# Northumberland The Political Career Of John Dudley Earl Of Warwick And Duke Of Northumberland

**David Loades**

## **Northumberland The Political Career Of John Dudley Earl Of Warwick And Duke Of Northumberland:**

**Northumberland** Barrett L. Beer,1973     *John Dudley, Duke of Northumberland, 1504-1553* D. M. Loades,1996 This book reconstructs the personal and political life of John Dudley 1504 1553 Viscount Lisle Earl of Warwick and Duke of Northumberland For three and a half years 1549 1553 as Lord President of the Council he was the leader of Edward VI s minority government His involvement in the notorious attempt to frustrate Mary s succession to the throne in favour of his daughter in law Jane Grey contributed substantially to the evil reputation which clung to him both at the time and since He is conventionally portrayed as an ambitious unscrupulous man who embraced and renounced the Reformation to suit his own purposes The fact that his father was Henry VII s detested financial agent Edmund Dudley and one of his sons the colourful Earl of Leicester has helped to confirm his unprincipled image Now his reputation is being reassessed but historians have concentrated almost entirely on his years in power the last four years of his life Drawing upon new research Professor Loades looks at John Dudley s whole career and by considering the lives of his father Edmund and his sons places him in longer historical perspective A new and important interpretation of the Tudor service nobility emerges in which John Dudley is seen not merely as an overmighty subject and kingmaker but first and foremost as a servant of the English Crown     *John Dudley* Christine Hartweg,2016-02-03 John Dudley Duke of Northumberland 1504 1553 one of the most notorious figures of Tudor England is best known as the father in law of Lady Jane Grey whom he helped to place on the English throne for nine days However he was also a courtier and diplomat a general and de facto regent as well as a patron of art and exploration and a devoted family man and in the past decades his image has undergone significant changes from villain to talented statesman The father of Queen Elizabeth s friend Robert Dudley and grandfather of the poet Philip Sidney led a colourful life at the courts of Henry VIII and Edward VI which is vividly retold in this fully documented biography A meticulously researched highly readable biography which brings John Dudley out of the shadows and into the limelight that this fascinating Tudor man deserves Claire Ridgway *The Anne Boleyn Files*     [Reader's Guide to British History](#) David Loades,2020-12-17 The Reader sGuide to British History is the essential source to secondary material on British history This resource contains over 1 000 A Z entries on the history of Britain from ancient and Roman Britain to the present day Each entry lists 6 12 of the best known books on the subject then discusses those works in an essay of 800 to 1 000 words prepared by an expert in the field The essays provide advice on the range and depth of coverage as well as the emphasis and point of view espoused in each publication     **Early Tudor Government, 1485-1558** Steven Gunn,1995-05-10 This marvellous new book sets the developments in the government of England under the early Tudors in the context of recent work on the fifteenth century and on continental Europe     **English and Irish Settlement on the River Amazon, 1550-1646** Joyce Lorimer,2018-12-07 From as early as the middle of the 16th century Englishmen were interested in the possibility of exploring the fabled resources of the great river of the Amazons During the first half of the 17th century English and Irish

