History of the Literature of the Scandinavian North from the Most Ancient Times to the Present Frederik Winkel Horn,1883 *History of the Literature of the Scandinavian North from the Most Ancient Times to the Present* Fr. Winkel Horn,1883 Shadow Economies in the Globalising World Anna Knutsson,2022-12-30 From West Indian sugar and bottles of Southeast Asian arrack to French red wines English felt cloth and Mediterranean lemons many global wares ended up in the Scandinavian borderlands during the late eighteenth century This book explores how and why these goods came to be there and analyses what smuggling can reveal about the emergence of global trade the formation of the nation state and the development of consumer society in Europe's northernmost outskirts This book shows that the global underground was ubiquitous in the Nordic countries and fundamentally altered them politically economically socially and culturally Through re-evaluating the role of smuggling the book complements and challenges established historical accounts about state building market dynamics consumer culture and ideas and identity It also offers a roadmap for how to think about illegal global trade and how to approach this notoriously difficult research field By integrating illegality the book aims to show how an illicit web entangled often overlooked peripheral territories with traditional portals of globalisation and proposes a novel take on early modern globalisation and the paths to modernity in the European hinterlands To achieve this a wide variety of sources are used including court records administrative sources diaries ambassadorial correspondence and maps in various languages including Swedish Finnish Norwegian English and French This book makes a significant contribution to the literature on economic history the first wave of globalisation the study of shadow economies and Scandinavian history more broadly

From Northeast Passage to Northern Sea Route ,2022-09-12 The notion of a waterway north of Eurasia conceived in the first half of the sixteenth century remained only a dream for centuries due to ice unmapped coastlines and a lack of geographical knowledge This volume is the first comprehensive scholarly account in English of the slow but steady exploration and commercial exploitation of the Siberian coastal waters and it proves that this was a truly international endeavour However in the end the Northern Sea Route as a through traverse route came to be used primarily by the Soviet Union for which it became a crucial vehicle for the geopolitical and economic integration of its vast territories As an international trade route the Northern Sea Route is only today about to win its way essentially as a result of global warming This being the case should we rejoice or despair **Overseas Liberty Resource Guide** ,1985 Bibliographic Guide to Maps and Atlases Gale Group,2001-07 **Bibliographic Guide to Government Publications 1992** George Wayne,1993-03 **Fodor's Essential Scandinavia** Fodor's Travel Guides,2020-04-14 Whether you want to explore Norway's fjords and Denmark's historic sites shop for innovative Swedish design and eat Nordic cuisine or soak in an authentic
