**Northanger Abbey - Classic Book** Jane Austen, 2017-07-18 Beware how you give your heart Few people realize that Jane Austen invented the horror spoof in 1818 with her first completed novel *Northanger Abbey* The story's heroine is a Gothic novel obsessed young woman who sees intrigue and mystery everywhere Visiting Bath with her friend Mrs Allen an older but flighty irresponsible woman Catherine Morland falls in love with Henry Tilney a young clergyman Believing her to be wealthy Henry's father invites Catherine to *Northanger Abbey* the Tilney home Greatly influenced by her reading of Mrs Radcliffe's novel *Mysteries of Udolpho* Catherine sees *Nightmare Abbey* as a house of nightmarish mysteries But is it just her imagination or is there something more sinister lurking in the ancient cloisters The novel gives Austen an opportunity to satirize the Radcliffe school of Romantic mystery and to explore a favorite theme of feminine self delusion

**Northanger Abbey** Jane Austen, 2017-09-25 *Northanger Abbey* By Jane Austen 1803 *Northanger Abbey* was the first of Jane Austen's novels to be completed for publication in 1803 but it wasn't until after her death in 1817 that it was published along with her other novel *Persuasion* *Northanger Abbey* was written in 1797-98 under a different title The manuscript was revised around 1803 and sold to a London publisher Crosbie Co who sold it back in 1816 The Signet Classic text is based on the first edition published by John Murray London in 1818 the year following Miss Austen's death Spelling and punctuation have been largely brought into conformity with modern British usage THIS little work was finished in the year 1803 and intended for immediate publication It was disposed of to a bookseller it was even advertised and why the business proceeded no farther the author has never been able to learn That any bookseller should think it worth while to purchase what he did not think it worth while to publish seems extraordinary But with this neither the author nor the public have any other concern than as some observation is necessary upon those parts of the work which thirteen years have made comparatively obsolete The public are entreated to bear in mind that thirteen years have passed since it was finished many more since it was begun and that during that period places manners books and opinions have undergone considerable changes
