Combining original and detailed close readings with broader theoretical discussions, she argues that classicism is fundamental to the transformative critique of American culture that Morrison's work effects.

American Fun John Beckman, 2014-11-04 Here is an animated and wonderfully engaging work of cultural history that lays out America's unruly past by describing the ways in which cutting loose has always been and still is an essential part of what it means to be an American. From the time the Pilgrims landed at Plymouth Rock, Americans have defied their stodgy rules and hierarchies with pranks, dances, stunts, and wild parties, shaping the national character in profound and lasting ways. In the nation's earlier eras, revelers flouted Puritans, Patriots pranked Redcoats, slaves lampooned masters, and forty-niners bucked the saddles of an increasingly uptight middle class. In the twentieth century, fun-loving Americans celebrated this heritage and pushed it even further: flappers, Barney Mugged in Petting Pantries, Yuppies showered the New York Stock Exchange with dollar bills, and B-boys invented hip hop in a war zone in the Bronx. This is the surprising and revelatory history that John Beckman recounts in *American Fun*. Tying together captivating stories of Americans' pursuit of happiness and distinguishing between real risky fun and the bland amusements that paved the way for Hollywood, Disneyland, and Xbox, Beckman redefines American culture with a delightful and provocative thesis. With black and white illustrations throughout.

**Contemporary Poetry** Nerys Williams, 2011-04-06 Discussing the work of more than 60 poets from the US, UK, Ireland, Australia, New Zealand, and the Caribbean, Nerys Williams guides students through the key ideas and movements in the study of poetry today.

*Transnational Trills in the Africana World* Cheryl Sterling, 2019-03-18 This volume focuses on how music and arts in the global Africana world are used for political and social change. It will be an essential resource for scholars and students in African studies, Africana, Afro-Atlantic studies, diaspora studies, sociology, music, literature, politics, and culture. The volume is divided into three sections: namely, Music and Politics; Case Studies of Experiential Practices in Healing and Education; and Literature, the Arts, and Political Expression, which cross subject areas such as nationalism, political identity, post-coloniality, health, education, orality, and cultural expressivity. Diverse topics are covered, such as the African thematics of jazz, the Y'en a Marre/Fed Up movement in Senegal, the Occupy Nigeria movement, NGO activism in Brazil, and Africana performance traditions, as well as the dynamics of oral and written literature. The articles explore works by Joseph Conrad, Nathaniel Mackey, Kofi Awoonor, and Ngugi wa Thiong'o, as well as the artistic expression of Jean-Michel Basquiat.

Conversations with Albert Murray Albert Murray, 1997 In these conversations, Murray discusses those who influenced him: Thomas Mann, Ernest Hemingway, Louis Armstrong, and Duke Ellington, and tells how they helped him develop a philosophy of art based on the blues, as well as a new archetype of the American hero: the blues hero.

African American Literature in Transition, 1960-1970: Volume 13 Shelly Eversley, 2022-11-24 This volume considers innovations, transitions, and traditions in both familiar and unfamiliar texts and moments in 1960s African American literature and culture. It interrogates declarations

of race authenticity personal and collective empowerment political action and aesthetics within this key decade It is divided into three sections The first section engages poetry and music as pivotal cultural form in 1960s literary transitions The second section explains how literature culture and politics intersect to offer a blueprint for revolution within and beyond the United States The final section addresses literary and cultural moments that are lesser known in the canon of African American literature and culture This book presents the 1960s as a unique commitment to art when Black became a political identity one in which racial social justice became inseparable from aesthetic practice *Teaching the Novel across the Curriculum* Colin C. Irvine, 2007-11-30 Instructors at all levels are being encouraged to teach writing in their courses even in subjects other than English Because the novel reflects a broad set of human experiences and history it is the ideal vehicle for learning about a wide range of issues This book helps educators learn how to incorporate novels in courses in English the humanities social and behavioral sciences and professional studies The chapters focus on using the novel to explore ethical concerns multiculturalism history social theory psychology social work and education The book looks at major canonical works as well as graphic novels and popular literature Language arts are at the forefront of education these days Instructors at all levels are being encouraged to teach writing in their courses even if those courses cover subjects other than English Literature instructors have long used fiction to teach composition But because the novel reflects a broad range of human experiences and historical events it is the ideal medium for learning about contemporary social issues This book helps educators learn how to use the novel in courses in English the humanities social and behavioral sciences and professional studies The book is divided into broad sections on general education classes multiculturalism literature classes humanities courses classes in social behavioral and political sciences and professional studies such as social work and teacher training Each section includes chapters written by gifted teachers and provides a wealth of theoretical and practical information While the book examines major canonical works such as *Hard Times* *Billy Budd* and *Invisible Man* it also looks at graphic novels science fiction and popular contemporary works such as *Finishing School* and *Jarhead* Chapters reflect the personal successes of their authors and cite works for further reading **Reading America** Elizabeth Boyle, 2009-03-26 This specially commissioned volume of essays offers a refreshing and unusual perspective on classic novels from the American literary canon Accessible to students scholars and the interested reader this engaging collection explores familiar novels through unfamiliar lenses and in so doing sheds light on surprising and previously overlooked aspects of each text *Reading America* presents a new approach to American literature by showcasing a cross section of recent research into previously untapped areas of interest Each chapter attempts to re read classic American texts using new or unorthodox theoretical frameworks including such diverse topics as an Emersonian reading of Don DeLillo decoding Thomas Pynchon with eco criticism and understanding Paul Auster's New York Trilogy by exploring the graphic novel version of *City of Glass* Other authors explored in this way include Henry James Truman Capote Ralph Ellison Toni Morrison Joyce Carol Oates and F Scott

Fitzgerald This type of approach widens the reader's knowledge of each well known text and encourages new critical evaluations of contemporary American literature The collection moves through six large topic areas from Naturalism and an idea of the Great American Novel at the end of the nineteenth century through politics sexuality language and nature to a contemporary engagement with postmodernism Each essay deals with its own particular subject and author but the full impact of each on the notion of the American novel as a phenomenon can only be understood when read in conjunction with the others Of interest to both undergraduate and postgraduate students Reading America would be a valuable asset to any American Studies or American Literature degree course and a useful companion to American History or Politics courses The volume will also attract strong interest from established academics especially those researching the fields of literature critical theory cultural history and politics

Sound Recording Technology and American Literature Jessica Teague, 2021-05-20 This book investigates the sustained engagement between American literature and sound recording technologies during the twentieth century
