## **Not That Kind Of Place:**

**Not That Kind of Place** Michael Melgaard, 2023-08-29 In May 1997 eighteen year old Laura McPherson left her house for a run and didn't return Twenty years later a reporter arrives in the small town of Griffiths to write an article about the unsolved murder of Laura McPherson He is the most recent in a long line of journalists podcasters and amateur sleuths seeking new insights into what really happened to Laura Laura's younger brother David a repressed and stuck thirty something is dealing with the recent death of his mother when the reporter comes knocking The last surviving family member David has lived a sheltered life protected from the prying eyes of the media by his mother But David cannot escape the past forever and soon finds himself confronting the lasting impact of his sister's death As David learns more about his sister and the history of Griffiths his eyes are opened to the casual violence misogyny and racism that lurk just below the surface of his seemingly placid community Provocative and haunting *Not That Kind of Place* is a literary anti mystery a compelling exploration of our obsession with true crime stories and the devastating effects of systemic violence on our most vulnerable populations *Othmar* Louise de la Ramée, 2018-05-23 Reproduction of the original *Othmar* by Louise de la Ramée

**Spellbound** Chasity Bowlin, 2024-09-01 Desmond Crane is a confirmed bachelor always running from love Accompanying his widowed sister back to her home in Lincolnshire he finds himself in a most unusual situation A woman dark haired and mysterious has quite literally struck him dumb From the first sight of her he knows his life has been irrevocably altered Because with a single look he knows this is the woman who was meant to be his Belladonna Goodwynne is more than just scandalous she's rumored to be in league with the devil Or at least that's what the local vicar would have everyone believe Living in a small cottage on the edge of the village she's content to simply be left alone But a meddling and well meaning friend has put her in a position that she had never imagined succumbing to her family's curse to love instantly and tragically Because no Goodwynne woman will ever find happiness Love for all that have come before her is merely the stepping stone to tragedy and heart break Proximity breeds complications When Desmond is injured in a most mysterious way he finds his way to Belladonna's cottage While she attempts to nurse him back to health they are discovered Scandal and honor both demand they marry But Belladonna vows she will not love him She will not doom him by giving her heart But when witch is whispered on the wind trouble always follows And perhaps it isn't Desmond whose doom has been foretold

*Movement, Power and Place in Central Asia and Beyond* Madeleine Reeves, 2013-09-13 Central Asia is a region singularly marked by attempts to transform social life by transforming place Drawing together established scholars and a new generation of historians geographers and anthropologists this volume brings empirical specificity and theoretical depth to debates about the politics of place making in this diverse region making an important contribution to Central Asian studies and a distinctive regional comparison to the spatial turn in social analysis Case studies draw on archival research and oral history to explore the workings and unintended consequences of policies aimed at sedentarizing collectivizing and resettling

populations as a means to fix and territorialize space The book also examines ethnographic studies attuned to the role of movement in sustaining social life from Soviet era trade networks that linked rural Central Asia and the Russian metropolis to pilgrimage routes through which kazakhness is articulated to the contemporary moralization of migration abroad in search of work Rather than analysing flows as abstract processes the book enquires about effortful activity material infrastructures political relations and social habits through which people ideas knowledge skills and material objects move or are prevented from moving As such it offers new insights into the complex intersections of movement power and place in this important region over the last two centuries This book was originally published as a special issue of Central Asian Survey

The Emperor Landing on the Nine Heavens Kong Shen,2019-10-23 I am the Emperor of the Nine Layered Heavens of the Myriad Domain My decree is so vast that in this world there is no one who dares to disobey it This was the story of an ordinary boy like Lin Dong growing up to become the Nine Heavens Emperor Experts were as numerous as the clouds and they could also be seen how Lin Dong managed to carve a path through countless geniuses and powerhouses If a beauty falls in love how could the main character choose

**The Significance of High Value in Human Behaviour** Chris Steed,2019-03-01 The Significance of High Value in Human Behaviour is an innovative conceptualisation of how the quest for a high self worth works as a psychosocial dynamic presenting the idea that feelings of impotence and low self esteem induce a powerful impetus on negative human action This book gives an account of what it means to base a whole psychological perspective on high value which has been an understudied aspect of human action Employing an ethnographical approach the book uses client observations and social research to promote original solutions in an empathetic and engaging manner for psychological support services aiding isolated individuals It considers the concept of a valuable self and examines the negative effects within the personality which can be generated when this drive for a valuable self is blocked through human devaluation or violence The Significance of High Value in Human Behaviour will appeal to academics and post graduate students in the fields of psychology and psychotherapy psychotherapists with specialist interests in loneliness and self worth and sociologists concerned with the psychology of the self

**The Z Factor** Cheryl M. Gross,2014 The nineteenth century is coming to a close when Hans Kasper Ivan Karp makes it his life mission to relieve the world of sex and gender Knowing that his goal will take several generations to achieve Karp invents a new dominant chromosome known as the Z factor But not all are excited about his theoretical creation called the umon species Accused of being a lunatic and unable to defend his theory Karp is shunned Years later his son Ivan is born the product of artificial insemination No one realizes what is in store for the world It is 2009 when Ivan Karp who has been called an umon by his parents for as long as he can remember receives a knock at his door With his father long gone and human mutations becoming more prominent around the world Ivan invites in a woman with many questions about the umon race As he retells his story up to present day Ivan reflects on his inner conflicts about his true gender and shares details of his homosexual relationship with Aaron Moses But through their conversation Ivan makes two startling discoveries Katherine is his daughter and Aaron has somehow achieved Karp s dream findings that suddenly thrust all of them in the midst of an umon revolution In this science fiction thriller three generations involved in the creation of a hermaphroditic human species must come together in an attempt to bring the umons the one thing they have always wanted freedom

**Haarlem the Birth-place of Printing, not Mentz** Jan Hendrik Hessels,2013-03-23 In this volume Jan Hendrik Hessels furthers his argument that printing originated in Holland not in Germany at Mainz that both the Cologne Chronicle and Janius are in the main correct and that printing was invented at Haarlem that that this is contradictory in any sense of the word to the so called documentary evidence that we have regarding Gutenberg Hessels was also the translator of Van der Linde s volume The Haarlem legend of the invention of printing by Lourens Janszoon Coster