projectors made persistent efforts to maintain trading factories and plantation there From at least 1612 to 1632 they inhabited settlements along the north channel of the estuary from Cabo do Norte to the Equator making very considerable profits from tobacco dyes and hardwoods The profitability of their holdings was such that when the Portuguese made the river too risky for foreign interlopers after 1630 former English and Irish planters sought to return there under licence of first the Spanish and then the Portuguese crown The Irish may actually have been permitted to do so in the mid 1640s Almost half a century has elapsed since J A Williamson and Aubrey Gwynne first published studies of these colonies New material from English Portuguese and Spanish archives has now made it possible to re evaluate their significance The Irish ventures although begun in partnership with the English can now be seen to have developed into a quite distinct initiative They are probably the earliest example of independent Irish colonial projects in the New World By the early 1620s the Irish were known for their experience of the river and their expertise in Indian languages proving far more efficient in their approach to exploiting Amazonia than the English The tenacity with which both groups the English and the Irish pursued their goal of settlement also forces us to re assess assumptions about the seemingly inevitable priority of North America for such activity in this period The Amazon undertakings were in many ways more hopeful than contemporaneous enterprises in North America They failed because their interests were sacrificed at critical junctures to the foreign policy priorities of the English crown not because the Amazon was an unsuitable environment for northern Europeans      *Tudor England* Arthur F. Kinney, David W. Swain, Eugene D. Hill, William A. Long, 2000-11-17 This is the first encyclopedia to be devoted entirely to Tudor England 700 entries by top scholars in every major field combine new modes of archival research with a detailed Tudor chronology and appendix of biographical essays Entries include Edward Alleyn actor theatre manager Roger Ascham Bible translation cloth trade Devereux fami      *The Life and Raigne of King Edward the Sixth* Sir John Hayward, 1993 In this book Barrett Beer presents a scholarly edition of Sir John Hayward s *Life and Raigne of King Edward VI* the earliest biography of the last Tudor king Originally published in 1630 and again in 1636 Hayward s account was reprinted in White Kennett s *Complete History of England* in 1706 Beer uses the printed editions and unpublished manuscripts to produce a complete text of Hayward s book In his introduction he examines the environment in which Hayward wrote and considers the influence this pioneering work has had on attitudes toward the mid Tudor period      *A Murderous Midsummer* Mark Stoye, 2022-01-01 The fascinating story of the so called Prayer Book Rebellion of 1549 which saw the people of Devon and Cornwall rise up against the Crown The Western Rising of 1549 was the most catastrophic event to occur in Devon and Cornwall between the Black Death and the Civil War Beginning as an argument between two men and their vicar the rebellion led to a siege of Exeter savage battles with Crown forces and the deaths of 4 000 local men and women It represents the most determined attempt by ordinary English people to halt the religious reformation of the Tudor period Mark Stoye tells the story of the so called Prayer Book Rebellion in full Correcting the accepted narrative in a number of

places Stoye shows that the government in London saw the rebels as a real threat He demonstrates the importance of regional identity and emphasizes that religion was at the heart of the uprising This definitive account brings to life the stories of the thousands of men and women who acted to defend their faith almost five hundred years ago The Sisters Who Would Be Queen Leanda de Lisle,2009-10-13 NEW YORK TIMES BESTSELLER Leanda de Lisle brings the story of nine days queen Lady Jane Grey and her forgotten sisters the rivals of Elizabeth I to vivid life in her fascinating biography Philippa Gregory Mary Katherine and Jane Grey sisters whose mere existence nearly toppled a kingdom and altered a nation s destiny are the captivating subjects of Leanda de Lisle s new book The Sisters Who Would Be Queen breathes fresh life into these three young women who were victimized in the notoriously vicious Tudor power struggle and whose heirs would otherwise probably be ruling England today Born into aristocracy the Grey sisters were the great granddaughters of Henry VII grandnieces to Henry VIII legitimate successors to the English throne and rivals to Henry VIII s daughters Mary and Elizabeth Lady Jane the eldest was thrust center stage by greedy men and uncompromising religious politics when she briefly succeeded Henry s son the young Edward I Dubbed the Nine Days Queen after her short tragic reign from the Tower of London Jane has over the centuries earned a special place in the affections of the English people as a queen with a public heart But as de Lisle reveals Jane was actually more rebel than victim more leader than pawn and Mary and Katherine Grey found that they would have to tread carefully in order to avoid sharing their elder sister s violent fate Navigating the politics of the Tudor court after Jane s death was a precarious challenge Katherine Grey who sought to live a stable life earned the trust of Mary I only to risk her future with a love marriage that threatened Queen Elizabeth s throne Mary Grey considered too petite and plain to be significant looked for her own escape from the burden of her royal blood an impossible task after she followed her heart and also incurred the queen s envy fear and wrath Exploding the many myths of Lady Jane Grey s life unearthing the details of Katherine s and Mary s dramatic stories and casting new light on Elizabeth s reign Leanda de Lisle gives voice and resonance to the lives of the Greys and offers perspective on their place in history and on a time when a royal marriage could gain a woman a kingdom or cost her everything The Mid Tudors Stephen J. Lee,2006-09-27 Covering a topic which features on all three exam board specifications this new book for A2 level history students explores the turmoil that encompassed the reigns of Edwards VI and Mary the mid tudor period A Compendium of World Sovereigns: Volume III Early Modern Timothy Venning,2023-06-30 The Compendium of World Sovereigns series contains three volumes Ancient Medieval and Early Modern These volumes provide students with easy to access who s who with details on the identities and dates ages and wives where known of heads of government in any given state at any time within the framework of reference The relevant original and secondary sources are also listed in a comprehensive bibliography Providing a clear reference guide for students to who was who and when they ruled in the dynasties and other ruler lists for the Ancient Medieval and Early Modern worlds primarily European and Middle Eastern but including available information on Africa and Asia and the

