Martin Petersen

North Korean Revolution 1945 1950 The:

The North Korean Revolution, 1945-1950 Charles K. Armstrong, 2004-02-19 Armstrong examines the genesis of the Democratic People's Republic of Korea DPRK both as an important yet rarely studied example of a communist state and as part of modern Korean history *Everyday Life in the North Korean Revolution, 1945-1950* Suzy Kim, 2013-08-09 During the founding of North Korea competing visions of an ideal modern state proliferated Independence and democracy were touted by all but plans for the future of North Korea differed in their ideas about how everyday life should be organized Daily life came under scrutiny as the primary arena for social change in public and private life In *Everyday Life in the North Korean Revolution 1945 1950* Kim examines the revolutionary events that shaped people's lives in the development of the Democratic People's Republic of Korea By shifting the historical focus from the state and the Great Leader to how villagers experienced social revolution Kim offers new insights into why North Korea insists on setting its own course Kim's innovative use of documents seized by U S military forces during the Korean War and now stored in the National Archives personnel files autobiographies minutes of organizational meetings educational materials women's magazines and court documents together with oral histories allows her to present the first social history of North Korea during its formative years In an account that makes clear the leading role of women in these efforts Kim examines how villagers experienced understood and later remembered such events as the first land reform and modern elections in Korea's history as well as practices in literacy schools communal halls mass organizations and study sessions that transformed daily routine The North Korean Revolution, 1945-1950 Charles K. Armstrong, 2003 **Politics of Empowerment** Suzy Kim, 2005 *Everyday Life in the North Korean Revolution, 1945-1950* Suzy Kim, 2013-08-07 During the founding of North Korea competing visions of an ideal modern state proliferated Independence and democracy were touted by all but plans for the future of North Korea differed in their ideas about how everyday life should be organized Daily life came under scrutiny as the primary arena for social change in public and private life In *Everyday Life in the North Korean Revolution 1945 1950* Kim examines the revolutionary events that shaped people's lives in the development of the Democratic People's Republic of Korea By shifting the historical focus from the state and the Great Leader to how villagers experienced social revolution Kim offers new insights into why North Korea insists on setting its own course Kim's innovative use of documents seized by U S military forces during the Korean War and now stored in the National Archives personnel files autobiographies minutes of organizational meetings educational materials women's magazines and court documents together with oral histories allows her to present the first social history of North Korea during its formative years In an account that makes clear the leading role of women in these efforts Kim examines how villagers experienced understood and later remembered such events as the first land reform and modern elections in Korea's history as well as practices in literacy schools communal halls mass organizations and study sessions that transformed daily routine **North Korea's Mundane Revolution** Andre Schmid, 2024-01-30 When the crucial years after

