North York Moors & Yorkshire Wolds (Slow Travel) Mike Bagshaw, 2023-01-18 Yorkshire resident outdoors enthusiast and travel writer Mike

Bagshaw has thoroughly updated this new third edition of Bradt's North York Moors Yorkshire Wolds part of Bradt's award winning series of Slow travel series of guides to UK regions. It remains the only standalone guide to this region of contrasts. Walkers, cyclists, wildlife lovers, families, foodies, and culture vultures will find everything they need to plan and enjoy time here. From magnificent cliffs and beaches along Yorkshire's Heritage Coast and rolling hills in the North York Moors, one of the original nine National Parks of England and Wales, to the Wolds' tranquil chalk grasslands, this region offers remarkable variety. Nestled at its heart is York, probably Britain's best preserved medieval city, with its stunning Minster, northern Europe's largest Gothic cathedral. The region is increasingly popular for outdoors pursuits, which feature strongly in this guide. The Tour de Yorkshire cycle race has helped establish the region as a cycling Mecca. Walkers can explore along ten long distance footpaths. Sandy beaches, rocky coves, stunning woodlands, and heather clad moors make the destination ideal for families keen to immerse children in nature. Whitby has become a nationally acclaimed centre for whale and dolphin watching tours, while wildlife lovers can also delight in otters and adders, or gawp at seabird skyscrapers at Bempton Cliffs, including England's only breeding colony of gannets, Europe's largest seabird. This culturally resonant region harbours treats as diverse as steam train journeys across remote moorland, as featured in the Harry Potter and Mission Impossible films, local food and drink from seafood, meats and cheeses to independent breweries and gastropubs, the Georgian opulence of Castle Howard of Brideshead Revisited fame, the Goth Weekend festival at Whitby, where Count Dracula made landfall in Bram Stoker's novel, Britain's oldest seaside resort Scarborough, the country's tallest standing stone Rudston, and even the purported burial site of Beowulf at Boulby Cliffs. With coverage of places not featured in other guidebooks and extensive practical detail conveyed in an informative yet laidback style, plus an emphasis on car free travel, Bradt's North York Moors Yorkshire Wolds is the optimal guide to this fascinating region.
