## **Not A Song Like Any Other:**

*Not a Song Like Any Other* Mori Ōgai, 2004-05-31 The literary writings of Mori ōgai 1862 1922 one of the giant figures of the Meiji period have become increasingly well known to readers of English through a number of recent translations of his novels and short stories ōgai was more than a writer of fiction however He has long been regarded in Japan as one of the most influential intellectual and artistic figures of his period possessing a wide range of enthusiasms and concerns many developed through his early European experiences *Not a Song Like Any Other* attempts to reveal the full range of ōgai s creative endeavor providing trenchant examples of his remarkable range from dramatist and storyteller to poet and polemicist all translated into English for the first time The first of seven parts The Author Himself offers a variety of self portraits and other insights into ōgai s character through his essays laconic ironic detached written over the course of his career Mori ōgai in Germany reveals his responses to living in Germany in the 1880s and seeing for the first time how his country was being interpreted from the outside It includes his celebrated and spirited defense of his country originally published in a German newspaper Mori ōgai and the World of Politics relates his uneasy reactions to Japanese society at a later phase in his career The fourth section provides some of the first information available in English concerning his lifelong interest in painting and other aspects of the visual arts in the Japan of his day ōgai s theatrical experiments are briefly chronicled in Part 5 Four Unusual Stories offers new evidence of the range of the writer s interests and ambitions The final section includes some of the first translations of ōgai s poetry available in English Contributors Richard Bowring Sarah Cox Sanford Goldstein Andrew Hall Mikiko Hirayama Helen Hopper Marvin Marcus Keiko McDonald J Thomas Rimer Hiroaki Sato William J Tyler *Sino-Japanese Transculturation* Richard King, Cody Poulton, Katsuhiko Endo, 2012-01-01 This is a multi author work which examines the cultural dimensions of the relations between East Asia s two great powers China and Japan in a period of change and turmoil from the late nineteenth century to the end of the Second World War This period saw Japanese invasion of China the occupation of China s North east Manchuria and Taiwan and war between the two nations from 1937 1945 the scars of that war are still evident in relations between the two countries today In their quest for modernity the rulers and leading thinkers of China and Japan defined themselves in contradistinction to the other influenced both by traditional bonds of classical culture and by the influx of new Western ideas that flowed through Japan to China The experiences of intellectual and cultural awakening in the two countries were inextricably linked as our studies of poetry fiction philosophy theatre and popular culture demonstrate The chapters explore this process of transculturation the sharing and exchange of ideas and artistic expression not only in Japan and China but in the larger region which Joshua Fogel has called the Sinosphere an area including Korea and parts of Southeast Asia with a shared heritage of Confucian statecraft and values underpinned by the classical Chinese language The authors of the chapters who include established senior academics and younger scholars and employ a range of disciplines and methodologies were selected by the editors for their expertise in

particular aspects of this rich and complex cultural relationship As for the editors Richard King and Cody Poulton are scholars and translators of Chinese literature and Japanese theatre respectively each taking a historical and comparative perspective to the study of their subject Katsuhiko Endo is an intellectual historian dealing with both Japan and China

**Japanese Women Poets: An Anthology** Hiroaki Sato,2014-12-18 Throughout history Japanese women have excelled in poetry from the folk songs of the Kojiki Record of Ancient Matters compiled in 712 and the court poetry of the 9th to the 14th centuries on through the age of haikai and kanshi to the 19th century into the contemporary period when books of women s poems have created a sensation This anthology presents examples of the work of more than 100 Japanese women poets arranged chronologically and of all the major verse forms choka tanka haikai haiku kanshi verse written in Chinese and free verse The poems describe not just seasonal changes and the vagaries of love which form the thematic core of traditional Japanese poetry but also the devastations of war childbirth conflicts between child rearing and work experiences as refugees experiences as non Japanese residents in Japan and more Sections of poetry open with headnotes and the editor has provided explanations of terms and references for those unfamiliar with the Japanese language Other useful tools include a glossary of poetic terms a chronology and a bibliography that points the reader toward other works by and about these poets There is no comparable collection available in English Students and anyone who appreciates poetry and Japanese culture will treasure this magnificent anthology Editor and translator Hiroaki Sato is a past winner of the PEN America translator prize and the Japan United States Friendship Commission s 1999 literary translation award

**Amendment to Communications Act of 1934** United States. Congress. Senate. Committee on Interstate and Foreign Commerce,1958 Music and the Road Gordon E. Slethaug,2017-12-02 Brian Wilson and The Beach Boys Bob Dylan Bruce Springsteen and Paul Simon these familiar figures have written road music for half a century and continue to remain highly regarded artists But there is so much more to say about road music This book fills a glaring hole in scholarship about the road and music In a collection of 13 essays Music and the Road explores the origins of road music in the blues country western and rock n roll the themes of adventure freedom mobility camaraderie and love and much more in this music the mystique and reality of touring as an important part of getting away from home creating community among performers and building audiences across the country from the 1930s to the present and the contribution of music to popular road films such as Bonnie and Clyde Easy Rider Thelma and Louise and On the Road

*Recontextualized* Lindy L. Johnson,Christian Z. Goering,2016-07-25 *Recontextualized* A Framework for Teaching English with Music is a book that can benefit any English teacher looking for creative approaches to teaching reading writing and critical thinking Providing theoretically sound classroom tested practices this edited collection not only offers accessible methods for including music into your lesson plans but also provides a framework for thinking about all classroom practice involving popular culture The framework described in *Recontextualized* can be easily adapted to a variety of educational standards and consists of four separate approaches each

with a different emphasis or application Written by experienced teachers from a variety of settings across the United States this book illustrates the myriad ways popular music can be used analyzed and created by students in the English classroom Together this editor author team has produced a book that virtually vibrates with possibilities for engaging youth in ways that speak to their interests while simultaneously maintaining the rigor expected of English classes Donna E Alvermann