the Korean War are remembered today histories about North Korea largely recount a grand epic of revolution centering on the ascent of Kim Il Sung to absolute power Often overshadowed in this storyline however are the myriad ways the Korean population participated in party state projects to rebuild their lives and country after the devastation of the war North Korea's Mundane Revolution traces the origins of the country's long term durability in the questions that Korean women and men raised about the modern individual housing family life and consumption Using a wide range of overlooked sources Andre Schmid examines the formation of a gendered socialist lifestyle in North Korea by focusing on the localized processes of socioeconomic and cultural change This style of New Living replaced radical definitions of gender and class revolution with the politics of individual self reform and cultural elevation leading to a depoliticization of the country's political culture in the very years that Kim Il Sung rose to power *The War for Korea, 1945-1950* Allan Reed Millett, 2005 When the major powers sent troops to the Korean peninsula in June of 1950 it supposedly marked the start of one of the last century's bloodiest conflicts In volume 1 Allan Millett however reveals that the Korean War actually began with partisan clashes two years earlier and had roots in the political history of Korea under Japanese rule 1910-1945 In volume 2 he shifts his focus to the twelve month period from North Korea's invasion of South Korea on June 25 1950 through the end of June 1951 the most active phase of the internationalized Korean War **Origins of the North Korean Garrison State** Youngjun Kim, 2017-08-09 This book investigates the origins of the North Korean garrison state by examining the development of the Korean People's Army and the legacies of the Korean War Despite its significance there are very few books on the Korean People's Army with North Korean primary sources being difficult to access This book however draws on North Korean documents and North Korean veterans testimonies and demonstrates how the Korean People's Army and the Korean War shaped North Korea into a closed militarized and xenophobic garrison state and made North Korea seek Juche Self Reliance ideology and weapons of mass destruction This book maintains that the youth and lower classes in North Korea considered the Korean People's Army as a positive opportunity for upward social mobility As a result the North Korean regime secured its legitimacy by establishing a new class of social elites wherein they offered career advancements for persons who had little standing and few opportunities under the preceding Japanese dominated regime These new elites from poor working and peasant families became the core supporters of the North Korean regime today In addition this book argues that in the aftermath of the Korean War a culture of victimization was established among North Koreans which allowed Kim Il Sung to use this culture of fear to build and maintain the garrison state Thus this work illustrates how the North Korean regime has garnered popular support for the continuation of a militarized state despite the great hardships the people are suffering This book will be of much interest to students of North Korea the Korean War Asian politics Cold War Studies military and strategic studies and international history **Brothers at War: The Unending Conflict in Korea** Sheila Miyoshi Jager, 2013-07 A comprehensive history of the Korean War that explains how it started and why it still has not technically

ended and describes how North Korea continues to stockpile weapons while its people go without the basic necessities of life

Historical Dictionary of Democratic People's Republic of Korea James E. Hoare, 2019-09-04 As Kim Jong Un approaches the seventh anniversary of his coming to power he has pushed the military back The modified Constitution adopted in 2016 saw the demotion of the National Defense Council in favor of a new State Affairs Council which was a more party and government dominated body He has put his own men and women into positions of authority Sanctions are an irritant yet are already weakening as a result of first ever meeting between a DPRK leader and a U S president took place in June of Singapore as well as a string of North South meetings covered issues such as family reunions and railway and road connections Military talks also led to the demilitarization of Panmunjom Since then Japan wants to talk and even the Pope may visit This second edition of Historical Dictionary of Democratic People's Republic of Korea contains a chronology an introduction and an extensive bibliography The dictionary section has over 400 cross referenced entries on important personalities politics economy foreign relations religion and culture This book is an excellent resource for students researchers and anyone wanting to know more about Democratic People's Republic of Korea

Defense Planning and Readiness of North Korea Ryo Hinata-Yamaguchi, 2021-04-26 How has North Korea developed and managed its military readiness to achieve its strategic ends Hinata Yamaguchi analyzes North Korea's defense planning by looking at how political economic and societal factors affect the Korean People's Army's KPA readiness and strategies He answers four key questions How have the internal and external factors shaped North Korea's security strategy How do the political economic societal and environmental factors impact North Korea's defense planning What are North Korea's defense planning dilemmas and how do they impact the KPA's readiness What are the key implications for regional security and the strategies against North Korea This analysis drawing on various Korean English Japanese and Chinese sources on North Korea and military affairs will be of great value to strategists and policy analysts as well as scholars of East Asian security issues

The Bloomsbury Handbook of North Korean Cinema Travis Workman, Dong Hoon Kim, Immanuel Kim, 2025-01-23 This first handbook on North Korean cinema contests the assumption that North Korean film is unwatchable in terms of both quality and accessibility refusing to reduce North Korean cinema to political propaganda and focusing on its aesthetic forms and cultural meanings Since its founding in 1948 the Democratic People's Republic of Korea North Korea has played diverse roles a Cold War communist threat to the US the other half of a divided nation to South Korea an ally to the Soviet Union and China one model for anti colonialism to national liberation movements an exotic political and cultural anomaly in the era of globalization This handbook provides a solid and diverse foundation for the expanding scholarship on North Korean cinema It is also a road map for connecting this field to broader issues in film and media studies film history affect and ideology genre and transnational cinema cultures By connecting the worlds of North Korean cinema to broader questions in global cinema studies this book explores the complexity of a national cinema too often reduced to a single image

