**Northwestern Fights and Fighters (Classic Reprint)** Cyrus Townsend Brady, 2015-07-13 Excerpt from Northwestern Fights and Fighters T will be noticed that this book differs from others of the american fights and fighters series and especially its immediate predecessor Indian Fights and Fighters in that I am not the author of all or most of it In response to a request for contributions from participants in the Modoc and Nez Perc wars numerous papers were submitted all of such high value not only from an historic but from a literary point of View as well that I had not the presumption to rewrite them myself not even the proverbial assurance of the historian would warrant that Therefore I have contented myself with writing a general and comprehensive account of each of the two wars considered leaving to the actors themselves the telling in full of the detailed story of the splendid achievements in which they were making history I can affirm therefore that never before has there been included in a single volume such a remarkable and interesting collection of personal experiences in our Indian Wars as in this book And as I admire the doers of the deeds so also do I admire the tellers of the tales Their modesty their restraint their habit of relating adventures which stir the blood and thrill the soul as a mere matter of course About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
