Northern Hearts Lori A. Paige, Bowker's Guide to Characters in Fiction 2007 ,2008-02      **In the New England Fashion** Catherine E. Kelly,1999 In the first half of the nineteenth century rural New England society underwent a radical transformation as the traditional household economy gave way to an encroaching market culture Drawing on a wide array of diaries letters and published writings by women in this society Catherine E Kelly describes their attempts to make sense of the changes in their world by elaborating values connected to rural life In her hands the narratives reveal the dramatic ways female lives were reshaped during the antebellum period and the women s own contribution to those developments Equally important she demonstrates how these writings afford a fuller understanding of the capitalist transformation of the countryside and the origins of the Northern middle class Provincial women exalted rural life for its republican simplicity while condemning that of the city for its aristocratic pretension The idyllic nature of the former was ascribed to the financial independence that the household economy had long provided those in the farming community Kelly examines how the juxtaposition of rural virtue to urban vice served as a cautionary defense against the new realities of the capitalist market society She finds that women responded to the transition to capitalism by upholding a set of values which point toward the creation of a provincial bourgeoisie      **Books In Print 2004-2005** Ed Bowker Staff,Staff Bowker, Ed,2004      New England Stationer and Printer ,1901      Brentano's Book Chat ,1918      The North American Review James Russell Lowell,Charles Eliot Norton,Henry Adams,Allen Thorndike Rice,Lloyd Stephens Bryce,George Brinton McClellan Harvey,Joseph Hilton Smyth,Robert Dana,Robley Wilson,Vicente F.
