coast to discover a harsh and beautiful region populated by some of the continent's most self-sufficient independent minded men and women

**North Country** Howard Frank Mosher, 2014-07-29 A richly observant memoir of a coast to coast journey along the US Canada border An armchair traveler's delight Kirkus Reviews Part travelogue part memoir part meditation part exploration North Country is an account of a trip along the northern border of the United States in search of the country's last unspoiled frontiers The Boston Sunday Globe In this vast sparsely settled territory Howard Frank Mosher found both a harsh and beautiful landscape and some of the continent's most independent men and women Here he brings this remote area to vivid life in a book bright with anecdote and history and lore and most importantly with affection for his human subjects Richard Ford Pulitzer Prize winning author of Independence Day A classic road book You could with confidence place this book on the shelf next to such American classics as John Steinbeck's Travels with Charley and Jonathan Raban's Old Glory Detroit Free Press What Mosher's northern journey is really about is our society's loss of Eden the garden we were promised when we came here The garden we've turned into pulp fiction and rocket ranges The very fact that this brave book can stir up so many thoughts about the predicaments of civilization is surely an indication that it is well worth reading Ottawa Citizen
