divine prophet focused on revealing the spiritual and material destiny of the world in order to prepare humankind for the future and reconnection to the Divine His prophecies have been in print for approximately 500 years which is longer than any book except the Holy Bible The prophecies of Nostradamus are biblically sound coinciding directly with the honored messages of biblical prophets from Abraham through the Apostle John Each new generation of people has continued to pour over the verses of Nostradamus seeking higher truth and understanding A critical new understanding reveals that Nostradamus prophesied and wrote specifically about three Antichrists reigning from the year 1700 2000 A D and beyond Two of these Antichrists dominated the human race culminating spiritual forces into the Third Antichrist the One who will fully incarnate the supernatural forces of Satan ultimately torturing humanity in the final war against God bringing the End of Days From the Author Newscasters know the importance of the emotional spiritual physical and mental aspects of life as they combine all of these qualities to make the news appealing to the masses The recording of history has none of the reality of these combined elements that help us understand the fullness of life Likewise the writings of Nostradamus have never been fully understood because interpreters have not been able to incorporate true wisdom which is the ability to bring forth the divine message in the fullest emotional spiritual physical and mental realities *Nostradamus* Nostradamus,1972

*The True Prophecies: Prognostications of Michael Nostradamus* Michael Nostradamus, It is not unusual for Calumny to follow the best Wits and those whom God hath endowed with so extraordinary Talent upon weak and slight grounds It is not also unusual for Men to side easier with calumny against innocent persons then with those truths that justifie them therefore no body ought to wonder if Michael Nostradamus hath been so much cried down and defamed by several Authors being in the number of those extraordinary persons whom God had priviledged with that grace so much desired by curious Men viz the knowledge of future events Besides that there was four things in him which might have been the grounds of this diffamation The first was the vulgar life which he led in the Roman Catholik Religion which seemed to bear no proportion with such an extraordinary favour of God The second was his application to judicial Astrology which is condemned by many learned Men and detested by those that pretend to ignorant devotion The third was a suspition brought by his enemies and many devout persons in his time that he was a Negromancer and had familiarity with the Angel of darkness The fourth was the obscurity of his Stanza s which was made worse by the enormous faults of those that first Copied them and by the carelesness of the Printers In consequence of the first Objection calumny hath endeavoured to place him among the false Prophets because scarce any body can persuade himself that there being among the Faithful so many Illustrious persons in Holiness and Learning the Holy Ghost would have made choice of a common person and to reveal him so many rare secrets concerning the future Estate of his Church and of those Kingdoms that acknowledge her for their Mother seeing that the Holy Scriptures shew us that the knowledge of future things chiefly if it be extraordinary in its extent is a special Priviledge wherewith God honoureth his most faithful Servants And to say truth when the Holy Fathers and the Interpreters of the

Scripture speak of the Prerogatives of the Apostle St John they make the chiefest to be that by which being full of Prophetical Spirit he foretold the future Estate of the Church and in the Old Testament so many Prophets were so many Miracles and Prodigies of Holiness and the only name of Prophet in the Scripture is the most glorious Title that is given to those that were Gods most faithful Servants If we find in the Scripture that Balaam hath Prophesied notwithstanding his perfidiousness and that the High Priest Caiaphas notwithstanding his wicked design of murdering Christ hath also Prophesied it was only for a few things and in such cases where God would singularly shew forth his Glory by those that would have smothered it How can we then believe the same of Nostradamus who had not so much as an extraordinary atom of Christian piety by which he might have been so much priviledg d of God as to know by his Divine Light the future Estate of the Church her Persecutions and her Victories from the year 1555 to the end of the World Can it be possible that a Physician an Astrologer and one of the common sort of people should have been chosen of God among so many thousands his betters to impart unto him those Graces which have been the reward of the purity and holiness of his Apostles and of the faithfulness of St John the Evangelist This seemeth altogether improbable to Christian piety      Nostradamus John Hogue,2001-09 Chronologically reviews the sixteenth century prophet s predictions along with an an examination of quantum future prophecies      *The Complete Prophecies of Nostradamus* Nostradamus,2013-01-03 Here are the complete prophecies of Nostradamus Nostradamus is the best known and most accurate mystic and seer of all times There are those who say that he predicted Napoleon and even the attack on the World Trade Center Read the prophecies and judge for yourself      Nostradamus Mario Reading,2016-09-23 More than 200 000 copies of the original edition sold worldwide The only Nostradamus book on the market that deals exclusively with future prophecies written by the only person to have decoded Nostradamus s index dates making him stunningly accurate in his predictions More than 120 quatrains for the immediate and distant future beautifully presented in a new larger format a must have for any Nostradamus enthusiast      Nostradamus & the Millennium John Hogue,1987 Offers an interpretation of Nostradamus s prophecies that specifically focus on the latter part of the twentieth century and the coming millennium      *Nostradamus - The Complete Prophecies for the Future* My Ebook Publishing House,2016-11-22 Nostradamus the greatest diviner and scryer who ever lived was born on the 13th December 1503 in Provence France His prophecies have been in continuous print since his death on the 1st July 1566 an event that he accurately foretold on the night before it happened Nostradamus The Complete Prophecies for the Future translation and insightful interpretation reveal extraordinary and sometimes shocking predictions for the future      *Nostradamus, Las Profecias Del Futuro* Alicia Gallotti,Nostradamus,1995-12-01      *The Complete Prophecies of Nostradamus* Nostradamus,1982 Newly updated to emphasize its relevance to recent events as well as the coming turn of the millennium this edition of The Complete Prophecies of Nostradamus including all the prescient verses of the 16th century seer will be the most sought after book of its kind now and for years to come      **Nostradamus** Michel Nostradamus,2007-06 On numerous occasions and over a long