North Korea and the

Geopolitics of Development Kevin Gray, Jong-Woon Lee, 2021-04-15 Gray and Lee focus on three geopolitical moments that have been crucial to the shaping of the North Korean system colonialism the Cold War and the rise of China to examine how the emergence and subsequent development of the North Korean political economy was fundamentally shaped by broader processes of geopolitical contestation Change and Continuity in North Korean Politics Adam Cathcart, Robert Winstanley-Chesters, Christopher K. Green, 2016-11-03 In the years since the death of Kim Jong il and the formal acknowledgement of Kim Jong un as head of state the North Korean regime has made a series of moves to further augment and consolidate the ideological foundations of Kimism and cement the young leader s legitimacy Historical narratives have played a critical if often unnoticed role in this process This book seeks to chronicle these historical changes and continuities Continuity and Change in North Korean Politics explores the stable and shifting political cultural and economic landscapes of North Korea in the era of Kim Jong un The contributors deploy a variety of methodologies of analysis focused on the content narratives and discourses of politics under Kim Jong un tracing its historical roots and contemporary practical and conceptual manifestations Moving beyond most analyses of North Korea s political and institutional ideologies the book explores uncharted spaces of social and cultural relations including children s literature fisheries grassland reclamation commemorative culture and gender By examining critical moments of change and continuity in the country s past it builds a holistic analysis of national politics as it is currently deployed and experienced Demonstrating how historical political and cultural narratives continue to be adapted to suit new and challenging circumstances this book will be of interest to students and scholars of Korean Studies Korean Politics and Asian Studies *The Red Flag* David Priestland, 2016-05-03 The best and the most accessible one volume history of communism now available A far reaching vividly written account Foreign Affairs In The Red Flag Oxford professor David Priestland tells the epic story of a movement that has taken root in dozens of countries across two hundred years from its birth after the French Revolution to its ideological maturity in nineteenth century Germany to its rise to dominance and subsequent fall in the twentieth century Beginning with the first modern Communists in the age of Robespierre Priestland examines the motives of thinkers and leaders including Marx Engels Lenin Stalin Castro Che Guevara Mao Ho Chi Minh Gorbachev and many others Priestland also shows how Communism in all its varieties appealed to different societies for different reasons in some as a response to inequalities and in others more out of a desire to catch up with the West But paradoxically while destroying one web of inequality Communist leaders were simultaneously weaving another It was this dynamic together with widespread economic failure and an escalating loss of faith in the system that ultimately destroyed Soviet Communism itself At a time when global capitalism is in crisis and powerful new political forces have arisen to confront Western democracy The Red Flag is essential reading if we are to apply the lessons of the past to navigating the future Detailed and scholarly but written in lively prose this is a rich satisfying account of the most successful utopian political movement in history Publishers Weekly starred review The Liberal Defence of Murder

