Neil Schulman, Joseph Neil Schulman, 1994-12 Did you know that every 13 seconds one of America's 70 million gun owners uses a firearm in defense against a criminal That American women use handguns 416 times a day in defense against rapists which is a dozen times more often than rapists use a gun That a gun kept in the home for protection is 216 times as likely to be used in defense against a criminal than it is to cause

the death of an innocent victim in that household These are just a few of the surprises this book has in store for anyone whose belief in gun control is based on TV news or popular magazines Award winning novelist screenwriter and journalist J Neil Schulman challenges the misinformation that pundits ranging from network anchors to ill informed doctors are promoting about guns Especially for the reader who doesn't own a gun and has never even considered buying one Stopping Power should be an eye opener
