Parodies of the Fall Thomas Grissom, 2020-08-21 Over the course of several evenings in a fashionable bar and lounge situated in the foothills at the edge of a large desert city the narrator tells his strange story Under the guise of trying to discover the meaning of life as it should be he instead slowly reveals life as it is What unfolds is a story about the dilemmas faced by twenty first century man the scientist technician in the words of the narrator and as such it becomes the moral autobiography of anyone and everyone What renders the story provoking and compelling is the peculiar stance adopted by the narrator relative to the events of his story There is a philosophic and parodic tone to the narrative behind which the narrator maneuvers poses postures confounds and gradually reveals his meaning From his youthful pursuit of truths revealed by science and technology to his growing alienation and estrangement from society to his eventual reconciliation with art and the role of the artist the narrator surveys the cultural landscape of our time What the reader witnesses is the development of a modern human consciousness The twists and turns of the narrator s position are on the surface paradoxical and puzzling Is he merely an incurable romantic a cynic or only a realist The story related by the narrator is fairly straightforward and clear But what meaning to ascribe to the events revealed by the narrative is posed as a problem for the reader leaving the reader to ponder at last what if anything is resolved Includes Readers Guide

to repeat the same mistakes Through the revelations encountered in this book the reader will be faced with facts which directly contrast what we've come to believe about these men These men aren't who we've been led to believe not even close In fact the reader will be confronted with an earth shattering ultimatum Who do we identify with more The Pharisees Or Jesus The answer to this question has the ability to transform our understanding of Jesus and how we interact with him in our everyday lives Furthermore the answer to this question can transform our lives to become ones marked by humility and wisdom like we never knew possible

Sanctuary Patrick Barrett, Susy Flory, 2022-03-15 For decades his family rescued lost and forgotten donkeys in the Irish countryside He had no idea that one day the donkeys would rescue him Patrick Barrett grew up on the back of a donkey In the small village of Liscarroll the young boy helped his family run a sanctuary for abandoned and abused donkeys Struggling in school Patrick only felt truly accepted in the presence of these funny fuzzy touching animals It was like magic how he and the donkeys understood each other He became a true donkey whisperer reading their body language communicating with them in ways they could understand and teaching himself how to speak in their distinctive calls But when Patrick was of age he shipped out with the Irish Army and encountered unimaginable wartime horrors in Lebanon and Kosovo In the aftermath he returned home a broken man sinking into the depths of PTSD and addictions He believed nothing could save him But he hadn't counted on the donkeys Sanctuary is the remarkable true story of how faith turned one lost man's life around with the help of the rescue animals who loved him It's an antidote to despair and a call to hope revealing the beauty and wonder of Ireland as you've never seen it before *The Estonian Review*, 1919
