Cynthia Clements, Sandra Weber

Nostalgic Radio Comedy Greatscompact Discs:

Conductors and Composers of Popular Orchestral Music Naomi Musiker, Reuben Musiker, 2014-02-25 World wide in scope and focusing on the second half of the 20th century this work provides biographies and discographies of some 500 composers and conductors of light and popular orchestral music including film show theatre and mood music The book is arranged in two sequences 1 Biographies and select discographies both arranged alphabetically of the well known and better known conductors and composers These entries also include a list of suggested reading for those wishing to further their studies and 2 Select discographies of conductors about whom little or no biographical information is available The bibliography at the end of the book covers discographical sources popular music and film music This is the first time that the lives and recordings of such artists as Kostelanetz Faith and Gould as well as the orchestral recordings of such great popular composers as Gershwin Kern Porter Rodgers Berlin and Coward have been documented and presented in an encyclopedic form

The Enduring Legacy of Old Southwest Humor Edward Piacentino, 2006-02-01 The Old Southwest flourished between 1830 and 1860 but its brand of humor lives on in the writings of Mark Twain the novels of William Faulkner the television series *The Beverly Hillbillies* the material of comedian Jeff Foxworthy and even cyberspace where nonsoutherners can come up to speed on subjects like hickphonics The first book on its subject *The Enduring Legacy of Old Southwest Humor* engages topics ranging from folklore to feminism to the Internet as it pays tribute to a distinctly American comic style that has continued to reinvent itself The book begins by examining frontier southern humor as manifested in works of Faulkner Erskine Caldwell Flannery O Connor Eudora Welty Woody Guthrie Harry Crews William Price Fox Fred Chappell Barry Hannah Cormac McCarthy and African American writers Zora Neale Hurston Ralph Ellison Alice Walker Ishmael Reed and Yusef Komunyakaa It then explores southwestern humor's legacy in popular culture including comic strips comedians and sitcoms and on the Internet Many of the trademark themes of modern and contemporary southern wit appeared in stories that circulated in the antebellum Southwest Often taking the form of tall tales those stories have served and continue to serve as rich reusable material for southern writers and entertainers in the twentieth century and beyond *The Enduring Legacy of Old Southwest Humor* is an innovative collaboration that delves into jokes about hunting drinking boasting and gambling as it studies among other things the styles of comedians Andy Griffith Dave Gardner and Justin Wilson It gives splendid demonstration that through the centuries southern humor has continued to be a powerful tool for disarming hypocrites and opening up sensitive issues for discussion

Radio Drama Tim Crook, 2002-01-04 Radio Drama brings together the practical skills needed for radio dramas such as directing writing and sound design with media history and communication theory Challenging the belief that sound drama is a blind medium Radio Drama shows how experimentation in radio narrative has blurred the dividing line between fiction and reality in modern media Using extracts from scripts and analysing radio broadcasts from America Britain Canada and Australia the book explores the practicalities of producing

drama for radio Tim Crook illustrates how far radio drama has developed since the first audiophonic production and evaluates the future of radio drama in the age of live phone ins and immediate access to programmes on the Internet
