Northern Ireland Social Work Law:

Northern Ireland Social Work Law Ciaran White, 2004-12 A unique and practical book for lawyers social workers and social work students in Northern Ireland Covering all areas of the law relating to social work practice this title advises and guides and clearly presents the vital legislative information in a clear and user friendly style Comprehensive and fully cross referenced Northern Ireland Social Work Law is an essential book for busy legal practitioners and health care professionals alike

Social Work in Northern Ireland Heenan, Deirdre, Birrell, Derek, 2011-03-23 Over the past 40 years social work in Northern Ireland has been responsive to a number of changing contexts and environments Throughout the Troubles social workers had to develop methods of ensuring services were delivered in spite of the surrounding violence and civil disturbance At the same time they developed imaginative and creative new services in response to needs and demands This book outlines the historical development of social work in Northern Ireland looking at what has been achieved and analyzing the challenges for the future It considers the role of social work in a society emerging from conflict facing demographic technological and economic changes Social work in Northern Ireland has been dismissed by policy makers and academics as unique special or different and therefore not worthy of attention This book demonstrates that international audiences have much to learn from the social work response to a changing political landscape

Social Work, Law and Ethics Jonathan Dickens, 2013 This book takes a problem based approach to explore the dilemmas that arise when the law and social work ethics conflict It highlights what the law says what ethical principles are at stake and what these imply for policy and practice helping students to develop an understanding of the issues involved

Law in Northern Ireland Brice Dickson, 2018-06-28 Law in Northern Ireland is the essential textbook for all students of Northern Ireland's legal system Changes to this new edition some of them substantial have been made to every section taking full account of five years of developments The book explores the evolution of law making in Northern Ireland before going on to explain the relevant constitutional arrangements how to identify and interpret applicable sources of law and what are the fundamental rules and principles of public law criminal law and private law highlighting where appropriate what may be unusual about them It contextualises the myriad of legal institutions operating in the jurisdiction sets out how criminal and civil proceedings work in practice and provides useful information on how people become lawyers what lawyers actually do once they become qualified and how the legal system is funded The appendices set out some sample sources of law so that readers can familiarise themselves with what is involved in handling legal documents The language throughout is accessible and there are Tables of Cases and Legislation as well as a comprehensive index

Social Work Joyce Lishman, Janine Bolger, Neil Gibson, Gary Spolander, Chris Yuill, 2023-05-11 Now in its third edition Social Work An Introduction will equip you as a future social worker with everything you need to know in your first year and beyond Split into four parts each chapter is packed with learning features to allow you to get the most out of your reading and studies This book includes Case studies and

exercises to illustrate and test your knowledge Critical thinking boxes and reflective questions to help you carefully consider and review what you have learned Recommended reading to further develop your understanding A range of tools for practice with different service user groups Guidance on relating your knowledge to different practice frameworks throughout the UK Plus free online resources to support teaching find themes for discussion SAGE journal articles case studies activities and more at <https://study.sagepub.com/lishman-et-al3e> **Practising Social Work Law** Suzy Braye, Michael

Preston-Shoot, 2017-09-16 This fully revised fourth edition of a well respected textbook seeks to build social workers confidence in legal interpretation and implementation practitioners must not only know the law they must also have a critical appreciation of its implications for human rights civil liberties and social justice With a focus on promoting knowledge and skills in recognising locating and articulating legal issues it also demonstrates how the law can be used to inform practice standards and deliver positive outcomes for service users This is essential reading for social work law modules at undergraduate and postgraduate level Practitioners and educators will also find it an invaluable resource to guide them through a complex yet vital aspect of their work **New to this Edition** Combines up to date statute case law and guidance with extended practice examples and questions for reflection [Social Work Law, Ethics & Social Policy](#) Muna

Sabbagh, Gillian Korgaonkar, 2021-12-15 Are you a social work student looking to understand how the law ethics and social policy interrelate in practice Then look no further Whether you a student or Newly Qualified Social Worker working with children and families or adults at risk of harm this practical guide will equip you with the knowledge and skills you need to fulfil your professional responsibilities and practice with confidence This book covers all the areas of law you need to know social work with children and families vulnerable adults and social issues such as welfare and homelessness Each section concludes with a discussion of how social policy and ethics relate to each area of social work law This gives real world context to what you have learnt alongside thought boxes exercises and case studies in each chapter to further encourage reflection and put theory into practice [Critical Issues in Social Work Law](#) Alison Brammer, Jane Boylan, 2016-07-13