Richard Seymour, 2014-04-15 A war that has killed more than a million Iraqis was a humanitarian intervention the US army is a force for liberation and the main threat to world peace is posed by Islam These are the arguments of a host of liberal commentators including such notable names as Christopher Hitchens Kanan Makiya Michael Ignatieff Paul Berman and Bernard Henri Lvy In this critical intervention Richard Seymour unearths the history of liberal justifications for empire showing how savage policies of conquest including genocide and slavery have been retailed as charitable missions From the Cold War to the War on Terror Seymour argues that colonialist notions of civilization and progress still shape liberal pro war discourse concealing the same bloody realities In a new afterword Seymour revisits the debates on liberal imperialism in the era of Obama and in the light of the Afghan and Iraqi debacles The Interrogation Rooms of the Korean War Monica Kim, 2019 Traditional histories of the Korean War have long focused on violations of the thirty eighth parallel the line drawn by American and Soviet officials in 1945 dividing the Korean peninsula But *The interrogation rooms of the Korean War* presents an entirely new narrative shifting the perspective from the boundaries of the battlefield to inside the interrogation room Upending conventional notions of what we think of as geographies of military conflict Monica Kim demonstrates how the Korean War evolved from a fight over territory to one over human interiority and the individual human subject forging the template for the U S wars of intervention that would predominate during the latter half of the twentieth century and beyond Kim looks at how during the armistice negotiations the United States and their allies proposed a new kind of interrogation room one in which POWs could exercise their free will and choose which country they would go to after the ceasefire The global controversy that erupted exposed how interrogation rooms had become a flashpoint for the struggles between the ambitions of empire and the demands for decolonization as the aim of interrogation was to produce subjects who attested to a nation s right to govern The complex web of interrogators and prisoners Japanese American interrogators Indian military personnel Korean POWs and interrogators and American POWs that Kim uncovers contradicts the simple story in U S popular memory of brainwashing during the Korean War *Gender in Modern East Asia* Barbara Molony, Janet Theiss, Hyaeweol Choi, 2016-03-29 This comprehensive text covers the history of women and gender in Japan Korea and China in the early modern and modern eras by examining the dynamic histories of sexuality gender ideology discourse and legal construction marriage and the family and the gendering of work society and power The authors take the unique approach of locating gender history within a society s national history as well as describing its role in an integrated history of East Asia In addition this book examines the global context of historical changes in these countries and highlights cross cultural themes that transcend national boundaries For example themes or concepts such as writing the body feminism immigration and diasporas and Confucianism are part of an integrated history The authors capture the flow of ideas people materials and texts throughout these three countries in an easily accessible way for students **North Korean Graphic Novels** Martin Petersen, 2018-08-06 Graphic novels *kurimchaek* are a major art form in North Korea produced by agents of

the regime to set out its vision in a range of important areas This book provides an analysis of North Korean graphic novels discussing the ideals they promote and the tensions within those ideals and examining the reception of graphic novels in North Korea and by North Korean refugees in South Korea Particular themes considered include the ideal family and how the regime promotes this patriotism and its conflict with class identities and the portrayal of the Korean War The Fatherland Liberation War as it is known in North Korea and the subsequent continuing stand off Overall the book demonstrates the importance of graphic novels in North Korea as a tool for bringing up children and for promoting North Korean ideals In addition however the book also shows that although the regime sees the imaginative power of graphic novels as a necessity for effective communication graphic novels are also viewed with caution in that they exist in everyday social life in ways that the regime may be aware of and seeks to control but cannot dominate completely

Kim Jong-un's Strategy for Survival

David W. Shin, 2020-11-09 In Kim Jong un s Strategy for Survival David W Shin contends that Kim Jong un s consolidation of power at home and the leveraging of Beijing Moscow Seoul and Washington and others abroad show that he is not a madman and like the two earlier Kims has consistently been underestimated Shin presents an alternative framework for Kim Jong un s behavior through his analysis of Kim s background and his development as the successor to his father Kim Jong il the evolution of the totalitarian system Kim inherited from his grandfather Kim Il sung and the security environment after Kim Jong il s death in 2011 This book is recommended for scholars and students of political science Asian studies international relations and history

North Korean Revolution 1945 1950 The Introduction

In the digital age, access to information has become easier than ever before. The ability to download North Korean Revolution 1945 1950 The has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download North Korean Revolution 1945 1950 The has opened up a world of possibilities. Downloading North Korean Revolution 1945 1950 The provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading North Korean Revolution 1945 1950 The has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download North Korean Revolution 1945 1950 The. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading North Korean Revolution 1945 1950 The. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading North Korean Revolution 1945 1950 The, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from.

In conclusion, the ability to download North Korean Revolution 1945 1950 The has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About North Korean Revolution 1945 1950 The Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. North Korean Revolution 1945 1950 The is one of the best book in our library for free trial. We provide copy of North Korean Revolution 1945 1950 The in digital format, so the resources that you find are reliable. There are also many Ebooks of related with North Korean Revolution 1945 1950 The. Where to download North Korean Revolution 1945 1950 The online for free? Are you looking for North Korean Revolution 1945 1950 The PDF? This is definitely going to save you time and cash in something you should think about.
