North Ireland Quest For British Politics:

Turpin and Tomkins' British Government and the Constitution Alison L. Young, 2021-04-01 A lot has happened to the UK Constitution in the last seven years We've witnessed the UK's exit from the EU further devolution to Scotland and Wales a number of prominent cases by the Supreme Court two early parliamentary general elections major governmental defeats and two Prime Ministerial resignations Alison Young has built on the text of Colin Turpin and Adam Tomkins earlier edition keeping their unique historical and contextual approach whilst bringing the material up to date with more contemporary examples including references to Brexit the recent prorogation and Brexit case law and the Covid 19 pandemic The book continues to include substantial extracts from parliamentary and other political sources as well as from legislation and case law It also provides a full yet accessible account of the British constitution at the culmination of a series of dramatic events on the threshold of possible further constitutional reform

Ulster Unionism and the Peace Process in Northern Ireland C. Farrington, 2015-12-04 The politics of Ulster Unionism is central to the success or failure of any political settlement in Northern Ireland This book examines the relationship between Ulster Unionism and the peace process in reference to these questions

British Politics since the War Bill Coxall, Lynton Robins, 1997-10-29 The election of New Labour in 1997 closes a long chapter in British political history At this moment of dramatic change this book combines an incisive thematic discussion of all the key policy areas with succinct overviews of British governments since 1945 the rise and fall of consensus politics and ideological perspectives on recent British history Extensive use has been made of illustrative material including photographs cartoons graphs tables and exhibits Written by the authors of the best selling Contemporary British Politics

Sunningdale, the Ulster Workers' Council strike and the struggle for democracy in Northern Ireland David McCann, Cillian McGrattan, 2017-03-03 The Sunningdale experiment of 1973-4 witnessed the first attempt to establish peace in Northern Ireland through power sharing However its provisions particularly the cross border Council of Ireland proved to be a step too far The experiment floundered amid ongoing paramilitary led violence finally collapsing in May 1974 as a result of the Ulster Workers Council strike Drawing on new scholarship from some of the top political historians working on the period this book presents a series of reflections on how key protagonists struggled with notions of power sharing and the Irish dimension and how those struggles inhibited a deepening of democracy and the ending of violence for so long

A Failed Political Entity Stephen Kelly, 2016-10-10 Charles Haughey maintained one of the most controversial and brilliant careers in the history of Irish politics but for every stage in his mounting success there was one issue that complicated and almost devastated his ambitions to lead Irish politics Northern Ireland In A Failed Political Entity Stephen Kelly uncovers the complex motives that underlie Haughey's fervent attitude towards the political and sectarian violence that was raging across the border Early in Haughey's governmental career he took a hard line against the IRA leading many to think he was antipathetic towards the situation in Northern Ireland Then in one of the most defining scandals in the history of modern

Ireland The Arms Crisis of 1970 he was accused of attempting to supply northern nationalists with guns and ammunitions Whilst his role in this murky affair almost ended his political career the question of Northern Ireland was ever binding and would deftly serve to bring Haughey back to power as taoiseach in 1979 Through recent access to an astonishing array of classified documents and extensive interviews Stephen Kelly confronts every controversy examining the genesis of Haughey's attitude to Northern Ireland allegations that Haughey played a key part in the formation of the Provisional IRA the Haughey Thatcher relationship and Haughey's leading hand in the early stages of the fledgling Northern Ireland peace process

Northern Ireland Politics Arthur Aughey, Duncan Morrow, 2014-06-17 Hopes for a peaceful settlement in Northern Ireland have again put the politics of the province under the spotlight This new text written by acknowledged experts on Northern Ireland provides an immediately accessible introduction to the multi faceted nature of the politics of the region The Brexit Challenge for Ireland and the United Kingdom Oran Doyle, Aileen McHarg, Jo Murkens, 2021-08-26 Evaluates the pressures both institutional and territorial that Brexit exerts on both the United Kingdom and Irish constitutional orders

British Government and the Constitution Colin Turpin, Adam Tomkins, 2011-09-01 Like the immensely successful previous edition of this highly respected work this new edition has been jointly prepared and thorough updated by Colin Turpin and Adam Tomkins It takes fully into account constitutional developments under the coalition government and examines the most recent case law of the Supreme Court the European Court of Justice and the European Court of Human Rights While it includes extensive material and commentary on contemporary constitutional practice the book covers the historical traditions and the continuity of the British constitution as well as the current tide of change Designed principally for law students the book includes substantial extracts from parliamentary and other political sources as well as from legislation and case law making it ideal for politics and government students With its fresh design it provides a full yet accessible account of the British constitution at a fascinating moment in its ongoing development *Negotiating a Settlement in Northern Ireland, 1969-2019* John Coakley, Jennifer Todd, 2020-01-09 The Good Friday Agreement of 1998 ended a protracted violent conflict in Northern Ireland and became an international reference point for peace building *Negotiating a Settlement in Northern Ireland 1969 2019* traces the roots and out workings of the Agreement focussing on the British and Irish governments their changing policy paradigms and their extended negotiations from the Sunningdale conference of 1973 to the St Andrews Agreement of 2006 It identifies three dimensions of change that paved the way for agreement in the evolution of elite understanding of sovereignty in the development of wide ranging and complex modes of power sharing and in the interrelated emergence of substantial equality in the socio economic cultural and political domains The book combines wide ranging analysis with unparalleled use of witness seminars and interviews where the most senior British and Irish politicians civil servants and advisors discuss the process of coming to agreement In tracing the processes by which British and Irish perspectives converged to address the Northern Ireland conflict the book provides a benchmark