Written by a team of leading authorities in the field this collection provides a critique of the law as it applies to social work practice and identifies key contemporary issues for social work Tackling topics such as trafficking youth justice and child protection the book is a valuable contribution to the debates in social work law *Social Work in the British Isles* Malcolm

Payne, Steven Shardlow, 2002 This ground breaking book provides invaluable insight into the diverse nature of social work practice within the British Isles The contributors explore key differences in social work s role and character and the legal systems and organisational structures in which it operates in the different regions [Using the Law in Social Work](#) Robert Johns, Jacqueline Harry, 2022-11-23 A core function of social work is to assist empower and protect the most vulnerable in society Social workers make difficult decisions in complex and challenging situations every day They work in organizations that have clear statutory duties Therefore it is essential that social work students know what their responsibilities are

Familiarity with law legislation and legal processes is consequently fundamental to sound social work practice This best selling book will help you gain this foothold in understanding law as it applies to social work practice It avoids complicated legal jargon remote from the everyday realities of practice offering instead a grounding in legally appropriate rights based social work It covers the full range of social work law including services for children and families and child protection adult care law youth justice court work professional regulation and human rights

Professional Decision Making and Risk in Social Work Brian Taylor, 2013-03-19 This book is written to help social work practitioners and students on CPD courses make professional decisions with clients from exercising statutory powers and duties to protect children from abuse to making decisions about risk This revised second edition has more of a focus on risk within social work practice as many social workers face daily pressure to make sound decisions in very difficult circumstances In this complex arena of conflicting demands and considerations from the public the client the family the organisation the professional needs a robust and yet flexible framework to inform practice decisions Featuring illustrations from practice as well as case studies and practical activities to aid learning this book provides a holistic view of decision making and risk as a core aspect of effective social work practice

Law and the Social Work Practitioner Rodger White, Keith Brown, Graeme Broadbent, 2009-07-28 This book explores the main areas of social work law including children mental health and community care By investigating the meaning of law and some of its underlying value assumptions it encourages practitioners to reflect on their actions and beliefs helping them to avoid being a mere technician and instead become a competent practitioner This new text supports busy social workers studying for Post Qualifying Awards Each chapter begins with an overview of the rationale for the teaching material provided and sets out clear learning objectives Case studies exercises and recommendations for further reading can be found throughout the book

Child Law for Social Work Jane Williams, 2008-05-18 An invaluable resource for all social workers in practice with children and families this book examines key issues such as child protection family support care planning adoption and case preparation for court With illustrative case studies throughout the text is divided into two sections Part 1 explores the legal context of social work practice with children examining how international human rights standards are absorbed within domestic law Part 2 explores the application of the law policies and systems to individual case work illustrating rights based thinking in practice Accessible to those without a background in law the book highlights links between social work standards and legal values and rules With promotion of the rights of children and families a measure of professional competence and legal obligation the book helps readers satisfy social work standards and use their knowledge of the law to improve their practice The book is vital reading for all levels of social work student including those undertaking the post qualifying award in child care as well as being an indispensable resource for practitioners working with children and families Jane Williams is a lecturer in law at the University of Swansea She specialises in social work law and children s rights Other publications include Children and Citizenship SAGE 2007 co edited

