Nathalie Huynh Chau Nguyen, 2016-03-21 Published on the 40th anniversary of the end of the war in Vietnam this book brings to life the experiences and memories of South Vietnamese soldiers the forgotten combatants of this controversial conflict South Vietnam lost more than a quarter of a million soldiers in the Vietnam War yet the histories of these men and women are largely absent from the vast historiography of the conflict By focusing on oral histories related by 40 veterans from the former Republic of Vietnam Armed Forces this book breaks new ground shedding light on an essentially unexplored aspect of the war and giving voice to those who have been voiceless The experiences of these former soldiers are examined through detailed firsthand accounts that feature two generations and all branches of the service including the Women's Armed Forces Corps Readers will gain insight into the soldiers' early lives their military service combat experiences and friendships forged in wartime They will also see how life became worse for most in the aftermath of the war as they experienced internment in communist prison camps discrimination against their families on political grounds and the dangers inherent in escaping Vietnam whether by sea or land Finally readers will learn how veterans who saw no choice but to leave their homeland succeeded in rebuilding their lives in new countries and cultures **The Mekong** Milton

Osborne, 2007-12-01 A remarkable history of the great river of Southeast Asia Jill Ker Conway author of The Road from Coorain The Mekong River runs over nearly three thousand miles beginning in the mountains of Tibet and flowing through China Burma Laos Thailand Cambodia and Vietnam before emptying into the China Sea Its waters are the lifeblood of Southeast Asia and first begot civilization on the fertile banks of its delta region at Oc Eo nearly two millennia ago This is the story of the peoples and cultures of the great river from these obscure beginnings to the emergence of today's independent nations Drawing on research gathered over forty years Milton Osborne traces the Mekong's dramatic history through the rise and fall of civilizations and the era of colonization and exploration He details the struggle for liberation during a twentieth century in which Southeast Asia has seen almost constant conflict including two world wars the Indochina War the Vietnam War and its bloody aftermath and explores the prospects for peace and prosperity as the region enters a new millennium Along the way he brings to life those who witnessed and shaped events along the river including Chou Ta kuan the thirteenth century Chinese envoy who recorded the glory of Angkor Wat the capital of the Khmer Empire the Iberian mercenaries Blas Ruiz and Diego Veloso whose involvement in the intrigues of Cambodia's royal family shook Southeast Asia's politics in the sixteenth century and the revolutionaries led by Ho Chi Minh whose campaigns to liberate Vietnam from the French and unify the nation under communism changed the course of history A pathbreaking ecologically informed chronicle A pulsating

journey through the heart of Southeast Asia Publishers Weekly *Australia's Vietnam War* Jeff Doyle, Jeffrey Grey, Peter Pierce, 2002 Today the mere mention of Vietnam conjures up images of protest in American streets and tensions so strong they divided a country Yet the United States did not fight alone Comparatively little is known about Australia's experience its motives for entering the conflict national support for Australia's role there and how that nation dealt with the aftermath of war Here Jeff Doyle Jeffrey Grey and Peter Pierce chronicle Australia's complicated involvement in Vietnam Australia's decision to participate in the conflict was part of a collective Western effort to stop Communist expansion It was also a price willingly paid for assurances of American intervention in the event of an Indonesian attack on Australia Through an evaluation of the literature arising from Vietnam the manner in which Australia memorialized its fallen veterans and other expressions of the war's influences this book offers important insights into the healing process nations face following such conflicts Vientiane Marc Askew, Colin Long, William Logan, 2006-12-07 Providing insights into this neglected Southeast Asian city this interesting book interprets Vientiane's landscape physical as well as imagined as a reflection of key aspects of Lao geo political history the nature of Lao urbanism and its critical relation to constructions of Lao identity in the contemporary period It is argued that the patterns of change seen through Vientiane's past embody the key political and economic processes and transformations impacting on the people of Laos The Lao urban past has rarely been an object of attention by scholars Laos in fact is continually portrayed as a rural backwater marginal to the dynamic trends affecting most of the Southeast Asian mainland In contrast to these persistent and static portrayals of Laos as a tiny landlocked backwater with no significant urban present or past the authors aim to document explain and evaluate the significance of the Lao urban landscape Focusing on the theme of Vientiane's marginality in its various forms the book interprets this apparent marginality as an historically produced phenomenon resulting from geo politics dating from the pre colonial period and extending into the post colonial period Drawing on a wide range of research materials Vientiane is the first work of its kind on this ignored city *From Traveller to Traitor* Tom Heenan, 2006-10-07 The radical journalist Wilfred Burchett 1911-1983 was persecuted by the Australian government during his lifetime and publicly reviled in print long after his death After a distinguished wartime career with the London Daily Express Burchett drifted to the left with the onset of the Cold War During the Korean and Vietnam wars he was condemned as a traitor for his pro Communist reports and denied an Australian passport by successive Liberal governments of the 1950s and 1960s *From Traveller to Traitor* is the first scholarly biography of this controversial foreign correspondent Tom Heenan explores the truth behind Burchett's reports from his travels on the other side of the ideological divide Using ASIO files from the 1950s to the 1970s and other archival material Heenan exposes the insubstantial nature of the allegations of treachery made against Burchett This book casts valuable new light on an extraordinary Australian whose story is one of the greatest political scandals in the nation's history Asia-Pacific Defence Reporter, 1998 *A Bibliography of Military and Political Aspects of the Malayan Emergency, the Confrontation with*

Indonesia, and the Brunei Revolt Justin J. Corfield, 2003 The Malayan Emergency the confrontation with Indonesia and the Brunei Revolt are fundamental to an understanding of Southeast Asia during the 20th century This bibliography brings together 4575 sources which should provide useful information for scholars researching these developments and Southeast Asian history in general Sources include books theses newspaper and magazine articles and unpublished manuscripts