pre Columbian Americas The trilogy accesses and interprets the original data plus any modern controversies and disputes over names and dating reflecting on the shifts and widening of focus in student and academic studies Each volume contains league tables of rulers records and an extensive bibliographical guide to the relevant personnel and dynasties plus any controversies so readers can consult these for extra details and know exactly where to go for which information All relevant information is collected and provided as a one stop shop for students wishing to check the known information about a world Sovereign The Early Modern volume begins with Eastern and Western Europe and moves through the Ottoman Empire South and East Asia Africa and ends in Central and South America Compendium of World Sovereigns Volume III Early Modern provides students and scholars with the perfect reference guide to support their studies and to fact check dates people and places

**Church and State in Early Modern England, 1509-1640** Leo F. Solt,1990-04-19 The relationship between church and state indeed between religion and politics has been one of the most significant themes in early modern English history While scores of specialized studies have greatly advanced scholars understanding of particular aspects of this period there is no general overview that takes into account current scholarship This volume discharges that task Solt seeks to provide the main contours of church state connections in England from 1509 to 1640 through a selective narration of events interspersed with interpretive summaries Since World War II social and economic explanations have dominated the interpretation of events in Tudor and early Stuart England While these explanations continue to be influential religious and political explanations have once again come to the fore Drawing extensively from both primary and secondary sources Solt provides a scholarly synthesis that combines the findings of earlier research with the more recent emphasis on the impact of religion on political events and vice versa

The Elizabethan Conquest of Ireland James Charles Roy,2021-06-09 Queen Elizabeth s bloody rule over Ireland is examined in this richly textured impressively researched and powerfully involving history Roy Foster author of Modern Ireland 1600 1972 England s violent subjugation of Ireland in the sixteenth century under Queen Elizabeth I was one of the most consequential chapters in the long tumultuous relationship between the two countries In this engaging and scholarly history James C Roy tells the story of revolt suppression atrocities and genocide in the first colonial failed state At the time Ireland was viewed as a peripheral theater a haven for Catholic heretics and a potential back door for foreign invasions Tormented by such fears lord deputies sent by the queen reacted with an iron hand These men and their subordinates including great writers such as Edmund spencer and Walter Raleigh would gather in salons to pore over the Irish Question But such deliberations were rewarded by no final triumph only debilitating warfare that stretched across Elizabeth s long rule

**A History of the Peoples of the British Isles: From Prehistoric Times to 1688** Stanford Lehmberg,2013-10-11 The three volumes of A History of the Peoples of the British Isles weave together the histories of England Ireland Scotland and Wales and their peoples The authors trace the course of social economic cultural and political history from prehistoric times to the present analyzing the relationships differences and similarities of the four