with Antonella Invernizzi *Decision Making, Assessment and Risk in Social Work* Brian J. Taylor, 2017-04-10 At a time when accountability and the avoidance of risk are increasingly demanded of social workers the ability to make clear and informed decisions is essential This book written for practicing social workers undertaking their ASYE and compulsory CPD has been designed to help professionals make sound judgments in increasingly complex contexts and under pressure The focus is on empowering front line professionals through reflective practice so that they are able to draw on multiple factors and perspectives and make sound problem solving judgements The book begins with the core concepts client focus and legal background before moving on to consider the collaborative processes and the nature of individual judgements It then considers particular dimensions of social work decision making such as safeguarding taking risks assessment and dynamic decision tools and processes It then concludes by look at the organisational context of decision management with a focus on supervision training and effective communication *The New Social Work Practice* Mark Doel, Steven Shardlow, 2019-05-23 First published in 1998 this book is a fully revised and updated edition of Social Work Practice first published in 1993 as a training manual The New Social Work Practice presents a comprehensive view of contemporary social work Whether it be general or specialist practice care and control or power and oppression these central issues and recurring themes are given a topical treatment Changes in core aspects of social work are fully explored in lively and realistic ways combining the essence of good practice with current organizational demands The aim of the original workbook remains intact to guide and stimulate learning about social work practice The book achieves this purpose by presenting various aspects of social work using different settings and contexts New and revised activities are included to promote discussion understanding learning and better practice Taken together the topics and themes in the book define the essential elements of a curriculum for social work practice *Effective Practice with Looked After Children* Robin Sen, 2018-03-30 Since the key developments that policy and research have undergone over the course of the past years meeting the specific needs of looked after children is a priority for modern social work policy and practice This comprehensive text combines an accessible overview of statutory policy and legislation with analysis of core theories and interventions to provide a guide for effective practice with children in all care settings by Covering legislation as well as research based analysis of the key interventions and practice methods in the field Meeting market needs students and practitioners struggle with the dearth of specific material on looked after children this text supports them in a core component of social work study and practice Consolidating learning through its use of reflective questions case studies exercises and research analysis This book offers an accessible overview of the care context in Britain and is essential reading for students and practitioners wishing to develop effective practice within childcare **Introducing Social Work** Jonathan Parker, 2023-04-05 Everything you need to succeed in your social work degree Written by subject experts this essential guide will introduce you to all the core areas of your course helping you develop the knowledge and skills you need to practice with confidence Since launching in 2003 Transforming Social Work Practice has become the

market leading series for social work students These books use activities and case studies to build critical thinking and reflection skills and will help social work students to develop good practice through learning These books are Affordable Written to the Professional Capabilities Framework Mapped to the social work curriculum Practical with clear links between theory and practice

Ethics and Law for Social Workers Robert Johns, 2015-11-10 How do social workers in the UK legal context act ethically What do we understand by ethics and how does social work law relate to it Social work practice in all countries incorporates a clear unstinting commitment to social justice but what is social justice Using an applied practice based and refreshingly real approach this text bridges the gap between law and ethics Each chapter opens with a case study which considers ethical dilemmas in real life practice Chapters have been designed to help students strengthen their critical reflection skills encouraging consideration of the legal and ethical dimensions of social work generally and in personal practice Topics such as care proceedings adoption community care youth justice mental capacity and accountability explore how understanding and application are equally important

Competence in Social Work Practice Kieran O'Hagan, 2007-07-15 This practical text book covers all areas of the National Occupational Standards Framework including social work ethics residential care practice child protection risk analysis and protecting adults with learning difficulties Numerous case studies effectively convey competent practice in social work practice

Social Work with Young People in Care Nigel Patrick Thomas, Karen Winter, 2024-08-01 This introduction to social work with children and young people who are looked after in care or accommodated by statutory or voluntary agencies is the only textbook on the subject which addresses this area of work across all four nations of the UK Providing a clear theoretical and ethical basis it introduces and develops a set of core themes reflective of contemporary developments including the influence of and tensions between dominant discourses that shape the social work service relationship based practice early intervention and prevention social innovation evidence based practice and outcomes the use and abuse of concepts of children's needs and best interests ideas of parenting and parental responsibility and the relationships between children families communities and the state the importance of recognising that children and young people have rights and considering their views trauma trauma informed practice transitions and resilience With chapters addressing a sequence of topics assessment and planning residential and foster care leaving care and permanence there is a specific focus on working with disabled children children from minority ethnic communities and marginalised groups of children and young people including refugees and asylum seekers LGBTQIA children and those who have been trafficked Packed full of useful pedagogical features including material on the legal and policy context summaries of research evidence notes for good practice group teaching exercises references to legislation and guidance and guides to further reading it will be core reading on any child and family care modules general preparation for practice courses Frontline Step Up as well as for all social work practitioners

Northern Ireland Social Work Law Introduction

In today's digital age, the availability of Northern Ireland Social Work Law books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Northern Ireland Social Work Law books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Northern Ireland Social Work Law books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Northern Ireland Social Work Law versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Northern Ireland Social Work Law books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Northern Ireland Social Work Law books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Northern Ireland Social Work Law books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free

access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Northern Ireland Social Work Law books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Northern Ireland Social Work Law books and manuals for download and embark on your journey of knowledge?

FAQs About Northern Ireland Social Work Law Books

1. Where can I buy Northern Ireland Social Work Law books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Northern Ireland Social Work Law book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Northern Ireland Social Work Law books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.

7. What are Northern Ireland Social Work Law audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