against which the ongoing impact of Brexit on the Good Friday Agreement can be assessed The Politics of Northern Ireland Arthur Aughey, 2005-01-27 In this book one of the leading authorities on contemporary Northern Ireland politics provides an original sophisticated and innovative examination of the post Belfast agreement political landscape Written in a fluid witty and accessible style this book explores how the Belfast Agreement has changed the politics of Northern Ireland whether the peace process is still valid the problems caused by the language of politics in Northern Ireland the conditions necessary to secure political stability the inability of unionists and republicans to share the same political discourse the insights that political theory can offer to Northern Irish politics the future of key political parties and institutions

Mastering British politics F.N. Forman, 2016-08-16 Providing an introduction to British politics this book aims to facilitate a better understanding of the political system It covers the history the constitutional framework the traditions and culture and the structure and procedures of the democratic process of government in Britain *The Northern Ireland peace process* Eamonn O'Kane, 2021-08-03 This book offers a re evaluation of the emergence development and outcome of the peace process in Northern Ireland Drawing on interviews with many of the key participants of the peace process newly released archival material and the existing scholarship on the conflict it explains the decisions that shaped the peace process in their proper context O Kane argues that although the outcome of the process can be seen as a success it is not the outcome that was originally expected or intended by most of its participants By tracing the process and highlighting the pragmatic decisions of the parties that shaped it the work explains how Northern Ireland moved from conflict to peace The book concludes by examining what the implications of Brexit are for Northern Ireland's hard won peace and political stability

Britain's Long War P. Neumann, 2003-11-04 Britain's Long War assesses the process of strategic change within the British Government's position on Northern Ireland starting with Westminster's first intervention in 1969 and ending with the Belfast Agreement in 1998 Drawing on a vast range of primary sources including recently released cabinet papers Peter Neumann analyzes the aims strategy and restraints of British policy in Northern Ireland **Devolution and British**

Politics Michael O'Neill, 2014-05-22 Devolution has transformed the British Polity in the last decade Taking this profound change as its theme Devolution and British Politics is an up to date comprehensive and effective review of the origins and development of the devolution process Devolution in British Politics offers a de centralised assessment of British politics and encourages critical thinking regarding contemporary political theory The Political Commissioner Frédéric Mérand, 2021-06-15 Based on four years of embedded observation in the cabinet of a European Commissioner this book develops a sociology of international political work Empirically it offers an insider's chronicle of the European Union between 2015 and 2019 The analysis traces the successes and failures of Commissioner Pierre Moscovici and his team on five issues

that defined European politics between 2015 and 2019 the Greek crisis budgetary disputes with Spain and Portugal the rise of populism in Italy the reform of the eurozone and the fight against tax evasion The aim is not to ascertain whether the Commission's policy was good or bad but to understand how political work is done in a European Union where the spectacle of power is blurred by 24 official languages 28 national histories a powerful technocracy and sometimes opaque institutions As a life long socialist politician and former French finance minister Pierre Moscovici was perhaps the most intensely political character in Jean Claude Juncker's self styled Political Commission Brandishing his leftist identity rejecting technocratic talk he surrounded himself with staffers sharing his ambition but also critical of his actions Shadowing them from the corridors of the Berlaymont the seat of the European Commission to Washington and Athens The Political Commissioner throws light on the partisan struggles that shaped the Juncker Commission tensions with the Eurogroup and the Parliament and recurring conflicts with the Member States It also shows how political staffers operate informally and in their interaction with the media and civil servants as they craft and sell public policies to the public In this ethnographic narrative French politics is never far away Decoding the European policy of a French Socialist Commissioner first under François Hollande and then Emmanuel Macron the book investigates the dynamics that sometimes bring Brussels and Paris together sometimes set them apart Transformations in Governance is a major academic book series from Oxford University Press It is designed to accommodate the impressive growth of research in comparative politics international relations public policy federalism and environmental and urban studies concerned with the dispersion of authority from central states to supranational institutions subnational governments and public private networks It brings together work that advances our understanding of the organization causes and consequences of multilevel and complex governance The series is selective containing annually a small number of books of exceptionally high quality by leading and emerging scholars The series is edited by Liesbet Hooghe and Gary Marks of the University of North Carolina Chapel Hill and Walter Mattli of the University of Oxford

The Politics of Memoir and the Northern Ireland Conflict Stephen Hopkins, 2013

This book examines memoir writing by many of the key political actors in the Northern Irish Troubles 1969-1998 and argues that memoir has been a neglected dimension of the study of the legacies of the violent conflict It investigates these sources in the context of ongoing disputes over how to interpret Northern Ireland's recent past A careful reading of these memoirs can provide insights into the lived experience and retrospective judgments of some of the main protagonists of the conflict The period of relative peace rests upon an uneasy calm in Northern Ireland Many people continue to inhabit contested ideological territories and in their strategies for shaping the narrative telling of the conflict key individuals within the Protestant Unionist and Catholic Irish Nationalist communities can appear locked into exclusive and self justifying discourses In such circumstances while some memoirists have been genuinely self critical many others have utilised a post conflict language of