areas Covering British history from prehistoric times to 1688 Volume I s main themes include the development of prehistoric Roman and Anglo Saxon Britain discussions of family and class structures Medieval British history the Stuart and Tudor leaderships the arts and intellectual developments from 1485 to 1688 Presenting a wealth of material on themes such as women s history the family religion intellectual history society politics and the arts these volumes are an important resource for all students of the political and cultural heritage of the British Isles      Rebellion and Riot Barrett L. Beer,2005 The short reign of Edward VI was a turbulent one even by Tudor standards In addition to such perennial problems as religious change inflation poor harvests and war with Scotland and France and to some extent as a result of them the kingdom was threatened by widespread unrest riots and rebellions among the common people The riots and rebellions were of course put down and their history was recorded by the educated ruling class In this study Barrett L Beer looks at these dramatic events from the viewpoint of the rebellious commoners Drawing on a variety of contemporary manuscript sources he analyzes the themes of discontent that motivated them the radical demands that challenged the social order and the acts of repression and reform by which the government responded Above the clamor of the streets and countryside runs the intricate story of the interaction and often confusing relations among the commoners the gentry who controlled local government and the king s councillors in London Rebellion and Riot provides insights into the critical mid Tudor period in England The discontents these riots reflected helped shape the direction of later history BOOK JACKET      *Mary Tudor* Anna Whitelock,2016-02-23 An engrossing unadulterated biography of Bloody Mary elder daughter of Henry VIII Catholic zealot and England s first reigning Queen Mary Tudor was the first woman to inherit the throne of England Reigning through one of Britain s stormiest eras she earned the nickname Bloody Mary for her violent religious persecutions She was born a princess the daughter of Henry VIII and the Spanish Katherine of Aragon Yet in the wake of Henry s break with Rome Mary a devout Catholic was declared illegitimate and was disinherited She refused to accept her new status or to recognize Henry s new wife Anne Boleyn as queen She faced imprisonment and even death Mary successfully fought to reclaim her rightful place in the Tudor line but her coronation would not end her struggles She flouted fierce opposition in marrying Philip of Spain sought to restore England to the Catholic faith and burned hundreds of dissenters at the stake But beneath her hard exterior was a woman whose private traumas of phantom pregnancies debilitating illnesses and unrequited love played out in the public glare of the fickle court Though often overshadowed by her long reigning sister Elizabeth I Mary Tudor was a complex figure of immense courage determination and humanity and a political pioneer who proved that a woman could rule with all the power of her male predecessors      **London and the Reformation** Susan Brigden,2014-11-27 *London and the Reformation* 1989 was the first book by Susan Brigden later to win the prestigious Wolfson Prize for her *Thomas Wyatt The Heart s Forest* It tells of London s sixteenth century transformation by a new faith that was both fervently evangelised and fiercely resisted as a succession of governments and monarchs Henry VIII Edward VI and Mary vied for control London s disproportionate size and

wealth its mix of social forces and high politics and the strength of its religious sectors made the capital a key factor in the reception of the English Reformation Brigden draws upon rich archival sources to examine how these religious dilemmas were confronted A tour de force of historical narrative which can be read with both pleasure and profit by scholars and non scholars alike Times Literary Supplement Magisterial richly detailed teeming with the vivid street language of the sixteenth century London Review of Books

**Philip of Spain, King of England** Harry Kelsey, 2011-11-30 The Spanish Armada conjures up images of age old rivalries bravery and treachery However the same Spanish monarch who sent the Armada to invade England in 1588 was just a few years previously the King of England and husband of Mary Tudor This important new book sheds new light on Philip II of Spain England's forgotten sovereign Previous accounts of Mary's brief reign have focused on the martyrdom of Protestant dissenters the loss of English territory as well as Mary's infamous personality meaning that her husband Philip has remained in the shadows In this book Harry Kelsey uncovers Philip's life from his childhood and education in Spain to his marriage to Mary and the political manoeuvrings involved in the marriage contract to the tumultuous aftermath of Mary's death which ultimately led to hostile relations between Queen Elizabeth and Philip culminating in the Armada Focusing especially on the period of Philip's marriage to Mary Kelsey shows that Philip was in fact an active King of England and took a keen interest in the rule of his wife's kingdom Casting fresh light on both Mary and Philip as well as European history more generally this book will be essential reading for anyone interested in the Tudor era

Tudor Placemen and Statesmen Narasingha Prosad Sil, 2001 This investigation thus seeks to examine the theory of the Tudor revolution in government advanced by the late Sir Geoffrey Elton and in so doing helps to highlight the human and personal dimensions of institutional history An outcome of this changed perspective is that the privy chamber acquires a higher profile following David Starkey's path breaking revisionist research than the privy council as postulated by Elton in the remarkable revolutionary decades of the sixteenth century

This is likewise one of the factors by obtaining the soft documents of this **Northumberland The Political Career Of John Dudley Earl Of Warwick And Duke Of Northumberland** by online. You might not require more era to spend to go to the ebook creation as without difficulty as search for them. In some cases, you likewise complete not discover the proclamation Northumberland The Political Career Of John Dudley Earl Of Warwick And Duke Of Northumberland that you are looking for. It will unquestionably squander the time.

However below, in the manner of you visit this web page, it will be consequently enormously simple to acquire as skillfully as download guide Northumberland The Political Career Of John Dudley Earl Of Warwick And Duke Of Northumberland

It will not resign yourself to many era as we accustom before. You can complete it while statute something else at home and even in your workplace. as a result easy! So, are you question?
