Melvia F. Miller,2005-11-13 THE SPIRITUAL DREAM One day in the 21st Century God went unto Noah who was living in the U S in Harlem NY and said Again the earth has become wicked Build another Ark and save 2 of every living thing and a few good humans He gave Noah instructions You have 6 months to build it before I start the storms Six months later God looked down and saw Noah weeping in his yard but no Ark Noah He roared Where is the Ark Forgive me God begged Noah but I needed a building permit I ve been arguing with the code inspector I know you want decent humans so I tried to test for those who are reasonably healthy This will take a long time because most are filled with drugs of one kind or another And if all that is not enough the Dept of Homeland Security has me under investigation for plotting to kidnap citizens And you may have heard about the pathetic way FEMA handled the folks in the Super Dome after a hurricane FEMA won t let me do any type of rescuing So forgive me Great One but it would take at

least 10 years for me to finish this Ark Suddenly a rainbow stretched across the sky Noah looked up in wonder and asked You re not going to destroy the world No said God This is a new situation red tape beat me to the punch Renewal may require a more ancient solution *Time of the Quickening* Susan B. Martinez,2011-03-28 A guide to the science of prophecy why so many predictions never come to pass and the Golden Age ahead Presents a mathematical means of divining the future revealed in the Oahspe Bible using the Egyptian Tables of Destiny a 12 000 year old system so exact it can foretell every day of the year Reveals that we are not headed for Rapture and the Apocalypse but for the Quickening the embryonic stage of a Utopian Age Examines the cycles of history and explains why many prophecies have not come true Reviewing the cycles of history from biblical times to the present and prophecies of the future from Nostradamus to Edgar Cayce and Jeane Dixon Susan B Martinez reveals that our current time of troubles is not the beginning of Rapture the Apocalypse or Armageddon but of the embryonic stage of a Utopian Age the Quickening of the human race Reviving the lost science of prophecy Martinez explains why so many great prophecies have failed and presents the 12 000 year old Egyptian system of prediction so exact it can foretell every day of the year a method based not on the planets astrology or intuition but on Earth s magnetic rhythms Using Earth science historical research religious texts spiritualism and patterns within the cycles of war and political milestones she demonstrates that the past is the hidden key to the future and uncovers the prophetic numbers of Earth s cycles 11 33 99 and 363 as set forth in the Egyptian Tables of Destiny ancient texts brought to light by the 19th century Oahspe Bible Explaining how readers can use the Tables of Destiny to make their own predictions of the future she presents her own forecasts of the risks and costs of technological progress the destiny of America the up and coming global religion the truth behind climate change and the cause of earthquakes and the true life expectancy of planet Earth as well as offering a preview of the Paradigm Shift and Golden Age ahead a time of global unity and awakening of the soul of the world

Nostradamus Peter Lemesurier,Nostradamus,1994 Bestselling author Peter Lemesurier deciphers Nostradamus s centuries old verses to predict what the next millennium will bring He unravels the seer s riddles to unearth events that will affect the lives of people today and the lives of generations to come Нострадамус. Полное собрание пророчеств Джон Хойр,2020-08-25 1503 1566 465 1666 11 2001 2020 *Canada's Spies Attacked Me* Mark Garzone,2006 This is a true story about how the Canadian Security Intelligence Service CSIS attacked me in America The story starts back in 1998 when my father Mario Garzone a Croatian Canadian telephoned the Croatian Embassy in Canada asking for a list of publishers for a book he was writing on Nostradamus He later faxed a sample of his writings as a gift to the Croatian Embassy Either CSIS or the Canadian Security Establishment CSE monitored these contacts Once being brought to the attention of Canada s security establishment my family was doomed For you see Canada and Britain fought a secret war against the Croatian military on behalf of the Serbs when Canadian Peacekeepers went to the Balkans during the breakup of Yugoslavia in the early 1990 s The book contains the Nostradamus writings that drove CSIS into a witch hunt frenzy **Postmodernism and The Other**

Ziauddin Sardar, 1998 Postmodernism has often been presented as a new theory of liberation that promotes pluralism and gives representation to the marginalised peoples of the non west and other cultures In this major assessment of postmodernism from a non western perspective Ziauddin Sardar offers a radical critique of this view Covering the salient spheres of postmodernism from architecture film television and pop music to philosophy consumer lifestyles and new age religions Sardar reveals that postmodernism in fact operates to further marginalise the reality of the non west and confound its aspirations By tracing postmodernism s roots in colonialism and modernity Sardar demonstrates that the dominant contemporary intellectual fashion peddling an insidiously oppressive and subtle revisionism is the most comprehensive onslaught on the non west ever experienced In stern retort the author offers ways in which the peoples of the non west can counter the postmodern assault and survive with their identities histories and cultures intact *Nostradamus* Peter Lemesurier, 1997 A gripping blow by blow account of what s in store for us during the next half century This is a fascinating translation of the ultimate prophetic riddle Name of Alt , *World Christian Trends Ad30-ad2200 (hb)* , 2001 *Weekly World News* , 2000-03-21 Rooted in the creative success of over 30 years of supermarket tabloid publishing the Weekly World News has been the world s only reliable news source since 1979 The online hub www.weeklyworldnews.com is a leading entertainment news site Nostradamus Peter Lemesurier, 1993 *Gods of the Dawn* Peter Lemesurier, 1998-12 The Pyramids of Giza are one of the great wonders of the world but what if they were built not by the Ancient Egyptians nor even by the legendary Atlanteans but by a still more ancient civilization from outside our solar system This book presents the theory that the Egyptian Pyramids are part of an ancient star map a message in stone from a vastly superior intelligence designed to guide us through the present steer us towards the future and finally summon us to the stars **The Paranormal Source Book** Jenny Randles, 1996 This book combines information on established phenomena with up to date news current thinking and international research It covers all areas of paranormal interest from apparitions poltergeists alien abductions and UFOs to crop circles and ESP **Proof from the Light and Darkness** Spencer J., Pamela T. Atkinson, 2009-10 This book Proof from the Light and Darkness intends to prove many divine truths to many people Many will accept it as proof while many will not The following are seven of such truths this book will prove 1 God is a living eternal and a superior being 2 The soul is a living and unique pattern of energy created by God and should not be confused with the spirit 3 God is a union of two entities which were the first souls to exist male and female therefore God can be him or her 4 God comes to Earth periodically as Christ incarnate in the body of a man and a woman 5 Jesus of Nazareth and Mary of Bethany the Magdalene were the Christ s two thousand years ago 6 Spencer John Atkinson and Pamela Theresa Atkinson are the new names and bodies of the same Christ Jesus and Mary Magdalene 7 Heaven is a real and eternally joyful place in another dimension of space These seven topics and more is a result or a chain reaction from the main proof God has given me proof that I am the incarnate soul of Jesus of Nazareth and my wife and I are the Christ Have no fear this book is not just another

book on religion however in order to prove Jesus soul is back incarnate the King James Bible must be used not for its Christian theology or religious teachings instead for its Divine Arrangements blueprint map of predictions or prophecies concerning the return of Jesus Christ It s time to stop the confusion caused by so many different beliefs by adding common sense logic and deductive reasoning leading to proof that might be realized by all faiths **Nostradamus, the Next 50 Years** Peter Lemesurier, Nostradamus, 1993
